## INDEPENDENT AUDITORS' REPORT

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of the City of Littleton as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the basic financial statements of the Housing Authority of the City of Littleton, as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Opinions***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of the City of Littleton as of September 30, 2016, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters (Required Supplementary Information)***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Matters (Other Information)***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Littleton's basic financial statements. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling the information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2017, on our consideration of the Housing Authority of the City of Littleton's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the City of Littleton's internal control over financial reporting and compliance.

**HOUSING AUTHORITY OF THE CITY OF LITTLETON**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**SEPTEMBER 30, 2016**

As management of Housing Authority of the City of Littleton, (the "Authority"), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended September 30, 2016. The Management's Discussion and Analysis is designed to assist the reader in focusing on significant financial issues, to provide an overview of the Authority's financial activity and position, and to identify financial trends and concerns. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements and the additional information that we have furnished in our notes to the financial statements to obtain a full understanding of its financial position.

### **Financial Highlights**

The Authority continues to have a positive financial outlook

- Total Net Position was \$10,403,445 at September 30, 2016 and \$10,410,453 at September 30, 2015.
- The Authority generated Net Operating Income before depreciation of \$1,370,002 for 2016.
- Capital Assets in 2016 totaled \$16,001,546 compared to 2015 Capital Assets totaling \$16,860,925.
- The fiscal year 2016 ended with a current ratio of 1.4, allowing the Authority to meet its current obligations 1.4 times. This ratio for 2015 was 3.4. This decreased coverage ratio is due to the Alyson Bond payment that is due in full on July 1, 2017. This is being discussed so as to refinance this debt obligation in 2017.
- Total Cash and Investments, excluding Restricted Cash & Investments was \$4,355,659 in 2016 and \$4,008,451 at September 30, 2015.

### **Using the Financial Statements**

The Financial Statements consist of Management's Discussion and Analysis (this section) and a series of financial statements and notes to those statements. These statements are organized so that the reader can understand the Authority as an entire operating entity. The statements then proceed to provide an increasingly detailed look at specific financial activities.

The Statement of Net Position – Proprietary Funds presents information on all the Authority assets and liabilities. The difference between a Public Housing Authority's assets and liabilities is Net Position. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position - Proprietary Funds provide the reader operating revenues and expenses by funds and by the Authority in total. This is reported on a full accrual basis where income is reported when earned and expenses are reported as incurred. This report shows the reader the net operating income/loss.

MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)

**Using the Financial Statements (Continued)**

Operating Revenue consists of tenant rents, management fees, HUD operating subsidies, and other income. Operating expenses are salaries and benefits, office expenses, insurance, utilities, maintenance and depreciation. The next section shows Non-Operating Revenues and Expenses to arrive at the Change in Net Position (Profit/Loss) for the year just ended. Non-Operating Revenues/Expenses consist of interest income, Mortgage Interest Expense, and Grants.

Each column of this statement is a fund. A fund is a self-balancing set of accounts recording cash and other financial resources together with all related liabilities and net position and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or restrictions.

The Statement of Cash Flows – Proprietary Funds provide our third statement which converts accrual accounting to cash to let the reader know, by fund, and by the Authority, as a whole, if the Authority increased or decreased cash position this year and what were the sources and/or uses of the cash.

The Notes to the Financial Statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements and can be found immediately after them in the audit report.

**Programs and Services**

The following is a brief description of the programs and services that the Authority provides for the residents within the City of Littleton.

**Housing Choice Vouchers** - Through Annual Contribution Contracts with HUD, the Authority receives funding to subsidize the rent of low income families in the private market and earns an administrative fee to cover the program's operating costs. In 2016, the Authority was authorized to issue 288 vouchers.

**Public Housing** – The Authority owns and operates Bradley House a 72-unit elderly housing complex and 71 units of disbursed family housing for low income individuals and families in the City of Littleton.

**Section 8 New Construction** – Under multi-family contracts with HUD, the Authority receives funding for three project-based housing facilities to provide subsidized rent for 260 low income households. These three properties are Amity Plaza, Alyson Court, and John W. Newey Family Housing.

**Programs and Services (Continued)**

**Development** – The Authority is involved with developing and rehabbing new acquisitions and the construction of low income housing. This fund also accounts for the Authority's interest in various properties, including 2 office buildings, an interest in a Low Income Housing Tax Credit project, and other affordable housing projects.

**Powers Circle Apartments** – This 69-unit apartment complex was purchased by the Authority in 2008. On July 30, 2013 the property was sold to the Powers Circle Apartments LLLP tax credit partnership. Partners include Countryside Corporate Tax Credits XXI (as a Limited Partner) and Littleton Area Neighborhood Development (LAND) (as the General Partner). Littleton Housing Authority is the developer of the project and acts as the Management Agent. The property will remain affordable in the community for a period of 15 years in accordance with the tax credit requirements and for an additional 15 years in accordance with the Land Use Restriction Agreement.

**Housing Rehab Program** – With funding received through the HOME investment partnership program and program income, low income homeowners receive low interest loans to rehabilitate their homes that are in need of major repairs, health and safety problems or home improvements. In 2014, this program was put on hiatus in order to redesign its financial structure and scope. The previous loans are serviced and accounted for in this Fund.

**Libby Bortz Assisted Living Center** – The Authority owns and operates a 111-unit elderly assisted living property designed for moderate income frail elderly. Services provided include three meals a day, weekly housekeeping and laundry service, medication administration and 24 hour protective oversight.

**CAPITAL ASSETS**

	<u>2015</u>	<u>2016</u>
Capital Assets	\$ 36,952,001	\$ 37,068,291

Please see Note 6 to Financial Statements for further detail.

As of September 30, 2016, the Authority had outstanding long-term debt of \$14,439,484, comprised of loans, mortgages, bonds, and employee compensated absences. Scheduled payments reduced the outstanding long-term debt by \$503,259 during the year ended September 30, 2016. Details of the long-term debt are provided in Note 8 to the Financial Statements.

As of September 30, 2016, Alyson Court Apartments reclassified \$2,270,000 of Long-Term debt for the Mortgage Bond on the property, to Current Debt. This loan is due in full as of July 1, 2017. Senior Management is anticipating acquiring new financing on this debt before that date.

**Economic Factors Affecting the Future**

The majority of the Authority's funding is from the Department of Housing & Urban Development (HUD). This funding consists of Section 8 housing assistant payments, capital fund grants and operating subsidies and other smaller grants. The Authority is authorized to issue 288 Housing Choice Vouchers and this number is not expected to change. The Authority also earns administrative fees for the administration of Section 8 Housing Choice Vouchers for Arapahoe County. While the number of Arapahoe County vouchers varies due to portability, the average number of vouchers administered each month is 320.

The Authority will assess the feasibility of expanding services at the Libby Bortz Assisted Living Center (LBALC) for a memory care unit, to provide a higher level of care to existing and future residents of the facility.

Due to cuts in federal congressional appropriations for housing programs over the past several years, the capital fund and operating subsidies for the Public Housing Program have been funded at less than 100% of allocations. This trend is expected to continue in the future, although appropriations at the national level are higher for 2017 than for 2016.

**HOUSING AUTHORITY OF THE CITY OF LITTLETON**  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)  
SEPTEMBER 30, 2016

**Economic Factors Affecting the Future (Continued)**

The Authority is taking steps to utilize its funding in more efficient ways, including transitioning to electronic filing and web-based housing and administrative programs. The Authority continues to explore additional sources of revenue to supplement its federal funding, including providing tenant screening services to landlords in the community. It is also anticipated that the Authority will take the necessary steps to upgrade its existing housing stock, which could result in additional, much-needed housing units in the community and provide additional revenue for the agency.

HOUSING AUTHORITY OF THE CITY OF LITTLETON

NOTES TO FINANCIAL STATEMENTS

September 30, 2016

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Housing Authority of the City of Littleton, dba South Metro Housing Options (the “Authority”) have been prepared in conformity with generally accepted accounting principles (GAAP) as applicable to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority’s accounting policies are described below.

**Reporting Entity**

The financial reporting entity consists of the Authority, organizations for which the Authority is financially accountable, and organizations that raise and hold economic resources for the direct benefit of the Authority. All funds, organizations, institutions, agencies, departments and offices that are not legally separate are part of the Authority. Legally separate organizations for which the Authority is financially accountable are considered part of the reporting entity. Financial accountability exists if the Authority appoints a voting majority of the organization’s governing board and is able to impose its will on the organization, or if the organization has the potential to provide benefits to, or impose financial burdens on, the Authority.

Based on the application of this criteria, the Authority does not include additional organizations within its reporting entity.

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

The Authority uses funds to report its financial position and activities. Fund accounting is designed to segregate transactions related to certain government functions or activities. All of the Authority’s funds are classified as enterprise funds. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services be financed or recovered primarily through user charges.

The financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when the liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Enterprise funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a fund’s principal ongoing operations. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for a specific use, it is the Authority’s practice to use restricted resources first, then unrestricted resources as they are needed.

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation** (Continued)

In the fund financial statements, the Authority reports the following major proprietary funds:

The *Public Housing Fund* accounts for the financial activities associated with the Authority's public housing projects, including the Bradley House, a 72-unit elderly apartment complex, and 71 disbursed family units.

The *Housing Choice Vouchers Fund* accounts for the financial activities of the Authority's Section 8 Housing Choice Voucher program, including administration of the program for other entities.

The *Development Fund* accounts for the Authority's interests in various properties, including an office building and other affordable housing projects.

The *Amity Plaza Fund* accounts for the financial activities associated with the Amity Plaza Apartments, a 180-unit Section 8 New Construction project.

The *Alyson Court Fund* accounts for the financial activities associated with the Alyson Court Apartments, a 60-unit complex that receives subsidies under the Section 8 Housing Assistance Payments program.

The *Libby Bortz Fund* accounts for the financial activities associated with the Libby Bortz Assisted Living Center, a 111-unit elderly assisted living property.

**Assets, Liabilities and Net Position**

*Accounts Receivable* - Accounts receivable are expensed as bad debts at the time they are determined to be uncollectible and are approved by the Board of Commissioners. Management has established an allowance for doubtful accounts for amounts that may not be collectible in the future.

*Inventory* - Materials and supplies inventories are stated at cost, using the first-in, first-out method.

*Prepaid Expenses* - Certain payments to vendors reflect costs applicable to future years and are reported as prepaid expenses.

*Interfund Receivables and Payables* - During the course of operations, certain transactions occur between individual funds. The resulting receivables and payables are classified on the balance sheet as interfund receivables and payables when they are short-term in nature. Interfund receivables or payables not expected to be liquidated within one year are classified as advances to other funds and advances from other funds.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Assets, Liabilities and Net Position** (Continued)

*Capital Assets* - Property and equipment are recorded at cost or at estimated cost where no historical records exist. Contributed assets are valued at the acquisition value on the date received. The Authority capitalizes all assets with a cost of \$5,000 or greater and a useful life of one year or more. Interest is capitalized during the construction phase. Depreciation of capital assets is computed using the straight-line method over the following estimated useful lives of the assets.

Land Improvements	5 - 40 years
Buildings and Improvements	50 years
Equipment	5 - 10 years

*Unearned Revenues* - Unearned revenues arise when resources are received by the Authority before it has a legal claim to them, such as rental income received in advance.

*Compensated Absences* - Employees of the Authority are allowed to accumulate unused vacation time depending on length of employment. Upon termination of employment from the Authority, employees will be compensated for all eligible accrued vacation time at their current rate of pay.

Accumulated unused vacation time is accrued when earned, and is reported as a liability of the fund expected to liquidate the liability.

*Net Position* - Net position is restricted when constraints placed on the net position are externally imposed.

**Risk Management**

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority carries commercial insurance for these risks of loss.

**NOTE 2: STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**Budgetary Information**

Budgets are adopted for all funds as a management control device, but are not legally required. Therefore, budgetary information is not presented in the financial statements.

**Accountability**

At September 30, 2016, the J.W. Newey Fund had a negative net position of \$419,576. Revenues of the J.W. Newey Fund have not been sufficient to cover operating expenses, including depreciation. In addition, a portion of the J.W. Newey Fund's debt proceeds were used for rehabilitation of other Authority properties.

**NOTE 3: CASH AND INVESTMENTS**

At September 30, 2016, the Authority had the following cash and investments:

Cash on Hand	\$ 325
Deposits	<u>5,666,684</u>
Total	<u><b>\$ 5,667,009</b></u>

Cash and investments are reported in the financial statements as follows:

Cash	\$ 4,355,659
Restricted Cash	<u>1,311,350</u>
Total	<u><b>\$ 5,667,009</b></u>

**Deposits**

The Colorado Public Deposit Protection Act (PDPA) requires local government entities to deposit cash in eligible public depositories. Eligibility is determined by State statutes and regulations. Amounts on deposit in excess of federal insurance levels must be collateralized by eligible collateral as determined by the PDPA. The PDPA allows the financial institution to create a single collateral pool for all public funds held. The pool is to be maintained by another institution, or held in trust for all uninsured public deposits as a group. The market value of the collateral must be at least equal to 102% of the uninsured deposits. At September 30, 2016, the Authority had bank deposits of \$4,618,863 collateralized with securities held by the financial institutions' agents but not in the Authority's name.

**Investments**

The Authority is required to comply with State statutes which specify investment instruments meeting defined rating, maturity, concentration, and custodial risk criteria in which local governments may invest, which include the following. State statutes generally limit the maturity of investment securities to five years from the date of purchase, unless the governing board authorizes an investment for a period in excess of five years.

- Obligations of the United States and certain U.S. Agency securities
- Certain international agency securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers' acceptances of certain banks
- Commercial paper
- Written repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts
- Local government investment pools

The Authority had no investments at September 30, 2016.

This advance is expected to be paid with future operating revenues or debt financing.

HOUSING AUTHORITY OF THE CITY OF LITTLETON

NOTES TO FINANCIAL STATEMENTS

September 30, 2016

**NOTE 5: NOTES RECEIVABLE**

At September 30, 2016, notes receivable consisted of the following.

Powers Circle Apartments LLLP	\$ 2,663,466
Powers Circle Apartments LLLP - Accrued Interest	219,452
Development Deferred Loans	313,536
Housing Rehab Programs	<u>340,017</u>
Total	<u><b>\$ 3,536,471</b></u>

**Powers Circle Apartments LLLP**

In July, 2013, the Authority sold the Powers Circle Apartments for \$4,620,000 and received as compensation a combination of loans and cash. Three loan agreements, in the amounts of \$1,970,456, \$243,010 and \$450,000, were executed with the purchaser, Powers Circle Apartments LLLP. Interest accrues on the outstanding balance of the first two loans at the rate of 2.8% per annum and the third loan at 1% per annum, and compounds annually. Payments will be made from available net cash flow from the prior calendar year. If not paid sooner, the loans are due in full on December 31, 2052, December 31, 2053, and December 31, 2042, respectively.

In July, 2013, the Authority entered into a Development Services Agreement with Powers Circle Apartments LLLP (the "Partnership"). In accordance with the agreement, the Authority will receive a development fee of \$633,020 to provide certain development services related to the rehabilitation of the Powers Circle Apartments. Through September 30, 2016, the Authority received \$353,213 under this agreement. Any unpaid portion of the development fee is evidenced by a note, and is payable from available cash of the Partnership. The note bears no interest.

If the development fee has not been repaid by May of 2026, the twelfth anniversary of the rehabilitation completion, the General Partner must make a capital contribution to pay any amount outstanding at that time. Because the General Partner is the Littleton Area Neighborhood Development LLC, a wholly-owned subsidiary of the Authority, no receivable is reported in the financial statements for the unpaid development fees.

**Development and Housing Rehab Loans**

Loans through the Development and Housing Rehab Funds are made to purchase or rehabilitate homes. Some loans require monthly payments while other loans are deferred. The deferred loans are collected upon the sale of the property.

On August 1, 2016, the Authority renewed its \$1 million line of credit with FirstBank and borrowed \$20,000, which was used to finance an escrow deposit for a potential purchase of property. The purchase was not completed and the line of credit was repaid in full in September, 2016, including interest of \$98. In addition, the Authority paid a renewal fee of \$2,500. Interest accrues on any outstanding balance of the line of credit at 4.5% per annum. The line of credit matures on December 1, 2017.

## HOUSING AUTHORITY OF THE CITY OF LITTLETON

### NOTES TO FINANCIAL STATEMENTS

September 30, 2016

#### **NOTE 9: PENSION PLANS**

The Authority contributes to a multiple-employer defined contribution 401(a) pension plan on behalf of all full-time employees. Employees are eligible to participate in the plan upon employment and become fully vested after five years of service. Employees are required to contribute 5% of their compensation to the plan, and the Authority matches the contributions. In addition, the Authority has agreed to match employee contributions to a 457 deferred compensation retirement plan up to 2% of compensation, and to a similar plan up to 3% of compensation for employees of the Libby Bortz Assisted Living Center. These contributions vest immediately. For the year ended September 30, 2016, the Authority contributed \$95,061 to the plans.

#### **NOTE 10: COMMITMENTS AND CONTINGENCIES**

##### **Claims and Judgements**

The Authority participates in a number of programs that are fully or partially funded by grants received from other governmental entities. Expenses financed by grants are subject to audit by the appropriate grantor government. If expenses are disallowed due to noncompliance with grant regulations, the Authority may be required to reimburse the grantor government. At September 30, 2016, significant amounts of grant expenses have not been audited, but management believes that subsequent audits will not have a material effect on the financial position of the Authority.

##### **Tabor Amendment**

Colorado voters passed an amendment to the State Constitution, Article X, Section 20, which has several limitations, including revenue raising, spending abilities, and other specific requirements of state and local governments. The Amendment is complex and subject to judicial interpretation. However, management believes the Authority is exempt from the provisions of the Amendment.

##### **Forgivable Loan**

During 2012, the Authority received a loan in the amount of \$450,000 from Vectra Bank under the Federal Home Loan Bank Affordable Housing Program, to finance improvements to the Powers Circle Apartments. The loan is non-interest bearing, and will be forgiven in its entirety after 15 years if the property is used as very low-income housing, defined as households whose income is 60% or less of area median gross income. Since there is a remote possibility that the Authority would fail to meet this requirement, no liability has been reported in the financial statements.

##### **Operating Deficit Guaranty Agreement**

The General Partner of Powers Circle Apartments LLLP (the "Partnership"), Littleton Area Neighborhood Development LLC, is a wholly-owned subsidiary of the Authority. The General Partner has agreed to loan the Partnership any amounts needed to fund operating deficits for five years following full rental of the Partnership's rental properties. Any such loans are payable, without interest, solely from available cash of the Partnership. At September 30, 2016, no loans were made under this agreement.

**FEDERAL FINANCIAL ASSISTANCE**

Board of Commissioners  
Housing Authority of the City of Littleton  
Littleton, Colorado

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of the City of Littleton as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the basic financial statements of the Housing Authority of the City of Littleton, and have issued our report thereon dated April 6, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Littleton's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Littleton's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Littleton's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Housing Authority of the City of Littleton's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the Housing Authority of the City of Littleton's internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Littleton's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the City of Littleton's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the City of Littleton's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Littleton, Colorado

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM, INTERNAL CONTROL OVER COMPLIANCE,  
AND THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
REQUIRED BY THE UNIFORM GUIDANCE**

**Report on Compliance for Each Major Federal Program**

We have audited the Housing Authority of the City of Littleton's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the City of Littleton's major federal programs for the year ended September 30, 2016. The Housing Authority of the City of Littleton's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of the federal awards applicable to its federal programs.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of the Housing Authority of the City of Littleton's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the City of Littleton's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Housing Authority of the City of Littleton's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the Housing Authority of the City of Littleton complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2016.

### **Report on Internal Control Over Compliance**

Management of the Housing Authority of the City of Littleton is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority of the City of Littleton's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Littleton's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the Housing Authority of the City of Littleton's internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of the City of Littleton as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the basic financial statements of the Housing Authority of the City of Littleton. We issued our report thereon dated April 6, 2017, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Littleton's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling the information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.
