INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of the Board of Trustees
Town of Silverton
Silverton, Colorado

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Silverton, Colorado as of and for the year ended December 31, 2017, which collectively comprise the Town's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Silverton, Colorado, as of December 31, 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other-Matters

Management has elected to omit the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information for the General Fund on pages 30 through 32 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The combining fund statements and budgetary comparison schedules and Local Finance Highway Report listed in the table of contents as other supplementary information and compliance section on pages 33 through 42 are presented for purposes of additional analysis and are not a required part of the financial statements. The combining fund statements and budgetary comparison schedules and Local Finance Highway Report are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

FUND BALANCE - Ending	\$ 614,204	\$ 151,006	\$ 765,210

Amounts Reported for Governmental Activities in the Statement of Activities are Different Because:

Net Change in Fund Balances - Total Governmental Funds	\$ 30,451
--	-----------

Capital outlays to purchase or build capital assets are reported in governmental funds as expenditures.

However, for governmental activities those costs are shown in the statement of net position and allocated over the useful lives as annual depreciation expense.

Capitalized Assets - Purchased	88,594
Depreciation Expense	(269,254)

Repayment of long-term debt principal is an expenditure in the governmental funds, but the payment reduces long-term liabilities in the statement of net position.

Principal payments	15,059
--------------------	--------

Earned but unpaid accumulated leave balances are not reported in the funds:

Change in Accrued Compensated Absences	3,227
--	-------

Change in Net Position - Governmental Activities	\$ (198,282)
--	--------------

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Town of Silverton, Colorado (the Town) was organized under Colorado State Statutes in 1876. The Town operates under the direction of an elected Board of Trustees and Mayor, and provides for public safety (law enforcement and fire), highways and streets, water and sanitation, culture and recreation, public improvements, planning and zoning, and general administrative services. In addition, the Town has negotiated agreements with San Juan County for providing law enforcement in the Town and for providing refuse removal and other services to the County (see Note 12).

The financial statements of the Town of Silverton, Colorado have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Town's accounting policies are described below.

A. Definition of the Reporting Entity

The Town operates under the direction of an elected Board of Trustees and Mayor, which is responsible for setting policy, appointing administrative personnel, and adopting an annual budget in accordance with State Statutes.

The Town has examined its relationship with potential component units based on the criteria of GASB No. 14. Based on that examination, the Town has determined that it has no component units. The financial statements of the reporting entity include only those of the Town. No other entities were identified as falling within the oversight responsibility based upon the following criteria: financial accountability, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens, and fiscal dependency.

On January 1, 2012, the Silverton-San Juan Fire Authority was created in accordance with Colorado State Statutes. Through 12/31/11, San Juan County directly paid for fire expenditures; the Town reimbursed the County for 50% of those costs. Beginning in 2012, both the County and Town made quarterly payments to the newly created authority based on the annual budget approved by the Authority. The Town exercises no control over the Authority. The Authority is not a component unit of the Town.

B. Fund Accounting

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. The Town's police protection, public works, culture and recreation, library, cemetery and general administration are classified as governmental activities. The Town's utilities of water, sewer, and refuse service are classified as business-type activities.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Fund Accounting (Continued)

The government-wide financial statement (i.e., the statement of net position and the statement of activities) reports information on all of the activities of the Town. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities (which normally are supported by taxes, charges for services and intergovernmental revenues) are reported separately from business-type activities (which rely to a significant extent on user charges for support).

The statement of activities demonstrates the degree to which the direct expenses of a given function or segments are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: (1) charges to those who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

The government-wide focus is on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

C. Fund Financial Statements

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to, and accounted for, in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

All governmental funds are accounted for on a flow of current financial resources basis. Balance sheets for these funds generally include only current assets and current liabilities. Reported fund balances are considered a measure of available, spendable resources. Operating statements for these funds present a summary of available, spendable resources and expenditures for the period.

Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Fund Financial Statements (Continued)

The Town reports the following major governmental funds:

- The General Fund - This fund is established to account for resources devoted to financing the general services that the Town performs for its citizens. General tax revenues and other sources of revenue used to finance the fundamental operations of the Town are included in this fund. The fund is charged with all cost of operating the government for which a separate fund has not been established.

The Town reports the following major business-type activity funds:

- The Water Fund accounts for the Town's water distribution system.
- The Sewer Fund accounts for the Town's sewer and sanitation services.
- The Refuse Fund accounts for user charges and contract payments for providing trash and refuse handling services to the citizens of the Town.

The Town reports the following non-major governmental funds:

- The Conservation Trust Fund accounts for revenues from the State's Conservation Trust Fund to be spent for maintenance and services of Town parks and recreation areas.
- The Molas Lake Park Fund accounts for operations, maintenance and construction of Molas Lake campground and dam.
- The Cemetery Fund accounts for maintenance costs of the community cemetery.

D. Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the enterprise fund financial statements. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Measurement Focus and Basis of Accounting (Continued)

Taxes, grants, and charges for services associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Town.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

E. Cash and Cash Equivalents

For the purposes of the statement of cash flows of the enterprise funds, cash and cash equivalents consist of operating and restricted cash and highly liquid securities with an initial maturity of three months or less.

F. Investments

Investments are stated at fair value based on quoted market values, with the exception of money market funds and external investment pools. These are stated at cost, which is equal to fair value.

G. Receivables

All receivables are reported at their gross value. Because the Town can and has imposed a lien on property for uncollected utility charges, no allowance for uncollectible accounts receivable is provided. Receivables in governmental funds consist of amounts collected in cash shortly after December 31.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

H. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required management to make: (1) estimates and assumptions that affect the reported amounts of assets and liabilities and (2) disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

I. Property Taxes/Deferred Inflows of Resources

Property taxes for the current year are levied and attached as a lien on property the following January 1. They are payable in full by April 30 or in two equal installments due February 28 and June 15. Property taxes levied in the current year and collected in the following year are reported as a receivable at December 31. However, since the taxes are not available to pay current liabilities, the property taxes are also deferred and recognized as an inflow of resources in the period that the amounts become available. The taxes are titled "Unavailable Revenue – Property Taxes" in a separate section of the government-wide statement of net position and in the governmental funds balance sheet under "Deferred Inflows of Resources".

J. Inventories

Inventories are stated at cost, which approximates market, using the first-in/first-out (FIFO) method. A physical inventory is performed at year-end and the inventory is adjusted accordingly.

K. Capital Assets

Capital assets, which include land, buildings, equipment, vehicles, and infrastructure assets, are reported in the applicable governmental or business-type activity columns in the government-wide financial statements. Capitalized assets are defined by the Town as assets with an initial cost of \$5,000 or more and an estimated useful life of one or more years. All purchased assets are valued at cost where historical records are available and at an estimated historical cost where no historical records exist. Donated assets are valued at their estimated fair market value on the date received. The cost of normal maintenance and repairs that does not add to the value of an asset or materially extend asset life is not capitalized.

Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

<u>Asset Class</u>	<u>Useful Life</u>
Building and Improvements	10 – 50 years
Infrastructure	15 – 25 years
Water and Sewer Systems	40 – 50 years
Furniture and Equipment	5 – 15 years
Vehicles	7 – 10 years

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

K. Capital Assets (Continued)

Public domain assets consisting of roads, bridges, curbs and gutters, streets and sidewalks, drainage systems and lighting systems are examples of infrastructure assets. Infrastructure assets are distinguished from other capitalized assets since their useful life often extends beyond most other capital assets and are stationary in nature. General infrastructure assets are those associated with or arising from governmental activities. Prior to GASB 34, governments were not required to report general infrastructure assets.

L. Long-Term Liabilities

In the government-wide financial statements, and enterprise fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable government activities, business-type activities, or enterprise fund type statement of net position.

The long-term compensated absences are serviced from revenues of the General Fund from future appropriations.

M. Accrued Liabilities for Compensated Absences

Vested or accumulated PTO ("paid time off") leave that is expected to be liquidated with expendable available financial resources is reported as an expenditure and a fund liability of the governmental fund that will pay it. Amounts of vested or accumulated PTO leave that are not expected to be liquidated with expendable available financial resources are shown as long-term debt on the Government-wide Statement of Net Position. Vested or accumulated PTO leave of proprietary funds is recorded as an expense and liability of those funds as the benefits accrue to the employees. As of December 31, 2017, accrued Compensated Absences was reported at \$39,184 on the Government-wide statements.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

N. Net Position

In the government-wide financial statements, net position represents the difference between assets and liabilities. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition or construction of improvements on those assets. Net position is reported as restricted when there are limitations imposed on their use, either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors, laws or regulations of other governments.

When both restricted and unrestricted resources are available for use, it is the Town's policy to use unrestricted resources first, then restricted resources as they are needed.

O. Fund Balances

In the governmental fund financial statements, the following fund balance classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

Nonspendable fund balance – amounts that are not in spendable form (such as inventory or prepaid expenses) or are required to be maintained intact.

Restricted fund balance – amounts constrained to specific purposes by their providers (such as grantors, bondholders or other debt holders, contributors, and higher levels of government), through constitutional provisions, or by enabling legislation.

Committed fund balance – amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority through an ordinance or resolution. Committed fund balance can also include contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements. To be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest level action to remove or change the constraint. The Town reported no such amounts at December 31, 2017.

Assigned fund balance – amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or an official or body to which the governing body delegates the authority.

Unassigned fund balance – amounts that are available for any purpose; positive amounts are reported only in the general fund.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

O. Fund Balances (Continued)

When fund balance resources are available for a specific purpose in more than one classification, it is the Town's policy to use the most restrictive funds first in the following order: restricted, committed, assigned, and unassigned as they are needed. The Town considers all unassigned fund balances to be "reserves" for future operations or capital replacement as defined within Article X, Section 20 of the Constitution of the State of Colorado (See Note 14 - TABOR).

P. Interfund Transactions

Transfers are used to 1) move unrestricted resources from one fund to another and 2) move unrestricted revenue collected in various funds to the General Fund to finance overhead expenditures recorded in the General Fund. All transfers are made in accordance with budgetary authorizations.

NOTE 2: BUDGETARY REQUIREMENTS

The Town Board of Trustees follows the procedures listed below in establishing the budgetary data reflected in the financial statements.

- 1) On or before the first Monday in November of each year, the Town Administrator shall submit to the Board of Trustees a proposed budget for the next ensuing budget year with an explanatory message. The proposed budget provides a complete financial plan for the Town and includes the items shown below.
 - a) Proposed expenditures for each office, department, and agency for the ensuing fiscal year.
 - b) Debt service requirements for the ensuing fiscal year.
 - c) An estimate of the amount of anticipated income from all sources other than taxes on property during the ensuing fiscal year, including estimated cash surplus at the end of the current year.
 - d) A general budget summary.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 2: BUDGETARY REQUIREMENTS (Continued)

- 2) The budget shall be in sufficient detail to show each fund's estimated revenues by source and estimated expenditures. The budget shall be so arranged as to show comparative figures for receipts and expenditures for the last completed fiscal year, estimates for the current year, and the Town Administrator's recommendations for the ensuing year.
- 3) A public hearing is conducted to obtain taxpayer comments.
- 4) No later than the last day of December, the budget is legally adopted and appropriations are enacted by ordinance.
- 5) The Town Administrator is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the Board of Trustees.
- 6) The level on which expenditures may not legally exceed appropriations is the legally adopted annual operating budget for each fund in total.
- 7) The Board of Trustees may legally amend the budget by ordinance once it has been approved. Budgeted amounts are shown as adopted by the Board of Trustees, including all amendments.

NOTE 3: RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The governmental funds balance sheet includes reconciliation between fund balances (total governmental funds and net position) and governmental activities, as reported in the government-wide statement of net position. Additionally, the governmental fund statement of revenues, expenditures, and changes in fund balances includes reconciliation between net change in fund balances and changes in net position of governmental activities, as reported in the government-wide statement of activities.

These reconciliations detail items that require adjustment to convert from the current resources measurement and modified accrual basis for government fund statements to the economic resources measurement and full accrual basis used for government-wide statements. However, certain items having no effect on measurement and basis of accounting were eliminated from the government fund statements during the consolidation of governmental activities.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 4: CASH, DEPOSITS AND INVESTMENTS

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. The PDPA specifies eligible depositories for public cash deposits, which must be Colorado institutions and must maintain federal insurance (“FDIC”) on deposits held. Each eligible depository with deposits in excess of the insured levels must pledge a collateral pool of defined eligible assets maintained by another institution or held in trust for all of its local government depositors as a group with a market value equal to at least 102 percent of the uninsured deposits.

The State Regulatory Commissions for banks and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

The Town is governed by the deposit and investment limitations of state law. The deposits and investments held at December 31, 2017, and reported at fair value, are as follows:

<u>Type</u>	<u>Rating</u>	<u>Carrying Value</u>
Deposits:		
Checking/Operating Accounts		\$ 895,152
Savings/Operating Accounts		36,816
Cash on hand		200
		<u>932,168</u>
Investments:		
COLOTRUST	AAAm by S & P	<u>173,195</u>
Total deposits and investments		<u><u>\$ 1,105,363</u></u>

A. Custodial Credit Risk

Deposits in financial institutions, reported as cash, cash equivalents, and investments, had a bank balance of \$1,104,798 at December 31, 2017. The amount exceeding FDIC coverage is covered under the PDPA as described above.

B. Investment Interest Rate Risk

The Town has no formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At December 31, 2017, the Town had no interest rate risk.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 4: CASH, DEPOSITS AND INVESTMENTS (Continued)

C. Investment Credit Risk

The Town has no investment policy that limits its investment choices other than the limitation of state law as follows:

1. Direct obligations of the US government, its agencies, and instrumentalities to which the full faith and credit of the US government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged;
2. Certificates of deposit or savings accounts that is either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions;
3. With certain limitations, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper, and repurchase agreements with certain limitations;
4. County, municipal, or school district tax supported: debt obligations; bond or revenue anticipation notes; money; or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality, or school district;
5. Notes or bonds secured by a mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and obligations of the National Mortgage Association; and
6. Money market funds regulated by the Securities and Exchange Commission (SEC) in which investments consist of the investments mentioned in 1, 2, 3, and 4.

D. Concentration of Investment Credit Risk

The Town places no limit on the amount it may invest in any one issuer. At December 31, 2017, the Town had no concentration of credit risk.

The Town invests excess funds under the prudent investor rule. The criteria for selection of investments and their order of priority are: 1) safety; 2) liquidity; 3) yield. The Town has invested in the Colorado Government Liquid Asset Trust ("COLOTRUST"). The trusts are investment vehicles established for local government entities in Colorado to pool surplus funds. The trusts operate similarly to a money market fund and each share is equal in value to \$1. Investments of the trusts consist of U.S. Treasury bills, notes and note strips, and repurchase agreements collateralized by U.S. Treasury securities. The pool is rated AAA by Standards and Poor's rating agency. A designated custodial bank provides safekeeping and depository services to the trusts in connection with their direct investment and withdrawal function. Substantially all securities owned by the trust are held by the Federal Reserve Bank in the account maintained for the custodial bank. The custodian's internal records identify the investments owned by the trust. At December 31, 2017, the Town had \$173,195 invested in the trust.

Investments in local government pools are not categorized as required by GASB No. 3 because they are not evidenced by securities that exist in physical or book entry form.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 5: PROPERTY TAXES

Property taxes are collected on behalf of the Town by San Juan County and then remitted to the Town. The property tax is levied and certified in December of the year prior to the year the taxes are collected. Property taxes become an enforceable lien on January 1 of each year.

Secured property taxes are: (1) due in two equal installments on February 28 and June 15 and (2) delinquent after February 28 and June 15, respectively. The entire balance can be paid by April 30 without penalty. Property taxes levied are recorded as deferred inflows of resources in the year levied, since they are not due until the following year. Property tax revenue is recognized when it is collected by San Juan County.

NOTE 6: RECEIVABLES

Governmental activities accounts receivable consist of the following at December 31, 2017:

Other governments	\$ 80,413
Taxpayers	<u>8,198</u>
	<u>\$ 88,611</u>

TOWN OF SILVERTON

	<u>\$ 27,489</u>	<u>\$ 2,179</u>	<u>\$ 29,668</u>

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 7: LONG-TERM LIABILITIES (Continued)

Notes Payable - Enterprise:

Enterprise - \$136,000, September 2002, State Water System Loan, 15 annual installments of \$13,103 including interest at 5%, paid by the Water Fund. The Note was retired in 2017.

Enterprise - \$49,000, September 2007, State Water System Capital Improvement Loan, 10 annual installments of \$6,293 including interest at 5%, paid half by the Water Fund and half by the Sewer Fund. The loan was retired in 2017.

Capital Lease Payable – Governmental and Enterprise:

\$106,032, Backhoe/loader Capital lease/purchase dated 3/3/2016, due in annual payments of \$18,032 including interest at 3.2%, through 2020.

The annual requirements to amortize this lease as of December 31, 2017 are as follows:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2018	\$ 15,591	\$ 2,441	\$ 18,032
2019	16,090	1,942	18,032
2020	44,605	1,427	46,032
	<u>\$ 76,286</u>	<u>\$ 5,810</u>	<u>\$ 82,096</u>

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 7: LONG-TERM LIABILITIES (Continued)

Operating Leases

The Town has entered into annually cancelable operating leases for heavy machinery and office equipment:

Motor Grader lease: 12/20/12 to 1/24/18, annual rental of \$21,564.

Wheel Loader lease: 12/10/12 to 1/10/18, annual rental of \$7,400.

Wheel Loader lease: 12/10/12 to 1/10/18, annual rental of \$8,510.

Copier lease: 2/12/17 to 2/11/21, annual rental of \$3,504.

NOTE 8: INTERFUND TRANSACTIONS

Following is a summary of transfers from and to other funds at December 31, 2017:

<u>Fund</u>	<u>In</u>	<u>Out</u>
General	408,666	\$ -
Molas	-	43,024
Water	-	189,613
Sewer	-	155,655
Refuse	-	20,374
Total	<u>\$ 408,666</u>	<u>\$ 408,666</u>

NOTE 9: RETIREMENT COMMITMENTS

A. Defined Contribution Plan

The Town provides pension benefits for all of its full-time employees through an agent multiemployer public retirement system, the Colorado County Officials and Employees Retirement Association, a defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate from the date of employment. The Town has established that employees contribute 3% and the Town contributes a matching 3% of the employee's base salary each month. The Town's contributions for, and interest forfeited by, employees who leave employment before ten years of service are used to reduce the Town's current period contribution requirement. The Town's total payroll in 2017 was \$755,431. The Town's contributions were calculated using the base salary of \$383,460. Both the Town and the covered employees made the required contributions amounting to \$14,263 from the employees and the Town for a total of \$28,526.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 10: PUBLIC ENTITY RISK POOLS

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. For these risks of loss, the Town is involved with the Colorado Intergovernmental Risk Sharing Agency (CIRSA), a separate and independent governmental and legal entity formed by intergovernmental agreement by member municipalities pursuant to the provision of 24-10-1 1 5.5, Colorado Revised Statutes (1982 Replacement Volume) and Colorado Constitution, Article XIV, Section 18(2).

The purposes of CIRSA are to provide members defined liability, property, and workers compensation coverage and to assist members in preventing and reducing losses and injuries to municipal property and to persons or property which might result in claims being made against members of CIRSA, their employees and officers.

It is the intent of the members of CIRSA to create an entity in perpetuity which will administer and use funds contributed by the members to defend and indemnify, in accordance with the bylaws, any member of CIRSA against stated liability of loss to the limit of the financial resources of CIRSA. It is also the intent of the members to have CIRSA provide continuing stability and availability of needed coverage at reasonable costs. All income and assets of CIRSA shall be at all times dedicated to the exclusive benefit of its members. CIRSA is a separate legal entity and the Town does not approve budgets nor does it have the ability to significantly affect the operations of CIRSA.

NOTE 11: COMPLIANCE AND CONTINGENCIES

Claims and Judgments The Town participates in a number of federal, state, and county programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Town may be required to reimburse the grantor government. As of December 31, 2017, grant expenditures have not been audited, but the Town believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the Town.

NOTE 12: INTERGOVERNMENTAL AGREEMENTS

San Juan County

The Town shares various municipal services with San Juan County. The Town and County approve annual agreements to reimburse costs (less any funding received from grants or contracts) paid by the opposite entity. The actual agreements are included in the Town's annual budget document. The Town makes monthly payments to the County for 1/12 of the budgeted costs; actual final audited costs are calculated in the ensuing year, with an additional amount either paid to or received from the County.

TOWN OF SILVERTON
NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 12: INTERGOVERNMENTAL AGREEMENTS (Continued)

San Juan County (Continued)

The following table summarizes these transactions:

<u>Service</u>	<u>Direct Cost Paid by Town of Silverton</u>	<u>Direct Cost Paid by San Juan County</u>	<u>% Split</u>
Ambulance		X	50%
Fire Protection		X	50%
Fire Truck/Ambulance Insurance for vehicles titled by each entity	X	X	50%
Land Use Planning	X		50%
Building Inspector	X		50%
Code Enforcement	X		50%
Carriage House Operations, Maintenance, Insurance	X		50%
Transfer Station	X		50%
Law Enforcement (Sheriff)		X	50%

Silverton-San Juan Fire and Rescue Authority

As described in Note 1A, the Town entered into an intergovernmental agreement with San Juan County to share the cost of fire protection services. The Town's contribution to the Silverton-San Juan Fire and Rescue Authority in 2017 was \$36,760.

The Town makes contributions to the statewide benefit plan entitled Silverton San Juan Volunteer Fire Department Pension Fund, administered by the Fire and Police Pension Association of Colorado (FPPA). FPPA administers the plan and manages the plan's benefits under the plan which is a cost-sharing, multiple-employer defined benefit pension plan. The statewide defined benefit plan provides retirement benefits for members. The Town makes contributions based upon Town established benefits and funding requirements in accordance with upon an actuarial study obtained by FPPA. Plan members do not make contributions.

TOWN OF SILVERTON

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2017

NOTE 12: INTERGOVERNMENTAL AGREEMENTS (Continued)

Silverton-San Juan Fire and Rescue Authority (Continued)

The Town's net contributions to the statewide benefit plan entitled Silverton San Juan Volunteer Fire Department Pension Fund – for the years ended December 31, 2017, was \$20,000. Additional contributions are received from the State of Colorado and San Juan County.

NOTE 13: RELATED PARTY TRANSACTIONS

There are occasions when Town's elected Trustees have ownership in local businesses that conduct financial transactions with the Town. There were no such transactions during year-ended December 31, 2017.

NOTE 14: TAX, SPENDING, REVENUE AND DEBT LIMITATIONS

In November 1992, the voters of Colorado approved Amendment 1, commonly known as the Taxpayer's Bill of Rights (TABOR), which added a new Section 20 to Article X of the Colorado Constitution. TABOR contains tax, spending, revenue, and debt limitations, which apply to the State of Colorado and all local governments.

Except for refinancing bonded debt at a lower interest rate or adding new employees to existing pension plans, TABOR requires advance voter approval for the creation of any multiple-fiscal year debt or other financial obligation unless adequate present cash reserves are pledged irrevocably and held for payments in all future fiscal years.

TABOR also requires local governments to establish an emergency reserve to be used for declared emergencies only. The reserve is calculated at 3% of fiscal year spending. Fiscal year spending excludes bonded debt service and enterprise spending. The Town has reserved \$63,400 which is the approximate required reserve at December 31, 2017.

TABOR requires that revenue received in excess of the "revenue limit" is to be refunded unless the voters approve the retention of such excess revenue. In November 1995, the voters of Silverton, Colorado, approved a ballot measure deleting all revenue collection limitations imposed by state law.

The Town's management believes that it is in compliance with the financial provisions of TABOR. However, TABOR is complex and subject to interpretation. Ultimate implementation may depend upon litigation and legislative guidance.

NOTE 15: COMPLIANCE WITH STATE STATUTES

At December 31, 2017, expenditures of the Refuse Fund exceeded appropriations by \$14,397. This overage may be a violation of state statutes.
