

Holiday Parking Passes for your Guests

Dear Residents,

As Thanksgiving approaches, we're excited to welcome friends and family into our community! If you have guests staying overnight and they need overnight street parking, please have the unit owner register their vehicle at the Association office. Simply provide the visitor's name and license plate during registration. Remember, parking passes are valid from Wednesday, November 26th, to Sunday, November 30th.

Wishing you all a joyful and memorable Thanksgiving filled with warmth and gratitude!
