

This is an important message from the Election Committee:

As a reminder, on Thursday, August 28th, from 6-9 pm, and Friday, August 29th, from 7 am to 10 am, the polls will be open in Willow Hall for in-person voting. On both days, you may also change your vote or rescind a proxy.

In addition, the Election Committee, with the help of VISTON, will have someone available on Thursday, August 28th, to pick up your ballot at your home if you were unable to vote via mail or in person. To take advantage of this, please call 732-552-4206 or email the election committee at election@lvwa.net no later than 4 pm on August 28th.
