

**TRAFFIC OPERATIONS
COMMERCIAL PLAN APPROVAL**

FILE #	REF	SUBJECT	FROM	TO	DATE
TR22-0755	RESSUB-2022-00020	Villa Richey	Mike Bunk	KMCCARRON	4/22/2022

The Traffic Operations Division has reviewed the commercial plans as requested; the plan is approved. The comments and/or recommendations are not intended to be inclusive of all errors and omissions within the subject plans. It remains the design engineer's responsibility to thoroughly check the plans and make necessary corrections.

NUMBER	REFERENCE	COMMENTS
1.	Florida State Statute 316.0747	For commercial sites with 25 or more parking spaces, all signs and markings shall conform to the Manual on Uniform Traffic Control Devices.
2.		For commercial sites with less than 25 spaces, it is recommended that all signs and markings conform to the Manual on Uniform Traffic Control Devices.
3.	Florida Department of Transportation Standards	Any signs and markings within the county or state Right-of-Way, appropriate standard notes are required.
4.	Florida State Statute 316.1955 & 316.1956	All handicapped parking spaces shall be signed and marked in accordance with Florida Department of Transportation standards index.
