

# **NEW** Same great taste. and improved packaging.

For more than a century, **Smucker's®** has maintained a reputation for quality with spreads made from the finest ingredients. With our new and improved pouch format, our reputation continues to grow—with a commitment to reduced waste and space in the form of an alternate, less-bulky option to the original 8 lb. can.

## **BENEFITS OF THE POUCH:**

Lighter weight bulk packaging

Enhance employee safety with no sharp edges

Increase food safety by eliminating can opener cross contamination
