

## **VERIZON “RETURNING EQUIPMENT/CANCELLING SERVICES”**

Update as of 8/1/2025:

Leisure Village West is currently in discussions with Verizon FIOS regarding the plan to return equipment. However, it is too early to provide specific details to the Village at this time. We will update you around September 1st.

Please hold off on canceling any existing TV, Internet, or Voice Services until your Xfinity installation has been successfully completed.

Thank you for your patience during this transition.
