Carolyn Treasurer Report was passed out - \$50 check from Brodhead Carolyn wants to donate to the area.

Carolyn announced that **Nicole is the new speaker seeker.**

Corrections- Bob absent. **John O. filled in for BOB. John O they was only 1pp there today. John said Carol allowed him to bring in AA banners.** How come there’s no announcements being made for other AA members to participate in Corrections?

Jim M. Web Master Jeff mentioned the district having it’s own Zoom. Jeff made a point that it’s good revenue, Jim confirmed it. Jim questioned the Venmo portion, Carolyn said that Venmo only takes 1% of revenue if you transfer funds to receive immediately.

Jim M. also asked **Carolyn** to get archives so they can go onto the website.

Talk about doing signup links. Jim is looking into costs. Carolyn pointed out Venmo takes out fee for their services no yearly fees. Pretty low maintenance. \$159/yr for zoom. Raffle could pay for these services.

Jeff K’s literature: Monticello may need more books plans on following up.

CPC (Community Cooperation with the Professional Community) /PI (Public Information) : Joey not present. Jeff asked if CPC/PI was willing to put up flyers in the area? He says he's willing to put up in the 18th and 8th, NG meeting, Monticello Meeting, and Fitchburg Serenity Club. He also said he would design any flyers in the future for Nicole, but wants to limit his putting up flyers to the places stated. If unaware where to put up flyers Jeff offered to give anyone a list where to put up flyers.

GREEN CELEBRATION

Food discussed. Sign up sheet has been slowly filling up. Karie plans on donating paper supplies (cups, plates, plastic ware, tickets) to the celebration. Carolyn mentioned that the district usually reimburses those costs. Karie wants to donate it also wants to buy more than enough so there's plates etc. for the Speakeasy meeting.
