5 tablespoons whipped cream  
2/3 cup mixed dried berries  
1 tablespoon + 2 teaspoon toasted almond slices  
2 1/2 teaspoon chocolate shavings

### Directions

1. To prepare overnight oats, combine peanut butter, cold brew concentrate, vanilla extract, almond milk, rolled oats, chia seeds, honey and salt together. Stir until combined, cover and refrigerate overnight (at least 4 hours).
2. For the fudge sauce, whisk together peanut butter, cold brew concentrate and chocolate sauce until combined. Refrigerate until use. \*If sauce is too thick after refrigeration, gently warm by placing in a steam table or by microwaving for 30-second increments until desired consistency.
3. To prepare one serving, drizzle 1 tablespoon of fudge sauce around the inside of the serving glass. Fill glass with 1 serving (approximately 8-10 oz) of the prepared overnight oats.
4. Top with 1 tablespoon whipped cream, 2 tablespoons of dried berries, 1 teaspoon toasted almonds, 1/2 teaspoon chocolate shavings and a drizzle of fudge sauce. Cover and refrigerate any leftover sauce.
