IMPORTERS WE LOVE!

Smack dab in the middle of California North Coast wine country is one of the most reputable & long-lived European wine importers in the business – Martine's Wines. They have existed since 1979, helmed for the majority of its history by the founder & proprietor, Martine Saunier. M. Saunier unfortunately passed away recently in 2025; the company is still run in her vision. Why not honor M. Saunier by having one of her bottles tonight?

It's always interesting to see how our selections & the WS Top 100 align – this year we have nine wines in our cellar which found their way onto the list. Below are the wines & the spots they earned.
