## The Grace of God

**Adam Snell**

January 19<sup>th</sup>, 2019

### What is grace?

God's wonderful forgiveness (Ephesians 1:7)

God's passionate and unconditional love (Ephesians 3:19; Romans 5:8).

God's eternal life is a free gift from God, received by faith (Ephesians 2:8-9).

God's power and strengthening (Ephesians 3:16).

Our glorious position in Christ (2 Corinthians 5:17)

God's power to Christians to overcome the world, the flesh, and the devil, preserve (1 Cor 10:13).

God's power to do ministry (John 15:5; 2 Corinthians 12:9).

God's support to meet whatever need we have (Hebrews 4:16).

God's future grace (1 Peter 1:13).

What does it mean to be a people of Grace?
