

Praise God, the Lord of Space and Time

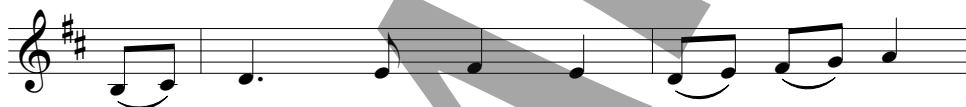

56

1. Praise God, the Lord of space and time,
 2. Praise God, who made the tree of life,
 3. Praise God, the Seeker of the lost
 4. Praise Christ, the King, Who shall re - turn

Who made the earth and sky,
 And sowed the earth with flowers,
 Who clothed Him - self in flesh,
 To make cre - a - tion new.

The One who set the stars a - flame,
 Who formed the beasts and gave them food,
 The One named Je - sus died for us,
 The u - ni - verse will hum with joy

And lift - ed moun - tains high;
 And made all good things ours;
 And left all crea - tures blessed;
 And trees sing al - le - lu;

And lift - ed moun - tains high.
 And made all good things ours.
 And left all crea - tures blessed.
 And trees sing al - le - lu.
