 - If you added 300/300 Savings = \$40.00 per month
- Fios 300/300 Internet only. \$39.99

Locked in for five years with no price increase.

It is important to know that HOA Fees themselves would not be going up; it would be the TV and or Internet service that will increase, which is collected along with HOA Fees.

What is next?

We will be posting a survey on our website Leisurevillagewest.com and will also have surveys available at all Association offices for those without internet service.

- What Services do you currently have?
 - Internet
 - Upgraded TV
 - Home Phone
- Which option would you prefer?
 - Option #1 TV only
 - Option #2 TV and Internet
 - Option #3 Internet only.
 - Option #4 No service to be provided by the Association.
