

# Comfort Flow™

This mat allows liquids to flow-through without compromising its anti-slip properties. It performs great as an outdoor mat and an anti-fatigue mat. Restaurant owners love this mat in their kitchen and bar areas.

- Fully launderable anti-fatigue mat.
- Made of 100% nitrile rubber for superior grease and oil resistance.
- Treated with an antimicrobial agent to guard against degradation from microorganisms, minimizing mats being a source of odors.
- Anti-static properties allow for use around sensitive electronic equipment.
- Certified “high traction” by the National Floor Safety Institute.
- Backing Style: Alternating bars, with holes.

## Features & Benefits

- Anti-microbial treatment guards against degradation from micro-organisms and minimizes odors.
- High-density, closed cell premium 100% nitrile rubber is highly resistant to industrial chemicals, oils, greases and animal fats.
- Extremely durable and supremely comfortable.
- Lightweight, easy-to clean Comfort Flow outperforms thicker, heavier safety mats.

## Applications

- Outside Entrance Mat
- Kitchen and Food Processing Mat
- Restaurant Bar Mat
- Walk-in Freezer Mat

## Specifications

Rubber Type: Nitrile Closed Cell Foam Rubber

Thickness: 3/8"

Static Control: Comfort Flow mats pass AATCC 134-1996 Electrostatic Propensity of Carpets and pass ASTM F-150 IBM Surface to Ground requirements.

Flammability: Exceeds requirements for FF2-70 - standard for surface flammability of small carpets.

NOTE: Rental available for size 3x5. Please call if you have any questions or would like to rent the 3x5 mat.
