## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
City Center West Residential Metropolitan District No. 2  
Weld County, Colorado

We have audited the accompanying financial statements of the governmental activities and the major funds of City Center West Residential Metropolitan District No. 2 (the "District") as of and for the year ended December 31, 2019 and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major funds of City Center West Residential Metropolitan District No. 2, as of December 31, 2019 and the respective changes in financial position and the budgetary comparison for the General Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other-Matters**

### *Required Supplementary Information*

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise City Center West Residential Metropolitan District No. 2's financial statements as a whole. The supplementary information section is presented for purposes of additional analysis and is not a required part of the financial statements.

The supplementary information as listed in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**1. Definition of Reporting Entity**

---

City Center West Residential Metropolitan District No. 2 (the District), a quasi-municipal corporation, was organized in November 2007, and is governed pursuant to provisions of the Colorado Special District Act (Title 32). The District's service area is located in the City of Greeley, Weld County, Colorado. The District was established to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment and financing of the public improvements in the most economic manner possible.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements, which provide guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District has no employees and all operations and administrative functions are contracted.

The District is not financially accountable for any other organization, nor is the District a component unit of any other primary governmental entity.

---

**2. Summary of Significant Accounting Policies**

---

The more significant accounting policies of the District are described as follows:

**Government-wide and Fund Financial Statements**

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all of the activities of the District. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities are normally supported by property taxes.

The statement of net position reports all financial and capital resources of the District. The difference between the assets and liabilities of the District is reported as net position.

**City Center West Residential Metropolitan District No. 2**  
**Notes to Financial Statements (continued)**  
**December 31, 2019**

---

**2. Summary of Significant Accounting Policies (continued)**

---

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for the governmental funds. Major individual governmental funds are reported as separate columns in the financial statements.

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The major sources of revenue susceptible to accrual are property taxes. All other revenue items are considered to be measurable and available only when cash is received by the District. The District determined that Developer advances are not considered as revenue susceptible to accrual. Expenditures, other than interest on long-term obligations, are recorded when the liability is incurred or the long-term obligation is due.

The District reports the following major governmental funds:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Debt Service Fund accounts for the resources accumulated and payments made for principal and interest on long-term general obligation debt of the governmental fund.

**City Center West Residential Metropolitan District No. 2**  
**Notes to Financial Statements (continued)**  
**December 31, 2019**

---

**2. Summary of Significant Accounting Policies (continued)**

---

The Capital Projects Fund accounts for financial resources to be used for the acquisition and construction of capital equipment and facilities.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

**Budgets**

In accordance with the State Budget Law, the District's Board of Directors holds public hearings in the fall each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures level and lapses at year end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund presented on the modified accrual basis of accounting unless otherwise indicated.

**Property Taxes**

Property taxes are levied by the District Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners, to put the tax lien on the individual properties as of January 1 for the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes, net of estimated uncollectible taxes, are recorded initially as deferred revenue in the year they are levied and measurable. The deferred property tax revenue is recorded as revenue in the year it is available or collected.

**Notes to Financial Statements (continued)**  
**December 31, 2019**

---

**2. Summary of Significant Accounting Policies (continued)**

---

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Fund Equity**

Fund balance for governmental funds should be reported in classifications that comprise a hierarchy based on the extent to which the government is bound to honor constraints on the specific purposes for which spending can occur. Governmental funds report up to five classifications of fund balance: nonspendable, restricted, committed, assigned, and unassigned. Because circumstances differ among governments, not every government or every governmental fund will present all of these components.

The following classifications describe the relative strength of the spending constraints:

- *Nonspendable fund balance* - The portion of fund balance that cannot be spent because it is either not in spendable form (such as prepaid amounts or inventory) or legally or contractually required to be maintained intact.
- *Restricted fund balance* - The portion of fund balance that is constrained to being used for a specific purpose by external parties (such as bondholders), constitutional provisions, or enabling legislation.
- *Committed fund balance* - The portion of fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, the Board of Directors. The constraint may be removed or changed only through formal action of the Board of Directors.
- *Assigned fund balance* - The portion of fund balance that is constrained by the government's intent to be used for specific purposes, but is neither restricted nor committed. Intent is expressed by the Board of Directors to be used for a specific purpose. Constraints imposed on the use of assigned amounts are more easily removed or modified than those imposed on amounts that are classified as committed.
- *Unassigned fund balance* - The residual portion of fund balance that does not meet any of the criteria described above. If more than one classification of fund balance is available for use when an expenditure is incurred, it is the District's policy to use the most restrictive classification first.

**3. Cash and Investments**

---

Cash and investments as of December 31, 2019 are classified in the accompanying financial statements as follows:

Statement of net position:

Cash and investments	\$ 5,892,986
Cash and investments - restricted	<u>952,500</u>
Total cash and investments	<u>\$ 6,845,486</u>

Cash and investments as of December 31, 2019 consist of the following:

Deposits with financial institutions	<u>\$ 6,845,486</u>
--------------------------------------	---------------------

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least equal to 102% of the aggregate uninsured deposits.

The State Commissioners for banks and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

As of December 31, 2019, the District's cash deposits had a carrying balance of \$6,845,486 and bank balance of \$6,860,107, of which \$250,000 was FDIC insured and the remainder collateralized under the PDPA.

---

**4. Long-Term Liabilities**

---

**Limited Tax General Obligation Bonds, Series 2019A and Series 2019B**

On December 17, 2019, the District issued Limited Tax General Obligation Bonds, Series 2019A and Subordinate Limited Tax General Obligation Bonds, Series 2019B for \$4,150,000 and \$2,850,000, respectively. The proceeds will be used by the District to finance public improvements within the District.

**City Center West Residential Metropolitan District No. 2**  
**Notes to Financial Statements (continued)**  
**December 31, 2019**

---

**4. Long-Term Liabilities (continued)**

---

The Bonds shall accrue interest at the rates of 5.000% (Series 2019A) and 7.750% (Series 2019B). Series A requires interest-only payments from June 1, 2020 – June 1, 2025 followed by principal and interest payments through maturity on December 1, 2049. Series 2018 B requires interest-only payments beginning December 15 2025 through December 15, 2040, followed by principal and interest payments through maturity on December 15, 2049.

The Series 2019A Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, in any order of maturity, and in whole or partial maturities, no earlier than December 1, 2024. The bonds are also subject to mandatory sinking fund redemption, in part, by lot, on December 1, 2025 and on each December 1 thereafter. Payment of par and accrued interest amounts can be redemmed in accordance to the schedule found within the bond indenture.

The Series 2019B bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, in any order of maturity, and in whole or partial maturities. The District may redeem no earlier than December 15, 2024. The bonds are not subject to a mandatory redemption. The Series 2019B bonds are subordinate to the Series 2019A bonds and therefore payment of the Series 2019B bond principal and interest is made annually with funds remaining after payment of the Series 2019A bonds.

**Developer Advances**

*Operation Funding Agreement*

In June 2019, the District entered into an Operation Funding Agreement with City Center West, LP (the Developer), pursuant to which the Developer agreed to advance funds in an amount not to exceed \$50,000, to cover anticipated revenue shortfalls for the years 2017 through 2019. Outstanding amounts due under the agreement shall accrue simple interest at a rate of 8% per annum. Payments are to be made by December 2<sup>nd</sup> of each year, with any remaining balance due in full on December 31, 2059.

*Advance and Reimbursement Agreement (Capital Costs)*

In December 2019, the District entered into an Advance and Reimbursement Agreement (Capital Costs) with CCW Development, LLC (the Developer), pursuant to which the Developer agreed to advance funds in an amount not to exceed \$20,000,000, in one or more installments. Under the agreement, the funds are to be used exclusively for incurred costs in the furtherance of the District's permitted purposes.

In addition, the Developer may agree to renew its obligation hereunder on an annual basis, in which case the obligation termination date shall be amended to no earlier than December 31 of the subsequent year.

**City Center West Residential Metropolitan District No. 2**  
**Notes to Financial Statements (continued)**  
**December 31, 2019**

---

**4. Long-Term Liabilities (continued)**

---

The agreement prescribes that advances accrue interest at a simple interest rate of 2%, plus the current Federal Reserve Board Prime Rate from the date of each advance and any unpaid accrued interest will be added to the principal in the event that the advances are subsequently refunded by subordinate debt.

*Advance and Reimbursement Agreement (Operations and Maintenance Costs)*

In December 2019, the District entered into an Advance and Reimbursement Agreement (Capital Costs) with CCW Development, LLC (the Developer), pursuant to which the Developer agreed to advance funds in an amount not to exceed \$500,000, in one or more installments. Under the agreement, the funds are to be used exclusively for administrative, operations and maintenance costs associated with public facilities within the District.

In addition, the Developer may agree to renew its obligation hereunder on an annual basis, in which case the obligation termination date shall be amended to no earlier than December 31 of the subsequent year.

The agreement prescribes that advances accrue interest at a simple interest rate of 2%, plus the current Federal Reserve Board Prime Rate from the date of each advance and any unpaid accrued interest will be added to the principal in the event that the advances are subsequently refunded by subordinate debt.

*Facilities Acquisition Agreement*

On November 20, 2019, the Facilities Acquisition Agreement (the Agreement) was entered into between the District and Saunders Commercial Development Company LLC (Saunders). Under the terms of the Agreement, the District agrees to acquire improvements completed by Saunders. Additionally, the District will reimburse Saunders for certified construction costs from these improvements, plus accrued interest, to the extent of available proceeds from bond issuances. The advances under the agreement accrue interest at 8% per annum. As of December 31, 2019, there were no amounts outstanding under this agreement.

The following is an analysis of changes in the District’s long-term debt for the year ended December 31, 2019:

	<b>Balance at December 31, 2018</b>	<b>Additions</b>	<b>Payment</b>	<b>Balance at December 31, 2019</b>	<b>Due Within One Year</b>
Developer Advances	\$ -	\$ 21,837	\$ -	\$ 21,837	\$ -
Series 2019A Bonds	-	4,150,000	-	4,150,000	-
Series 2019B Bonds	-	2,850,000	-	2,850,000	-
Bond premium	-	207,998	-	207,998	6,933
	<u>\$ -</u>	<u>\$ 7,229,835</u>	<u>\$ -</u>	<u>\$ 7,229,835</u>	<u>\$ 6,933</u>

By election held on November 8, 2016, the District is authorized to issue debt up to \$270,000,000; however, the District Service Plan limits the issuance of debt to \$20,000,000. All long-term debt is expected to be repaid by limited taxes imposed and collected for no longer than the maximum debt mill levy imposition term of residential properties and at a mill levy no higher than 50 mills. As of December 31, 2019, the District had \$13,000,000 remaining in authorized but unissued debt.

In the future, the District may issue a portion or all of the remaining authorized, but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area. However, the amount and timing of any debt issuances, if any, are not determinable.

**5. Net Position**

---

The District has net position consisting of two components –restricted and unrestricted.

Restricted assets include the net position that is restricted for use either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The District had restricted net position as of December 31, 2019 as follows:

Restricted net position:	
Emergency Reserves (see Note 7)	\$ 610
Debt service	<u>952,500</u>
Total restricted net position	<u>\$ 953,110</u>

---

**5. Net Position (continued)**

---

The District's unrestricted net position as of December 31, 2019 is a deficit of \$1,367,007, which is due to the District having a significant amount of debt and related debt service restrictions.

---

**6. Risk Management**

---

The District is exposed to various risks of loss related to torts, thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees, or acts of God.

The District is a member of the Colorado Special Districts Property and Liability Pool (Pool) as of December 31, 2019. The Pool is an organization created by intergovernmental agreement to provide property, liability, public officials' liability, boiler and machinery and workers compensation coverage to its members. Settled claims have not exceeded this coverage in any of the past three fiscal years.

The District pays annual premiums to the Pool for liability, property and public officials' liability coverage. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool may be returned to the members pursuant to a distribution formula.

**7. Tax, Spending and Debt Limitations**

---

Article X, Section 20 of the Colorado Constitution, commonly known as the Taxpayer's Bill of Rights (TABOR) contains tax, spending, revenue and debt limitations which apply to the State of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth. Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the emergency reserves to compensate for economic conditions, revenue shortfalls or salary or benefit increases.

**7. Tax, Spending and Debt Limitations (continued)**

---

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits will require judicial interpretation.

---

**8. Related Parties**

---

All of the Board of Directors are employees, owners or are otherwise associated with the Developer and may have conflicts of interest in dealing with the District. District management believes that all potential conflicts, if any, have been properly disclosed.

---

**9. Subsequent Events**

---

On March 11, 2020, the World Health Organization declared the outbreak of coronavirus (COVID-19) a pandemic. As a result, economic uncertainties have arisen which may negatively impact operations of the District. Other financial impacts could occur, though such potential impacts are unknown at this time.
