## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Corazon Square  
HUD Project Number 101-35336

### **Report on the Financial Statements**

I have audited the accompanying financial statements of Corazon Square, HUD Project Number 101-35336, which comprise the statement of financial position as of March 31, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### ***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Corazon Square as of March 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Other Matters***

#### ***Other Information***

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, I have also issued my report dated June 1, 2018, on my consideration of Corazon Square's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Corazon Square's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**  
March 31, 2018

---

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Nature of Organization and Operations**

Corazon Square, (Project), a non-profit organization was incorporated under the laws of the State of Colorado on June 23, 1983. The organization operates 50 units apartment project located in Trinidad, Colorado under Federal Home Administration (FHA) Insured Project. The project is also subject to Section 8 housing assistance payment agreements with the U.S. Department of Housing and Urban Development (HUD) and a significant portion of the Project's rental income is received from this agency.

The operations of the project are handled by the management of the Housing Authority of the City of Trinidad, Colorado, which serves as the managing agent under a management agreement with the Project.

**B. Basis of Accounting**

The financial statements of the Project have been prepared in conformity with generally accepted accounting principles (GAAP). The Project maintains its books and records on the accrual basis of accounting in which revenues are recognized when earned and become measurable and expenses are recognized when incurred, if measurable.

**C. Estimates and Assumptions**

The Project uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

**D. Distributions**

The project's regulatory agreement with HUD stipulates, among other things, that the Project will not make distributions of assets or income to any of its officers or directors, except for reimbursement of out-of-pocket expenses, per diem payments, and fees for services.

**E. Income Taxes**

Neither the Project nor its directors are subject to income taxes.

**F. Inventories**

Inventories are accounted for under the consumption method and recorded at lower of cost or market. Inventories consist primarily of maintenance materials and supplies held for consumption. The cost of these supplies is regarded as an expenditure at the time the items are consumed.

**G. Property and Equipment**

It is the policy of the Project to capitalize all expenditures for equipment with a cost of \$1,000 or greater. Property and equipment are recorded at cost less accumulated depreciation. Depreciation is provided over the assets estimated useful lives using the straight-line method of depreciation. The range of estimated useful lives by type of asset is as follows:

Building	15-40 years
Equipment and furnishings	3-15 years

**H. Cash and Cash Equivalents**

For the purposes of reporting cash flows, the Project considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash equivalents exclude any restricted funds.

HUD Project Number 101-35336

**NOTES TO THE FINANCIAL STATEMENTS – (Continued)**  
March 31, 2018

---

**NOTE 2 – RESTRICTED FUNDS**

**A. Reserve Accounts**

Under the terms of the Regulatory Agreement, the Project is required to set aside specified amounts for the replacement of property and other project expenditures as approved by HUD. This amount is \$41,192 as of March 31, 2018 and generally not available for operating purposes.

Under the terms of the Regulatory Agreement, the Project must deposit into a residual receipts fund, an amount equal to “surplus cash”, as defined, at the end of each year. These funds can only be used with the approval of HUD. Surplus cash amounted to \$16,825 at March 31, 2017, which was deposited into the residual receipts fund during FY 2018. Surplus cash amounted to \$7,623 at March 31, 2018, which will be deposited into the residual receipts fund during FY 2019. The balance of the account at March 31, 2018 was \$16,836.

Restricted funds also include an insurance reserve account in the amount of \$7,632 at March 31, 2018 which can only be used for the payment of insurance premium.

**B. Tenant Security Deposits**

The tenant security deposits are maintained in a separate account. The balance of the account at March 31, 2018 was \$13,710.

**NOTE 3 – CUSTODIAL CREDIT RISK**

The Project maintains its cash and cash equivalents in various bank deposit accounts, which, at times, may exceed federally insured or other insured limits. The Project has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. At March 31, 2018, the Project’s bank balances of \$183,315 were entirely covered by FDIC insurance or by pledged collateral held by the Project’s agent bank.

The State of Colorado's (the State) Public Deposit Protection Act (PDPA) precludes the Project from requiring banks to hold securities in Corazon Square’s name. The Project deposits are subject to and in accordance with the PDPA. Under this act, all uninsured deposits are fully collateralized. The eligible collateral pledged is held in custody by any Federal Reserve Bank, or branch thereof, or held in escrow by some other bank in a manner prescribed by rule and regulation or is segregated from other trust department securities. All collateral so held must be clearly identified as being securities maintained or pledged for the aggregate amount of public deposits accepted and held on deposit by the eligible public depository. The depository has the right at any time to make substitutions of eligible collateral maintained or pledged and must at all times be entitled to collect and retain all income derived from those investments without restriction.

Depreciation expense is charged to the project as follows:

Depreciation expense	\$ <u>67,596</u>
----------------------	------------------

**NOTE 5 – LONG TERM DEBT**

The long-term debt consists of the following mortgages:

The Project has a mortgage payable to Colorado Housing and Finance Authority which is due in monthly installments of \$3,949, including principal and interest, with final maturity scheduled for March 2034 at an interest rate of 5.75%. The balance due as of March 31, 2018 is \$493,363 (including current portion). The Corazon Square apartment project serves as collateral for this loan.

Additionally, the Project has a second and third mortgage payable to Federal Housing Administration obtained through the Mark to Market program, consisting of a mortgage restructuring in the amount of \$841,541 and \$117,501 respectively. These mortgages have a maturity date of March 1, 2034 at an interest rate of 5.00%. Principal is due in full at maturity, however, if the Project operates Corazon Square as affordable housing until maturity, the second and third mortgages will be forgiven. The Corazon Square apartment project serves as collateral for this loan.

	\$ 1,452,405	\$ 260,789	\$ 1,713,194

**NOTE 6 – MANAGEMENT FEE**

The Project paid \$12,000 in management fees in FY 2018 to Trinidad Housing Authority for managing the Project as per the management plan.

**NOTE 7 – PENSION PLAN**

The Project provides pension benefits for all of its full-time employees through a defined contribution plan with Met Life Insurance. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The plan requires the Project to contribute 3% of covered wages. Benefits are fully vested at the time of participation in the plan.

The following information related to the defined contribution plan at March 31, 2018:

Total payroll	\$ 95,541
Total payroll for eligible participants	\$ 52,608
Employer contributions made	\$ 1,578

**NOTE 8 – PRIOR PERIOD ERROR CORRECTION**

Miscellaneous current liabilities – To adjust prior years IPF calculation per PCPM \$ 16,991

**NOTE 9 – UNRESTRICTED NET ASSETS**

None of the Project's net assets are subject to donor-imposed restrictions, and accordingly, all net assets are accounted for as unrestricted net assets.

CORAZON SQUARE  
HUD Project Number 101-35336

**NOTES TO THE FINANCIAL STATEMENTS – (Continued)**  
March 31, 2018

---

**NOTE 10 – CONTINGENCIES**

The Project is subject to possible examinations made by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Project in the current and prior years. No significant violations of finance-related legal or contractual provisions occurred.

**NOTE 11 – SUBSEQUENT EVENTS**

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events, which provide evidence about conditions that existed after the balance sheet date, require disclosure in the accompanying notes. Management evaluated the activity of the Project through June 1, 2018 and concluded that no subsequent events have occurred that would require adjustment to or disclosures within these financial statements.

**NOTE 12 – CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS**

The Project's sole asset is a 50-unit apartment project. The Project's operations are concentrated in the multi-family real estate market. In addition, the Project operates in a heavily regulated environment. The operation of the Project is subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden to comply with a change.

**NOTE 1 – BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal grant activity of the Corazon Square (Project) under programs of the federal government for the year ended March 31, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Project, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Project.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Project has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Corazon Square  
Trinidad, Colorado

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Corazon Square, HUD Project Number 101-35336, which comprise the statement of financial position as of March 31, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated June 1, 2018.

**Internal Control Over Financial Reporting**

In planning and performing my audit of the financial statements, I considered Corazon Square’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Corazon Square’s internal control. Accordingly, I do not express an opinion on the effectiveness of the Project’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Corazon Square’s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Project's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
Corazon Square  
Trinidad, Colorado

**Report on Compliance for Each Major Federal Program**

I have audited Corazon Square's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Corazon Square's major federal programs for the year ended March 31, 2018. Corazon Square's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

My responsibility is to express an opinion on compliance for each of Corazon Square's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Corazon Square's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of Corazon Square's compliance.

***Opinion on Each Major Federal Program***

In my opinion, Corazon Square complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2018.

**Report on Internal Control Over Compliance**

Management of Corazon Square is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered Corazon Square's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Corazon Square's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
