

The God-Based Medium Reading Sacred Guide

Connecting with Heaven through Divine Love and Truth

Jeanne Street

Welcome

Welcome Beloved!
I'm Jeanne Street, a God-based Medium and Healer.

My work bridges Heaven and Earth, bringing through loving, clear messages from your departed loved ones and Divine guidance to uplift and support your spiritual journey.

What is God-Based Mediumship?
Unlike other forms of mediumship, my approach is rooted deeply in God's words, Divine Truth and Love.

Messages come through with love, truth, and alignment with God's highest light, always in service of healing and peace

Preparing for Your Reading

This is a sacred time for your soul. Here are a few gentle ways to prepare and open your heart to receive:

- Come as you are. There is no need to prepare anything. Just bring your open heart.
- Take a few quiet moments before arriving. A short prayer or breathwork practice can help you ground and settle your energy.
- Please refrain from wearing perfume or scented products. This helps us honor everyone's sensitivities and maintain a clear energy field.
- Feel free to bring a journal and water. You may wish to write down reflections after the session.
- You're welcome to bring a small photo or memento of a loved one in Heaven, though it's not required.
- Arrive a few minutes early. We begin on time, and the space will be set with intention and prayer before your arrival.

Preparing for Your Reading

- Expect a sacred atmosphere. Jeanne will open the space with prayer and invite God’s presence to lead the session with love.
- Messages will unfold uniquely. What comes through will always serve the highest good, whether it’s guidance, comfort, healing, or connection.
- You may laugh or cry — or both. All expressions are welcome here. This is holy ground for your emotions.
- Be open. Even if you're unsure what to expect, trust that what you need will find you.

This is more than a reading. It is an encounter with love that never ends.

What to Expect During Your Session

During our time together, I will attune to the Divine frequencies of Heaven and your loved ones' energies. Messages may come as guidance, wisdom, reassurance, or loving support.

This is a sacred space where you can relax, listen, and open yourself to healing.

Remember, every message is delivered with compassion and your highest good in mind.

Messages may include validations, soul guidance, comfort, and healing transmissions.

Each session is unique and divinely led.

After Your Reading

Take time to reflect on the messages and how they resonate with you. Trust your intuition — you are the best interpreter of what your soul needs.

If it feels right, share your experience with trusted loved ones.

Also, consider journaling or meditating to deepen your integration.

I may suggest additional tools or resources to support your continued growth — follow these at your own pace and always honor what feels right for you.

You may feel emotions surface in the hours or days following your session. Allow yourself space and gentleness as you integrate the experience

Thank You

May your heart be lightened, your soul uplifted, and your connection to God and your loved ones in Heaven continue to grow. You are seen, loved, and divinely supported.
