Re: Domestic Water Service to APN Nos. 509-58-010A

Dear Mr. Griffiths:

Arizona Water Company (the "Company") received your Water Service Information Request form and certifies that the above-described property is located within its Certificate of Convenience and Necessity in Casa Grande, Arizona, and that it will provide water service to the property in accordance with the Company's tariffs and the Arizona Corporation Commission's rules and regulations.

The attached map shows the Company's water mains in the area. It will be the responsibility of the developer to provide the funds to install the necessary water facilities to serve your project, and the Company assumes no liability to install those facilities if the funds are not advanced by the developer.

The design of the water distribution system must comply with the Company's standard specifications that are on file at the Arizona Department of Environmental Quality. Both preliminary and final water system designs must be approved by the Company.

It will also be the responsibility of the developer to meet all the requirements of regulatory agencies having jurisdiction over Arizona subdivisions and of Arizona statutes applicable to subdivided or unsubdivided land, including, but not limited to, requirements relating to a Certificate of Assured Water Supply, as set forth in the Arizona Groundwater Management Act, A.R.S. §45-576.

Very truly yours,

Fredrick K. Schneider, P.E.
