

SPREAD HOPE IMPACT REPORT 2024-2025

SEVEN MILE ROAD HOUSTON

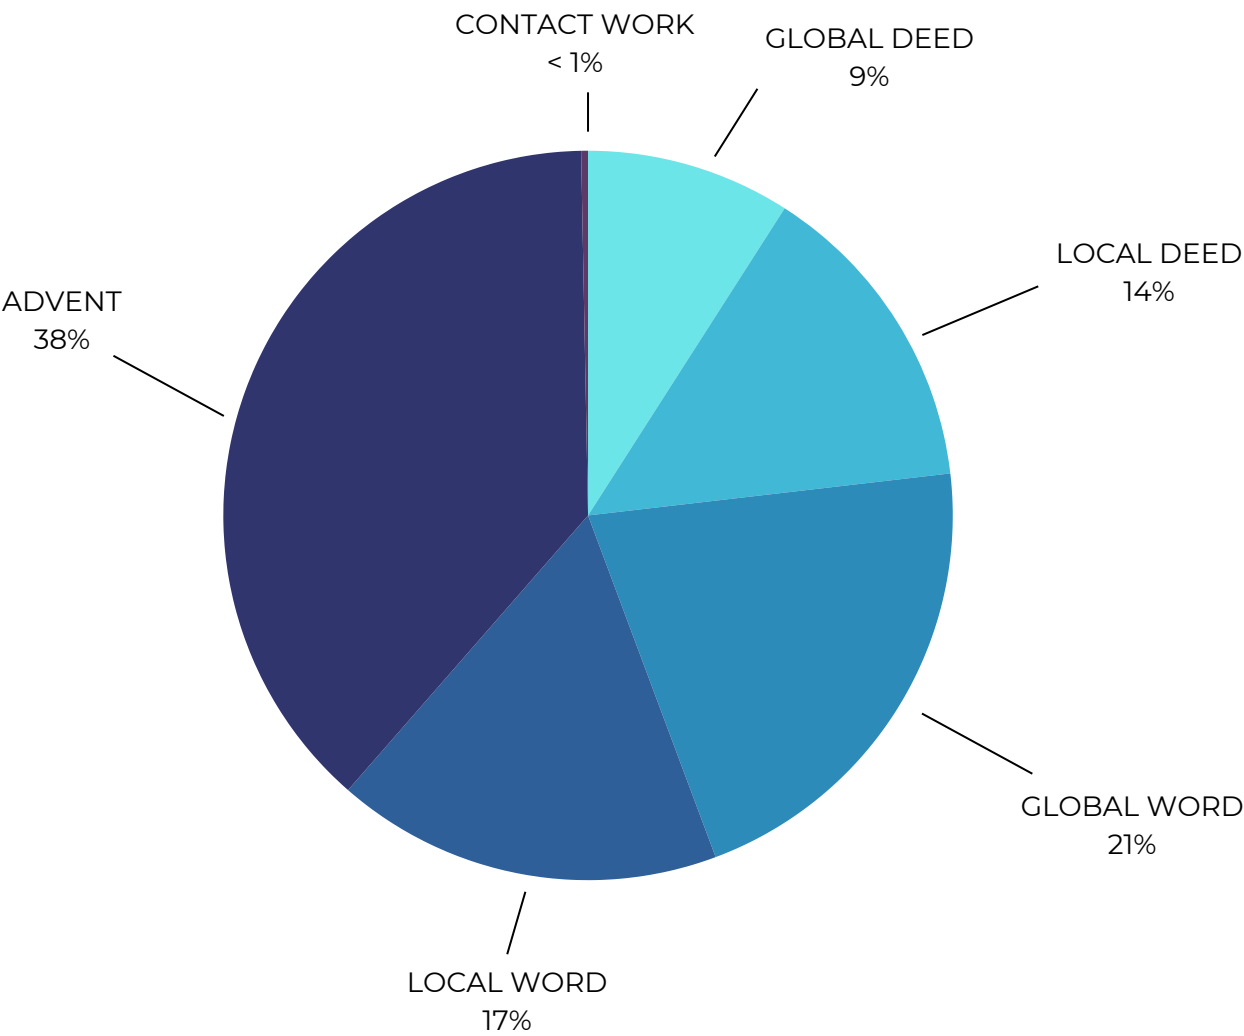

MISSION BUDGET

There is so much to celebrate in the life of our body, and each line in this report represents a person and a story impacted by the gospel of Jesus Christ. With a total budget of 1.92 million dollars, the people of Seven Mile Road gave sacrificially to bring light to dark places and the hope of Jesus both locally and globally this past year. Because of your generosity, lives are being transformed by the power of the gospel and the grace of God at work through you.

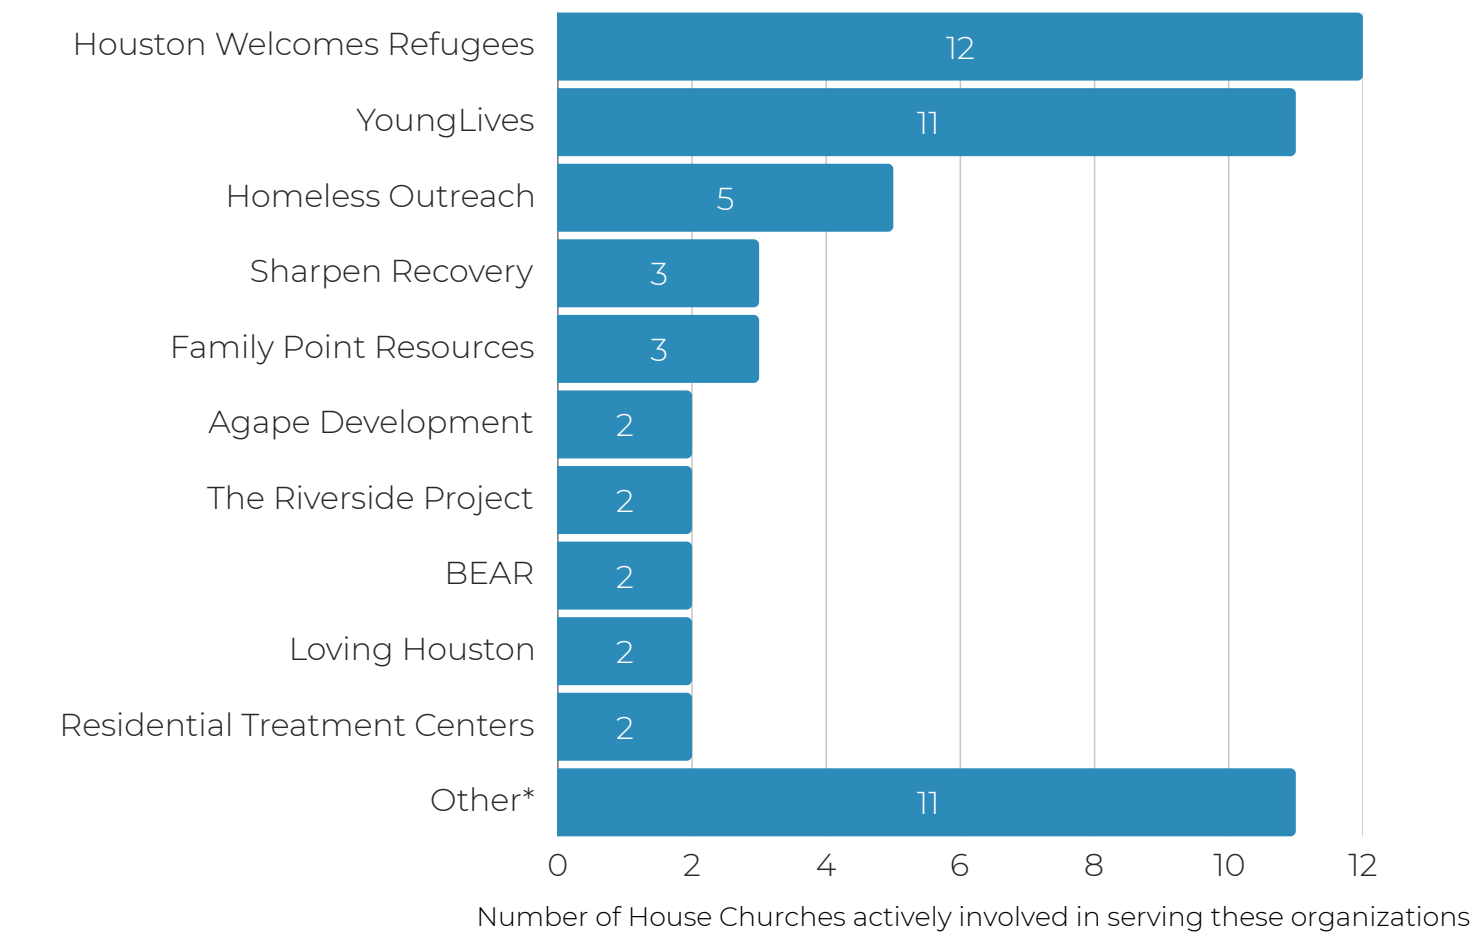

Seven Mile Road, we are immeasurably grateful to partner with you in this work, and we treasure the privilege to see God's mission go forth in our city and to the ends of the earth.

*Data from September 2024-June 2025

God calls His people to be a light in dark places—to step into brokenness with compassion, mercy, and sacrificial love. To help fuel this mission, each House Church receives \$1,000 annually to engage with the needs present in their part of the city. Our desire is for these funds to be a starting point for prayer, presence, and purposeful action. Below is the breakdown of how House Churches invested their time and resources during the 2024-2025 House Church year in response to that call.

*Organizations in the “Other” category were served by a maximum of one House Church this year.

GLOBAL GIVING

God desires for all people to know Him and praise Him, and we long to play our part in seeing every tribe, tongue, and nation worship around His throne (Revelation 5:9). In light of the task remaining among the unreached, we've taken a focused approach—strategically investing in three telescoped regions where the Spirit has stirred our hearts: West Africa, North India, and now, Central Asia. Through deep, long-term partnerships in these regions, we have the privilege of supporting and witnessing the gospel's power to transform lives and communities across diverse cultures. Together, as one body, we labor faithfully to see God's kingdom advance among the lost and least.

This year also marked the end of a 5-year, \$1 Million Campaign to Redeemer City to City. City to City catalyzes gospel movements in cities worldwide by equipping and supporting leaders to plant and strengthen churches. Since we began this campaign five years ago, Seven Mile Road has given one million dollars to catalyze the church in West Africa and Northern India. What a joy it has been to partner with City to City as we together ask God to make His name known in all the earth!
