Board of Directors
Loveland Housing Authority
Loveland, Colorado

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Loveland Housing Authority, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents. We did not audit the financial statements of the Loveland Elder Green House.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, each major fund, and the aggregate remaining fund information of the Loveland Housing Authority, as of December 31, 2017, and the respective changes in financial position, and, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The statement of net position – nonmajor proprietary funds, statement of revenues, expenses and changes in net position – nonmajor funds, the statement of cash flows – nonmajor funds, the schedule of expenditures of federal awards, as required by the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Financial Data Schedule (FDS) are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 11, 2018 on our consideration of the Loveland Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Loveland Housing Authority's internal control over financial reporting and compliance.

**LOVELAND HOUSING AUTHORITY
MANAGEMENT DISCUSSION AND ANALYSIS
FISCAL YEAR ENDING DECEMBER 31, 2017**

Management's Discussion and Analysis

As management of the Loveland Housing Authority, we offer the readers of the Authority's financial statements a narrative overview and analysis of the financial activities of the Authority for the year ended December 31, 2017. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Authority's Executive Director or Director of Operations.

Financial Highlights

- The Authority assets remained flat between 2016 and 2017. This represents the authority's ability to maintain growth in assets equal to depreciation.
- The assets of the Authority exceeded its liabilities as of December 31, 2017 by \$22,394,836 (net assets). This is decrease over last year of .15%, due to an increase in current liabilities of 26.82% for LHA construction liabilities for Admin Building remodel and Mirasol PIII.
- The Authority had \$11,865,807 in operating revenue, \$5,570,972 in HUD funding, and \$457,847 in Non-Operating Revenue.
- The Authority's cash balance as of December 31, 2017 was \$5,800,392 representing an increase of 7.43% from December 31, 2016 balance of \$5,399,369.
- The Authority's net capital outlays for the year were a decrease of \$834,485 for depreciation in excess of additions.

Overview of Financial Statements

The discussion and analysis is intended to serve as an introduction to the Loveland Housing Authority's basic financial statements. The Loveland Housing Authority's basic financial statements are comprised of three components: 1) the major fund financial statements 2) notes to the financial statements 3) financial statements minor funds. This report also contains other supplementary information in addition to the basic financial statements themselves. In accordance with requirements as described in the U.S. Office of Management and Budget Circular A-133 an Independent Auditor's Report on Compliance and a report on Internal Control is included

Basic Financial Statements

The basic financial statements present all major funds and a combined statement for the organization. Comparison to the previous year financial statements is not a requirement of the audit and so has not been included. The Elimination column nets Advances/Due to and from that are between funds but within the same entity.

- *Statement of Net Position* – reports the Authority’s current financial resources with capital assets and long-term debt obligations. Over time, increases and decreases in net assets may serve as an indicator whether financial position is improving or deteriorating.
- *Statement of Revenues, Expenses, and Changes in Net Position* - reports the Authority’s operating and non-operating revenues, by major source along with operating and non-operating expenses and capital contributions.
- *Statement of Cash Flows* – reports the Authority’s cash flows from operating, investing, capital and non-capital activities.

The basic financial statements can be found on pages one through three of this report.

Notes to the Financial Statements

The notes provide additional information that is essential in understanding the data provided in the financial statements.

Fund Financial Statements

Each fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Loveland Housing Authority keeps track of these monies to ensure and demonstrate compliance with finance-related legal requirements. Detailed non major fund financial statements required for the audit are found in the supplemental section. This includes Housing Quest, Cornerstone, and Revolving Trust.

Financial Analysis

Entity Wide Net Assets (Statement of Net Position)

Total Assets for FYE Dec 2017 was \$53,472,212 and at FYE Dec 2016 was \$53,483,756. This represents the authority’s ability to maintain growth in assets equal to depreciation.

Cash increased by \$401,023 or 7.43% from the prior year due to increases in balances across most of the projects. This cash increase was from EDGE Developer Fee payments to LHA and payoff by Lone Tree to Willow Place at point of sale.

Other Current Assets, Other Assets and Capital Assets increased in total \$816,102 between Dec 2016 and Dec 2017 due to development of Mirasol PIII increase(2M) netted with increase in elimination 225K and payment on developer fees 900K

Current Liabilities increased from \$2,673,676 in Dec 2016 to \$3,390,770 in FYE December 2017, a 26.82% increase for LHA construction liabilities for admin building remodel and Mirasol PIII.

Non-Current Liabilities decreased from \$28,381,552 in Dec 2016 to \$27,688,606 in Dec 2017- 2.44%.

Net Assets remained relatively flat with a decreased of .15% between FYE December 2016 and FYE December 2017.

The following table illustrates our analysis.

	2017	2016	Net Change	Variance %
Cash	\$5,800,392	\$ 5,399,369	\$ 401,023	7.43%
Other Current Assets	5,925,168	5,109,066	816,102	15.97%
Other Assets	10,038,546	10,430,730	(392,184)	-3.76%
Capital Assets	31,710,106	32,544,591	(834,485)	-2.56%
Total Assets	53,474,212	53,483,756	(9,544)	-0.02%
Current Liabilities	3,390,770	2,673,676	717,094	26.82%
Noncurrent Liabilities	27,688,606	28,381,552	(692,946)	-2.44%
Total Liabilities	31,079,376	31,055,228	24,148	0.08%
Net Investment in Capital Assets	3,457,457	4,362,152	(904,695)	-20.74%
Restricted	46,687	510,140	(463,453)	-90.85%
Unrestricted	18,890,692	17,556,236	1,334,456	7.60%
Total Net Assets	22,394,836	22,428,528	(33,692)	-0.15%

Note: This includes the elimination of \$4.27M the note receivable and advances between the Authority and Home Quest Development LLC (166K), LEGH (518K) and Rock Crest (3.6M) for the balance of the developer fee and soft notes. A detail of this elimination is found in the audit.

Entity Wide Change in Net Position (Statement of Revenues, Expenses and Changes in Fund Net Assets)

Operating Revenues decreased by 5.18% from Dec 2016. Significant factors were the decrease in Developer fees of 1.5M, netted with a 500K increase in operating revenues at LEGH.

Operating Expenses increased 6.3% from Dec 2016. Significant factors were LEGH (700K) of additional operating expenses and LHA (300K) for resident initiatives and marketing for LEGH.

Net Non-Operating Revenues and Expenses for 2017 made up of interest income (including soft notes), and interest expense.

The following table illustrates our analysis:

	2017	2016	Net Change	Variance
TOTAL OPERATING REVENUES	17,723,722	18,692,250	\$ (968,528)	-5.18%
TOTAL OPERATING EXPENSES	16,990,829	15,984,166	\$ 1,006,663	6.30%
INCOME (LOSS) FROM OPERATIONS	732,893	2,708,084	\$ (1,975,191)	-72.94%
NET NON-OPERATING REVENUES (EXPENSES)	-766,585	-804,324	\$ 37,739	4.69%
CHANGE IN NET POSITION	-33,692	1,903,760	\$ (1,937,452)	-101.77%
NET POSITION, Beginning	22,428,528	20,524,768	\$ 1,903,760	9.28%
NET POSITION, Ending	22,394,836	22,428,528	\$ (33,692)	-0.15%

Fund Financial Analysis

The Authority uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. Each of the funds has a specific objective and purpose to accomplish. The individual funds account for their net assets, activities and cash flows in a balancing set of books. The Authority's funds are discussed below:

Management Fund - provides maintenance and management to the individual funds of the Authority as well as other entities contracting with the Authority. Revenues are derived from outside management and maintenance contracts. The management company also provides Development services for owned developments and to outside agencies.

Homequest Development, LLC - a component unit was created for the development of units and land ownership within the Mirasol Community. It owns rental units (31 in total).

Section 8 Vouchers – has 646 vouchers to provide housing for families, Veterans and elderly. The source of revenue is HUD grants for direct client payments and administrative fees. Administrative fees are earned on each Voucher leased during the month.

Meadows Apartments – This is a 60 unit apartment complex with 1, 2 and 3 bedroom units. This complex is a tax credit property beyond the 15 year compliance period. The ownership was transferred to the Authority. The complex remains affordable housing as part of the Land Use Restriction Agreement entered into with Colorado Housing and Finance Authority. The fund has a net position of \$791,038 at December 2017.

Section 8 New Construction (221D (3))(Silver Leaf II) – 72 unit senior apartment complex is funded through a Housing Assistance Payment contract. The fund has a net position at FYE December 2017 of \$280,205. The sources of revenue are tenant rents and a Housing Assistance Payment contract.

Section 8 New Construction (Orchard Place) – Orchard Place was purchased by the Authority in December 2009 with a TCEP grant from CHFA. During 2010 the project underwent a complete renovation which was completed in October 2010. The fund has a net position at FYE December 2017 of \$1,881,726. The sources of revenue are tenant rents and a Housing Assistance Payment contract.

Willow Place Apts – This is a 20 unit apartment complex that provides housing for single parent clients and is run in conjunction with Project Self Sufficiency which provides the case management services. This fund is 100% Section 8 project based with 2 and 3 bedroom units. The fund has a net position at FYE December 2017 of \$28,101.

Cornerstone Apartments – This is a 16 unit apartment complex made up of 1 and 2 bedroom units. This complex does not have any subsidy although the rents must remain affordable due to past and ongoing grants received for capital improvements. The fund has a net position at FYE December 2017 of negative (\$370,204).

LEGH – Loveland Elder Green House Home for Life Enrichment, a blended component unit of the Authority, is a 501 C(3) formed in 2011 to own a long term skilled nursing facility. The facility is Medicaid and Medicare certified for 60 units, operates under the Green House project model. At December 2014, five of the six resident buildings and the administration building were completed. The sixth building was completed in early 2016. New Market Tax Credits were used in the financing of the project.

Rock Crest Apartments – This is a 56 unit apartment complex with 1, 2 and 3 bedroom units. This complex is a tax credit property is still in the 15 year compliance period. The tax credit partner exited in August of 2016 there by giving all control of the complex the Housing Authority. The fund has a net position at FYE December 2017 of negative (\$1,511,472).

Housingquest Corporation – This fund is a for profit corporation that is used as a general partner in various tax credit partnerships and LLC's.

CDBG DR Tenant Assistance – provides assistants to tenants displaced by the 2013 flood. The source of revenue is CDBG disaster relief grants for direct client payments and administration. This program ended December 2016.

Revolving Trust – Is the common paymaster for accounts payable and payroll. All payments are processed using this fund. Each fund reimburses the Trust for amounts paid on its behalf.

Future Events and Economic Factors

- The Authority continues to pursue ways to accomplish our mission of *providing low and moderate income residents with opportunities for home and community through housing.*
- In conjunction with housing, the Authority has dedicated resources to expand Resident Services(RS). The RS department is planning to hire three full time community navigators to work with seniors, veterans and youth living in communities owned/managed by the Authority. Navigators will assess the needs of residents in each of these target groups and provide connections to services and programs that will improve their quality of life. The Authority is also launching a Capital Campaign to raise funds to build three additional Green House Homes. Building these homes with philanthropic funds will increase the number of people with Medicaid who are able to benefit from the Green House Home model of care.
- The Community Development Block Grant Disaster Relief Funding has provided opportunity for home rehabilitation and homeownership for survivors of the 2012 High Park Fire and the 2013 floods. This project will wrap up in 2018.
- LHA will be applying for 9% Low Income Housing Tax Credits to build Mirasol Phase III, 60 units of Senior Housing, on adjacent land acquired to expand the Mirasol Campus. There will also be a Colorado Division of Housing grant application submitted for this project.
- Assist Windsor Housing Authority to contract and purchase land for a senior project.
- Contract and purchase land to build an EDGE II adjacent to EDGE and contract for one other piece of property in Loveland for future development.
- Apply for 4% Tax Credits to re-syndicate the Meadows Apartment complex, including a several million-dollar rehab.
- Continue working with two Public/Private groups to develop affordable communities in Loveland.
- Assist EPHA with the financing and construction of Peak View Apartments.
- Challenges facing us:
 - Price of the tax credits has decreased with the reduction of the Corporate tax rate
 - Interest to borrow funds is rising
 - Construction Costs continue to increase each year.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Loveland Housing Authority (the “Authority”) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority’s policies are described below.

Reporting Entity

The financial reporting entity consists of the Authority and organizations for which the Authority is financially accountable. All funds, organizations, institutions, agencies, departments and offices that are not legally separate are part of the Authority. In addition, any legally separate organizations for which the Authority is financially accountable are considered part of the reporting entity. Financial accountability exists if the Authority appoints a voting majority of the organization’s governing board and is able to impose its will on the organization, or if the organization provides benefits to, or imposes financial burdens on the Authority.

Based upon the application of these criteria, the Authority has included the following organizations within its reporting entity:

Housing Quest Corporation

The Housing Quest Corporation (the “Corporation”) is a legally separate organization. The Corporation is financially dependent on the Authority and its Board is comprised of employees and directors of the Authority. The Corporation is included in the financial statements as a blended component unit.

Home Quest Development, LLC

The Home Quest Development LLC (the “Company”) is a legally separate organization formed to assist in the development of the Mirasol project. The Authority is the sole member of the Company. The Company is included in the financial statements as a blended component unit.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reporting Entity (Continued)

Loveland Elder Green House

The Loveland Elder Green House Homes for Life Enrichment (“LEGH”), a Colorado nonprofit is a legally separate entity formed to own the Green House homes at Mirasol, a skilled nursing facility. The board of LEGH is made up of the five Commissioners from the Authority Board and two other members. The Authority is the only member of the 501c(3) corporation and guaranteed the debt for the LEGH facility. LEGH is included in the financial statements as a blended component unit. Separate financial statements may be obtained by contacting the Authority.

Rock Crest, LLLP

The Rock Crest, LLLP (“Rock Crest”), a Colorado Limited Partnership is a legally separate entity formed to for the purpose of constructing, acquiring, owning, operating, managing and selling or otherwise disposing of a 56-unit rental housing project in Loveland, Colorado known as Rock Crest Apartments. As of December 31, 2016, the partnership of Rock Crest consists of Housing Quest as a 0.01% General Partner and LHA as a 99.99% Limited Partner. Rock Crest is included in the financial statements as a blended component unit. Separate financial statements may be obtained by contacting the Authority.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The Authority uses funds to report on its financial position and activities. Fund accounting is designed to segregate transactions related to certain government functions and activities. All of the Authority’s funds are classified as enterprise fund types.

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Major individual funds are reported as separate columns in the financial statements.

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Financial Statement Presentation
(Continued)

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first and the unrestricted resources as they are needed.

The Authority reports the following major proprietary funds:

Management Fund – This fund accounts for the financial activities associated with the Authority's general operations.

Home Quest Fund – This fund is used to account for the financial activities of the Home Quest Development, LLC.

Section 8 Vouchers Fund – This fund is used to account for the financial activities of the Authority's Housing Choice Voucher program.

Meadows Fund – This fund is used to account for the financial activities associated with the Meadows Apartments complex.

Silver Leaf II Fund – This fund is used to account for the financial activities associated with the Silver Leaf II housing project.

Orchard Place Fund – This fund accounts for the financial activities associated with the Authority's Orchard Place apartment complex which is a HUD multi-family project.

Willow Place Fund – This fund is used to account for the financial activities associated with the Willow Place apartment complex.

Rock Crest Fund – This fund is used to account for the financial activities associated with the Rock Crest project.

LEGH Fund – This fund is used to account for the financial activities associated with the Loveland Elder Green House at Mirasol.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Fund Balance/Net Position

Cash and Investments – Cash and cash equivalents include amounts in deposit accounts and short-term investments with an original maturity of three months or less. Investments are recorded at fair value.

Receivables – The Authority’s policy is to expend receivables as bad debts at the time they are determined to be uncollectible.

Capital Assets – The Authority capitalizes all assets with an initial, individual cost of more than \$3,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Interest is capitalized during the construction phase. Assets held for resale consist of land and improvements for a project currently under constructions and are recorded at historical cost.

Depreciation of exhaustible capital assets is charged as an expense against operations, and accumulated depreciation is reported on the statement of net position in the financial statements. Depreciation has been provided over the following estimated useful lives of the capital assets using the straight-line method: buildings and improvements, 18 - 50 years; equipment, 3 - 15 years.

Unearned Revenues – Unearned revenues include grant funds that have been collected but the corresponding expenditures have not been incurred.

Compensated Absences – Employees of the Authority earned Paid Time Off (PTO). An employee may accrue a maximum of two years’ worth of PTO, depending on the employee’s the length of service. Once an employee reaches the maximum amount, no additional PTO is accrued. These compensated absences are recognized as a liability when earned and are recorded as accrued expenses.

Net Position

The government-wide financial statements, utilize a net position presentation. Net position is categorized as investment in capital assets, restricted, and unrestricted.

Net Investment in Capital Assets includes the Authority’s capital assets (net of accumulated depreciation) reduced by the outstanding balances of bonds that are attributable to the acquisition, construction, or improvement of those assets.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Position (Continued)

Restricted Net Position includes assets that have third-party (statutory, bond covenant, or granting agency) limitations on their use. The Authority typically uses restricted assets first, as appropriate opportunities arise, but reserves the right to selectively defer the use until a future project.

Unrestricted Net Position typically includes unrestricted liquid assets. The Board has the authority to revisit or alter this designation.

Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; injuries to employees; and natural disasters. The Authority purchases commercial insurance for these risks of loss. Settled claims have not exceeded this coverage in the last three years.

Comparative Data

Comparative total data for the prior year has been presented in the accompanying financial statements in order to provide an understanding of changes in the Authority's financial position and operations. However, complete comparative data in accordance with generally accepted accounting principles has not been presented since its inclusion would make the financial statements unduly complex and difficult to read. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE 2: STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Budgetary Information

Budgets are approved by the Board of Commissioners for all funds as a management control device, but are not legally required. Therefore, budgetary information is not presented in the financial statements.

Legal Compliance

The Rock Crest Fund, Cornerstone Fund, and LEGH fund all had deficit net position as of December 31, 2017. All of the deficits are expected to be eliminated with future revenues. This may be a violation of State Statute.

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 3: CASH AND INVESTMENTS

Cash and Investments reported in the December 31, 2017 financial statements consisted of the following:

Cash	\$ 5,800,392
Tenant Security Deposits - Restricted	134,745
Project Reserves - Restricted	<u>46,687</u>
Total	<u>\$ 5,981,824</u>

Deposits

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulations. At December 31, 2017, State regulatory commissioners have indicated that all financial institutions holding deposits for the Authority are eligible public depositories. Amounts on deposit in excess of federal insurance levels must be collateralized by eligible collateral as determined by the PDPA. PDPA allows the financial institution to create a single collateral pool for all public funds held.

The pool is to be maintained by another institution, or held in trust for all the uninsured public deposits as a group. The market value of the collateral must be at least equal to 102% of the uninsured deposits. The Authority has no policy regarding custodial credit risk for deposits.

At December 31, 2017, the Authority had deposits with financial institutions with a carrying amount of \$5,981,824. The bank balances with the financial institutions were \$6,218,097. Of these balances, \$1,213,359 was covered by federal depository insurance and \$5,004,738 was covered by collateral held by authorized escrow agents in the financial institution's name (PDPA).

Investments

Interest Rate Risk

The Authority has a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. This policy enables the Executive Director and Board Chairperson to select securities for any operating funds in excess of its prudently estimated needs for sixty days. The allowed investments include the investments listed below.

LOVELAND HOUSING AUTHORITY
 NOTES TO THE FINANCIAL STATEMENTS
 December 31, 2017

NOTE 3: CASH AND INVESTMENTS (Continued)

Investments (Continued)

Credit Risk

Colorado statutes specify in which instruments units of local government may invest, which include:

- Obligations of the United States and certain U.S. Government Agency securities
- Certain international agency securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers' acceptances of certain banks
- Commercial paper
- Local government investment pools
- Written repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts

The Authority did not have any investments requiring categorization of credit risk as of December 31, 2017 and had no policy for managing credit risk.

Restricted Cash

Restricted cash is maintained by the following funds for security deposits, escrow deposits, and operating and project reserves.

Home Quest	\$	31,313
Meadows		30,633
Silver Leaf II		20,680
Orchard Place		12,993
Willow Place		9,498
Rock Crest		71,913
Cornerstone		<u>4,402</u>
Total		<u>\$ 181,432</u>

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 4: INTERFUND ACTIVITY

Interfund activity as of and for the year ended December 31, 2017 consisted of the following:

<u>Due From Other Funds</u>	<u>Due To Other Funds</u>	<u>Amount</u>
Management Fund	Revolving Trust Fund	\$ 65,366
Management Fund	LEGH Fund	518,270
Management Fund	Home Quest Fund	<u>101,069</u>
Total		<u>\$ 684,705</u>

The Management Fund is due developer and administrative fees from the Home Quest and the LEGH Funds. The Management Fund also provides funding for ongoing operating expenses for the Revolving Trust Fund and capital construction expenses for the Home Quest Fund.

<u>Advances To Other Funds</u>	<u>Advances from Other Funds</u>	<u>Amount</u>
Management Fund	Rock Crest Fund	<u>\$ 3,585,867</u>

The Management Fund advanced funds to the Rock Crest Fund. This advance is secured by interest in real property and accrues interest at 8% compounding annually. The entire balance and accrued interest on the \$400,000 note is due in 2047, the \$150,000 and \$500,000 notes are due in 2046. These advances include accrued interest of \$2,535,867 as of December 31, 2017.

Management Fund

Mortgage Payable – First National Bank (FNB)

This mortgage dated May 2014 was obtained to refinance the mortgage with First National Bank for the administrative offices. Monthly principal and interest payments ranging from \$7,343 to \$7,570 are due through May 2024. The mortgage is secured by interest in real property and accrues interest at a rate of 3.4% per year for the first five years and not to exceed the 5-year treasury rate plus 2.54 basis points for the last five years.

Note Payable – Federal Home Loan Bank (FHLB)

The note was obtained for the purpose of lending the proceeds to Rock Crest LLLP. The loan bears no interest and is secured by interest in real property. If there is no event of default, the loan will be forgiven in 2018.

Note Payable – Federal Home Loan Bank (FHLB)

The note was obtained for the purpose of lending the proceeds to Mirasol Senior Housing Partnership LLLP. The loan bears no interest and is secured by interest in real property. If there is no event of default, the loan will be forgiven in 2021.

LOVELAND HOUSING AUTHORITY

December 31, 2017

NOTE 7: LONG-TERM DEBT (Continued)

Orchard Place Fund

Mortgage Payable – First Bank

The mortgage was obtained to refinance the assumed mortgage as well as the loan payable in addition to providing additional funds for renovation and improvements at the Orchard Place apartment complex. Monthly principal and interest payments in the amount of \$12,515 are due through December 2027 and a final balloon payment is due in January of 2028. The mortgage is secured by interest in real property and accrues interest at a rate of 3% per year.

Willow Place Fund

Note Payable – Loveland Housing Development Corporation (LHDC)

The note was obtained as partial compensation to LHDC for the purchase of the Willow Place apartment complex. The note is secured by interest in real property and accrues interest at a rate of 3% per year. The entire principal balance and all accrued interest is due September 2023

Mortgage Payable – First Bank

The mortgage was obtained to refinance the original mortgage for the purchase and renovation of the Willow Place apartment complex. Monthly principal and interest payments in the amount of \$2,667 are due through March 2022 and a final balloon payment is due in April of 2022. The mortgage is secured by interest in real property and accrues interest at a rate of 3% per year.

Cornerstone Fund

Note Payable – Loveland Housing Development Corporation (LHDC)

The note was obtained as partial compensation to LHDC for the purchase of the Cornerstone apartment complex. The note is secured by interest in real property and accrues interest at a rate of 3% per year. The entire principal balance and all accrued interest is due in September 2023.

Total	<u>\$ 14,954,459</u>	<u>\$ 3,985,497</u>	<u>\$ 18,939,956</u>

LOVELAND HOUSING AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2017

NOTE 8: DEFERRED COMPENSATION PLAN

The Authority provides deferred compensation benefits for all of its regular employees through a defined contribution plan. The plan is administered by Empower Retirement. The Authority contributes up to 5% of the employee's covered salary. For the year ended December 31, 2017, the Authority contributed \$86,149 to the plan.

NOTE 9: COMMITMENTS AND CONTINGENCIES

Claims and Judgments

The Authority participates in a number of federal programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Authority may be required to reimburse the grantor government. As of December 31, 2017, significant amounts of grant expenditures have not been audited, but the Authority believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on the overall financial position of the Authority.

Loan Assignment

In July 2006 the Authority obtained financing from First National Bank in the amount of \$720,914 and amended the loan in October of 2007 to the amount of \$850,000. The loan was assigned to the Loveland Housing Development Corporation ("LHDC") and payments are made directly from LHDC to the bank. Therefore, the loan is not reported in the Authority's financial statements.

Guarantees

The Authority has agreed to fund operating deficits of various affordable housing partnerships. No amounts have been advanced under these guarantees and management does not anticipate funding to be required in the future.

Tabor Amendment

In November 1992, Colorado voters passed the Tabor Amendment to the State Constitution, which limits state and local government tax powers and imposes spending limitations. Fiscal year 1993 provides the basis for limits in future years to which may be applied allowable increases for inflation and student enrollment. Revenue received in excess of the limitations may be required to be refunded. The Tabor Amendment is subject to many interpretations, but the Authority believes it is exempt from the provisions of the amendment.

COMPLIANCE

JOHN CUTLER & ASSOCIATES

To the Board of Directors
Loveland Housing Authority
Loveland, Colorado

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Loveland Housing Authority, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Loveland Housing Authority's basic financial statements, and have issued our report thereon dated June 11, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Loveland Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Loveland Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Loveland Housing Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Loveland Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

JOHN CUTLER & ASSOCIATES

To the Board of Directors
Loveland Housing Authority
Loveland, Colorado

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE AS REQUIRED BY THE UNIFORM GUIDANCE

Report on Compliance for Each Major Federal Program

We have audited the Loveland Housing Authority's compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Loveland Housing Authority's major federal programs for the year ended December 31, 2017. The Loveland Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Loveland Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Loveland Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Loveland Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Loveland Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Report on Internal Control Over Compliance

Management of the Loveland Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Loveland Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Loveland Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose

LOVELAND HOUSING AUTHORITY

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended December 31, 2017

Summary of Auditors' Results

Financial Statements

Type of auditors' report issued: unqualified

Internal control over financial reporting:

- Material weaknesses identified? _____ yes x no
- Significant deficiencies noted? _____ yes x none reported

Noncompliance material to financial statements noted?

_____ yes x no

Federal Awards

Internal control over major programs:

- Material weaknesses identified? _____ yes x no
- Significant deficiencies noted? _____ yes x none reported

Type of auditor's report issued on compliance for major programs: unqualified

Any audit findings disclosed that are required to be reported in accordance with section 2CFR 200.516 (a) of the Uniform Guidance?

_____ yes x no

Identification of major program:

14.871 Section 8 Housing Choice Vouchers

Dollar threshold used to distinguish between type A and type B programs: \$750,000

Auditee qualified as low-risk auditee? _____ yes x no

Findings Related to Financial Statements

The audit of the financial statements did not disclose any significant deficiencies in internal control that would be considered a material weakness, and did not disclose any instances of noncompliance with requirements of certain provisions of laws, regulations, and grants that were material to those financial statements.

Findings and Questioned Costs for Federal Awards

The audit of federal awards did not disclose any significant deficiencies in internal control that would be considered a material weakness, and did not disclose any instances of noncompliance with requirements of certain provisions of laws, regulations, and grants that were material to those federal awards.
