GAME NOTES

- **3 FOR ME:** Thirteen of the last 14 matchups between the IceHogs and Monsters have featured at least one team scoring 3+ goals. The lone exception in that stretch is Cleveland's 2-1 win last season on Oct. 27 at the BMO.
- **SIKURA SQUARED:** Tyler Sikura scored a goal on Dylan's assist last night and the Sikura brothers have now combined for nine of the IceHogs' 32 total points and half of the team's 12 total goals entering Saturday. Further, Dylan has assisted on two of Tyler's three goals, while Tyler picked up his lone assist on the season on a goal from Dylan.
- **HE SPITS HOT FIRE:** Dylan Sikura is riding a season-high three-game point streak following his assist Friday at the Monsters. He has found the scoresheet in five of six games this season and 15 of his last 20 AHL contests dating to last season.
- **AIN'T FIRST, YOU'RE LAST:** Rockford has scored the first goal of the game in each of its first six tilts of the 2019-20 season. The Hogs are the lone team in the AHL to have scored first in each game thus far on the campaign. In addition, Rockford's six total games scoring first is tied for most in the AHL (also Charlotte).
- **POWER OUTAGE:** The IceHogs were held scoreless on the power play for the sixth straight game Saturday. Rockford is 0-for-22 on the power play and remains the lone team in the AHL to have yet to score a power-play goal. In addition, opponents have scored at least one power-play goal against the IceHogs in each of the first six games this season.
