

FIT GUIDE

CHEST/BUST: Tape measure should be placed under arms. Measure at the fullest circumference around your chest.

WAIST: Measure your natural waistline around the narrowest circumference of your waist.

HIPS: Measure at the fullest circumference around your hips.

SLEEVE LENGTH: With elbow bent slightly, measure from center back of your neck, over the shoulder, over to the slightly bent elbow and down to the outer wrist.

INSEAM: Stand and measure the line where the two parts of a pair of pants are sewn together (top of the inside of the leg) to the bottom of your ankle bone.

These sizes and body measurements are intended as a guide to assist with sizing – these are not exact garment measurements. Locate your measurements below, and the chart will tell you the approximate Charles River Apparel size you should fit into. Style specific measurements can be found on our product spec sheets, which are available to download on every product detail page on our website.

FIT CATEGORIES

CLASSIC FIT: Classic fit is our most traditional fit. These styles have enough room to layer over other apparel items without looking oversized. They're comfortable and timeless.

UNISEX FIT: Our Unisex fit is made to be worn by anyone. The style and feel of the garments are based on men's sizing; it is oversized, wide through the body, and typically has a drop shoulder. Women would need to size down 1 to 2 sizes in order to get a garment that is more true-to-size.

FITTED: Our Fitted styles contour to the body's natural shape, offering a sleek, tailored look. Designed for a modern, streamlined fit, they flatter your figure and suit both professional and casual settings.

OVERSIZED: Our oversized styles are designed with a relaxed, loose fit that is intentionally larger than standard sizing. This style offers extra comfort and a casual, trendy look, often characterized by extended sleeves, wider cuts, and longer lengths.
