# MANIFESTING MIRACLES

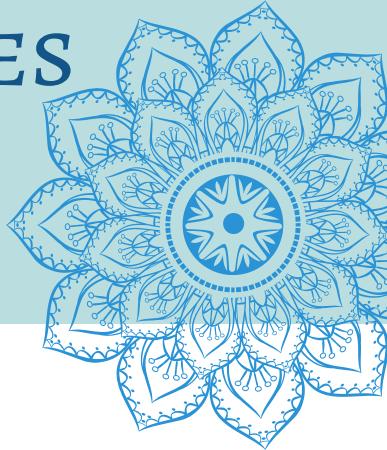

## Heavenly Support For Receiving Miracles

Our intent is the guidepost; we must have clear intention paired with faith and prayer for our intuition to open fully. Setting an intention is a deliberate choice. It's a decision that we make. We focus the first week around healing fear. And the second week is around manifesting abundance.

When you heal your fear based thoughts that is a miracle. You then will attract your new love beliefs. Your thoughts attract the like. Clean up your thoughts and belief that LOVE is available to you, you just have to choose to believe in Love.

Inside this guide you will find a Biblical quote for the day with a summary and some space for you to journal your feelings and thoughts out for that day.

## Week 1 Healing Fear

### Day 1

*“Don’t fear, for I have redeemed you; I have called you by name; you are Mine.”*  
*Isaiah 43:1*

God tells us not to fear. He speaks directly to you, for he created you. Evil has a job and that is to instill fear into your life and separate you from God and His abundant love. Focus your view above, on the Divine. Whatever trials, worries, doubts, crisis you are facing remember God calls you by name, He is by your side through it all!

### Day 2

*“Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you.”*  
*Deuteronomy 31:6*

The ultimate promise that God will never leave you is the best gift you've been given. You are not forsaken! Be still in this moment trusting you are cared for and blessed, even in the worst of times!

### Day 4

Let God's love fill your mind, your body and your soul. Allow love to be the focus of your day, washing away all fear. Peace is offered to you, open your heart to receive it!

## Week 2 Abundance

### Day 14

***"For as a man thinks in his heart, so is he..." Proverbs 23:7***

Your truths are echoed through your heart center. How you speak to yourself, your opinions, your faith and your doubts. Turn your focus on your heart, check in and ask yourself; "Am I living my life from a space of love".

Do you talk smack to yourself?

To manifest the miracles you desire pay attention to the details of your inner voice! Love over fear!

Our intent is the guidepost; we must have clear intention paired with faith and prayer for our intuition to open fully.

Setting an intention is a deliberate choice. It's a decision that we make.
