GAME NOTES

- **#ONEGOAL:** Each of the last seven games between the Stars and IceHogs have been decided by just one goal, dating to Dec. 15, 2018. Rockford and Texas opened the series last year with 5-3 and 5-1 finals before concluding with six straight one-goal games, and extending that streak into this season with a 7-6 final in Texas on Nov. 21.
- **ONE & NOT DONE:** Rockford has won seven of its 10 games decided by one goal following Tuesday's 3-2 victory over Laval. The Hogs finished 2018-19 with the second-most wins in the AHL in one-goal games (23) and enter tonight with a 7-2-0-1 clip in one-goal games in 2019-20.
- **3 FOR ME:** Rockford improved to 14-0-0-1 when scoring at least three goals with a 3-2 win Tuesday. Dating to the beginning of last season, the IceHogs have won 44 of 49 games when scoring more than two goals. The Hogs also have points in 47 of those 49 games with a record of 44-2-1-2 when tallying at least three markers.
- **ON THE UP & UP:** Rockford has won seven of its last nine games and has gone 20 consecutive contests without suffering back-to-back losses. The IceHogs are 14-5-0-1 over that stretch.
- **SIK 'EM:** Tyler Sikura leads the team in both career points (9) and goals (6) against the Stars. His nine points are three more than any other Hogs skater and he has found the scoresheet in seven of his last eight tilts against the Stars after posting a goal and assist in the series opener.
- **TONIGHT'S PROMOTION:** The first 1,500 fans in attendance Friday will receive a free gray IceHogs winter hat, courtesy of Pepsi. Also, Bud Light cans are available for just \$2 through the end of 2nd intermission.
