GAME NOTES

- **ON THE ROAD AGAIN:** The Rockford IceHogs won 2-1 on Wednesday to take the first in a two-game mini-series against the Manitoba Moose and to help in their pursuit of a playoff spot. However, the last time the IceHogs defeated the Moose in back-to-back contests at Bell MTS Iceplex was from March 26-28 of 2018. Since that pair of wins, Rockford is 1-3-1-0 when visiting Manitoba.
- **ANYTHING YOU CAN DO, I CAN DO BETTER:** Brandon Hagel set the IceHogs' season-long goal streak when he buried goals in back-to-back-to-back contests from Jan. 31-Feb. 4. However, John Quenneville scored Wednesday to extend his own goal-scoring streak to four games, which sets the team's new season-long streak.
- **BACK AT IT AGAIN:** Entering this week's mini-series with the Moose, the IceHogs have 10 sets of back-to-back games in the final two and a half months of the season, including three instances in which the team plays three games in three days. Accounting for Wednesday's victory over the Moose, Rockford is 8-5-0-2 in the first half of back-to-backs and 6-7-1-0 in the back half of back-to-backs in 2019-20.
- **THE RIGHT TRACK:** After going 0-for-14 on the power play across five games from Jan. 15-22 and falling to 31st in the AHL in power play rankings, the IceHogs have now netted eight power-play goals across their last eight matchups, going 8-for-36 (22.2%) in that span and jumping to 29th in the league with a success rate of 12.3% on the season.
- **GOALS GALORE:** After only scoring three goals in a game twice from Dec. 21-Jan. 22, the IceHogs have now notched more than two goals in a game four times in their last eight outings.
