	Crewmember + Family	\$8,600	

*Prorated for new enrollees.

**The Blue Plan has a "non-embedded deductible" which is a fancy way of saying that the out-of-pocket costs for all covered members go towards one \$2,600 deductible. Once your deductible is met, coinsurance kicks in for each family member in the plan. Also, individual out-of-pocket maximums for each family member are combined and capped at \$8,600.
