Come and See

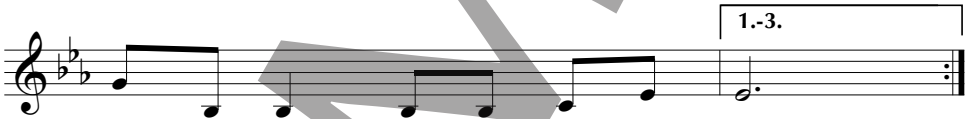

1. Come and see; come fill your long-ing.
 2. Come and see with heart be-liev-ing.
 3. Come and see the true Mes-si-ah.
 4. Come and see a love out-rag-eous.

Come and see the end to dark-ness.
 Come and see; you will find mer-cy.
 Come and see the Light e-ter-nal.
 Come and see the wounds of heal-ing.

Come and see: find life ev-er-last-ing.
 Come and see the fire that will change you.
 Come and see the Word of the Fa-ther.
 Come and see the cross that has saved you.

Come and see, O come and see.

see. Come and see, O come and see.
