

****INFORMATION REGARDING THE \$67.00 CREDIT TO YOUR ACCOUNT****

As everyone is aware, Xfinity has issued every unit a \$67.00 credit.

The credit will be applied to the owner account for all units.

If you pay your monthly maintenance fee through the Association with First Citizens Property Pay, on your own through First Citizens Property Pay, or you have pre-paid for the year, the Association will NOT be adjusting your payments. If you would like the \$67.00 refund in a check, please notify the Accounting Dept. IN WRITING by emailing your request to Association@lvwa.net, by mail to: LVWA, 959 Buckingham Drive, Manchester, NJ 08759, or you may drop your written request off at the Association office. We will not accept requests by phone.

If you pay your monthly fee by check or through your own bill pay, you can deduct the \$67.00 from your NOVEMBER maintenance fee or you may request the refund in a check with written notification to the Association office as outlined above.
