INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Rocky
Mountain Risk Insurance Group:

We have audited the accompanying financial statements of Rocky Mountain Risk Insurance Pool (the "Pool"), which comprise the statutory statements of admitted assets, liabilities, capital and surplus as of June 30, 2019 and 2018, and the related statutory statements of operations, changes in capital and surplus, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Insurance of the Colorado Department of Regulatory Agencies. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditors' Report (Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the admitted assets, liabilities, and surplus of Rocky Mountain Risk Insurance Pool as of June 30, 2019 and 2018, and the results of its operations for the years then ended, in accordance with the financial reporting provisions of the Division of Insurance of the Colorado Department of Regulatory Agencies as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of the financial reporting provisions of the Division of Insurance of the Colorado Department of Regulatory Agencies, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Division of Insurance of the Colorado Department of Regulatory Agencies. Our opinion is not modified with respect to that matter.

Restriction on Use

This report is intended solely for the information and use of the Board of Directors, school district members of the Pool, management of the Pool and the Colorado Division of Insurance, NAIC (National Association of Insurance Commissioners) and Colorado Department of Regulatory Agencies and is not intended to be and should not be used by anyone other than these specified parties.

Other Matters

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Pool's basic financial statements. The investment risks interrogatories, and summary investment schedule are presented for purposes of additional analysis as required by NAIC (National Association of Insurance Commissioners) and are not a required as a part of the basic financial statements. The schedule of statutory basic surplus by school district is presented for purposes of additional analysis and is not required part of the basic financial statements.

Independent Auditors' Report (Continued)

The investment risks interrogatories, summary investment schedule, and statutory basic surplus schedules by school district are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the investment risks interrogatories, summary investment schedule, schedule of statutory basic surplus by school district and the schedule of investments held are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

ROCKY MOUNTAIN RISK INSURANCE GROUP

Notes To Statutory Financial Statements
June 30, 2019 And 2018

Page -8-

(1) Nature Of Organization

The Rocky Mountain Risk Insurance Group (the “Pool”) was formed by an intergovernmental agreement among five public school districts within Adams County in the State of Colorado. The Pool provides various types of property, liability and workers’ compensation insurance coverage to its members.

(2) Summary Of Significant Accounting Policies

Basis Of Presentation

The Pool’s statutory financial statements are presented on the basis of accounting practices prescribed or permitted by the Division of Insurance of the Colorado Department of Regulatory Agencies (the “Division”). The Division has adopted the National Association of Insurance Commissioners’ statutory accounting practices (NAIC SAP) as the basis of its statutory accounting practices, except Colorado state law does provide limitations on investments. As of June 30, 2019 and 2018, there was no monetary effect on net income and statutory surplus by using an accounting practice which differs from NAIC statutory accounting practices and procedures. NAIC SAP is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP), such practices vary from GAAP; the more significant variances are as follows:

Bonds

For statutory accounting purposes, bonds are carried at promulgated amounts that are primarily at amortized cost; however, the NAIC requires certain bonds to be carried at market value. For GAAP purposes, held-to-maturity bonds are carried at amortized cost, and the remaining fixed maturity investments are reported at fair value with unrealized capital gains and losses reported in operations for those designated as trading and as a separate component of other comprehensive income in surplus for those designated as available-for-sale.

Nonadmitted Assets

Certain assets and certain reductions of liabilities are not recognized by the state insurance departments and, accordingly, are excluded from the balance sheet for statutory accounting purposes. Such assets principally consist of furniture and equipment, prepaid expenses and certain receivable balances. Under GAAP, all assets and liabilities are included in the balance sheet.

Subordinated Debt

Subordinated debt is treated as a component of surplus rather than as a liability.

Statements Of Cash Flows

Cash and short-term investments in the Statements of Cash Flow represent cash balances and investments with initial maturities of one year or less. Under GAAP, the corresponding captions of cash and cash equivalents include cash balances and investments with initial maturities of three months or less.

The Pool has not determined the effect of all the aforementioned variances between statutory insurance accounting practices and generally accepted accounting principles.

Cash And Cash Equivalents

Cash and cash equivalents include cash on hand and money market instruments with a maturity of one year or less when purchased.

Investments

Investments consisted of government obligations and were carried at cost or amortized cost as prescribed by the NAIC Securities Valuation Office.

Premiums From Members

Premiums from members are recognized as earned on a monthly pro rata basis over the applicable period of coverage, which coincides with the Pool's fiscal year. Premiums earned from members are reported net of reinsurance premiums.

Losses And Loss Adjustment Expenses

Insurance losses and related adjustment expenses are charged to operations as incurred. The reserves for losses and loss adjustment expenses are determined based upon case-basis evaluations and independent actuarial projections and include a provision for incurred but not reported losses. The actuarial projections of ultimate losses on reported claims and the estimate of claims incurred but not reported are based on the Pool's experience and insurance industry data. Losses are reported net of estimated amounts recoverable from excess insurance. Adjustments to the probable ultimate liability for losses and loss adjustment expense are made continually, based on subsequent developments and experience, and are included in operations as incurred. Since the reserve is based upon estimates, the actual cost of settling all remaining claims may be more or less than the reserves for losses and loss adjustment expenses as of June 30, 2019 and 2018.

Income Taxes

The Pool provides an essential governmental function to its members as described in Section 115 of the Internal Revenue Code and is exempt from federal income taxes pursuant to the Internal Revenue Code.

Use Of Estimates

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Evaluation Of Subsequent Events

The Pool has evaluated subsequent events through November 11, 2019, the date which the financial statements were available to be issued, and considered any relevant matters in preparation of the financial statements and footnotes.

(3) **Cash, Investments And Fair Value Of Financial Instruments**

Cash

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government, and entities such as the Pool, deposit cash in eligible public depositories. Eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least equal to the aggregate uninsured deposits.

The State Regulatory Commissions for banks and financial services are required by Statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

Investments

The Pool's investment policy specifies investment instruments meeting defined rating and risk criteria, which includes the following:

- Obligations of the United States and certain U.S. government agency securities
- Certain international agency securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers' acceptances of certain banks
- Commercial paper
- Written repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts
- Local government investment pools

ROCKY MOUNTAIN RISK INSURANCE GROUP

Notes To Statutory Financial Statements (Continued)

Page -11-

Investments consisted of the following as of June 30, 2018:

	Gross Amortized Cost	Unrealized Gains (Losses)	Fair Value
As of June 30, 2018:			
Certificate of deposits	\$ 1,280,227	\$	\$ 1,280,227
US treasury note	812,055	(6,016)	806,039
Total investments	<u>\$ 2,092,282</u>	<u>\$ (6,016)</u>	<u>\$ 2,086,266</u>

As of June 30, 2018, the maturities on the investments were as follows:

Due within one year	<u>\$ 2,092,282</u>
---------------------	---------------------

A mortgage-backed security with a par value of \$800,000 was on joint deposit with the Division of Insurance of the State of Colorado as of June 30, 2018. During 2019, the mortgage-backed security was sold and is held in cash and cash equivalents in the amount of \$815,000.

COLOTRUST

Since June 30, 2004, the Pool had invested in the Colorado Local Government Liquid Asset Trust (the "Trust"), an investment vehicle established for local government entities in Colorado to pool surplus funds. The State Securities Commissioner administers and enforces all state statutes governing the Trust. The Trust operates similarly to a money market fund and each share is equal in value to \$1.00. The Trust offers shares in two portfolios, COLOTRUST PRIME and COLOTRUST PLUS+. Both portfolios may invest in U.S. Treasury securities and repurchase agreements collateralized by U.S. Treasury securities. COLOTRUST PLUS+ may also invest in certain obligations of U.S. government agencies, highest rated commercial paper and repurchase agreements collateralized by certain obligations of U.S. government agencies. A designated custodial bank serves as custodian for the Trust's portfolios pursuant to a custodian agreement. The custodian acts as safekeeping agent for the Trust's investment portfolios and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by the Trust. As of June 30, 2019 and 2018, the Pool had invested \$6,472,336 and \$4,475,764 in COLOTRUST PLUS+, respectively. Such amounts are reflected in cash and cash equivalents in the financial statements.

Fair Value Of Financial Instruments

Cash and cash equivalents, accrued interest receivable, reinsurance recoverable, other receivables and other liabilities are reflected in the financial statements at fair value because of the short-term maturity of those instruments.

ROCKY MOUNTAIN RISK INSURANCE GROUP

Notes To Statutory Financial Statements (Continued)

Page -12-

Reserves for losses and loss adjustment expenses are actuarially determined and as of June 30, 2019 and 2018, there is no indication that the fair value of these liabilities would significantly differ from the amounts determined by the actuary.

(4) **Nonadmitted Assets**

Nonadmitted assets are charged directly to surplus. As of June 30, 2019 and 2018, there were \$121,740 and \$119,378 of prepaid expenses related to management fees, respectively.

(5) **Reserves For Losses And Loss Adjustment Expenses**

Components of the reserves for losses and loss adjustment expenses as of June 30, 2019 and 2018, are as follows:

	Worker's Compensation	Liability/ Property	Total
As of June 30, 2019:			
Estimated reserves for losses and allocated loss adjustment expense-			
Reported	\$ 1,984,782	\$ 351,752	\$ 2,336,534
Incurred but not reported	2,210,697	5,568	2,216,265
	<u>4,195,479</u>	<u>357,320</u>	<u>4,552,799</u>
Estimated reserves for unallocated loss adjustment expense	96,705		96,705
	<u>\$ 4,292,184</u>	<u>\$ 357,320</u>	<u>\$ 4,649,504</u>
As of June 30, 2018:

Reported	\$ 1,620,226	\$ 373,740	\$ 1,993,966
Incurred but not reported	2,669,457	42,597	2,712,054
	<u>4,289,683</u>	<u>416,337</u>	<u>4,706,020</u>
Estimated reserves for loss adjustment expense	126,524		126,524
	<u>\$ 4,416,207</u>	<u>\$ 416,337</u>	<u>\$ 4,832,544</u>

ROCKY MOUNTAIN RISK INSURANCE GROUP

Notes To Statutory Financial Statements (Continued)

Page -13-

The following represents changes in the reserves during the years ended June 30, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Unpaid loss and loss adjustment expenses at beginning of year	\$ 4,832,544	\$ 6,520,174
Incurred losses and loss adjustment expenses:		
Provision for insured events of the current year	1,520,606	1,200,264
Provision for insured events of prior years	183,040	175,461
Total incurred loss and loss adjustment expenses	<u>1,703,646</u>	<u>1,375,725</u>
Payments:		
Losses and loss adjustment expenses attributable to insured events of the current year	(455,112)	(667,646)
Losses and loss adjustment expenses attributable to insured events of prior years	<u>(1,431,574)</u>	<u>(2,395,709)</u>
Total payments	<u>(1,886,686)</u>	<u>(3,063,355)</u>
Unpaid loss and loss adjustment expenses at end of the year	<u>\$ 4,649,504</u>	<u>\$ 4,832,544</u>

(6) Insurance Contracts

The Pool has entered into insurance contracts that minimize its exposure to both large individual losses as well as a significant frequency of smaller losses.

A summary of the coverages in effect as of June 30, 2019 and 2018, are as follows:

Property

The Pool has property insurance policies to provide coverage on losses up to \$1,000,000 under the multiline insurance coverage and then up to \$1,000,000,000 under excess insurance coverage per occurrence. This coverage is subject to the Pool's retention of \$100,000 per occurrence. The per occurrence limits apply to all members of the Pool, regardless of the number of members involved in an occurrence.

Liability

The Pool also has insurance coverage for its general, automobile and errors and omissions

liability protection coverages. The reinsurance coverage with limits are \$10,000,000 per occurrence/aggregate for general liability, \$5,000,000 per occurrence auto liability, and \$5,000,000 per claim/aggregate for educators' legal liability in excess of the Pool's retention of \$150,000 per occurrence.

Workers' Compensation

The Pool also has insurance coverage for its workers' compensation coverage. The reinsurance coverage limit is \$25,000,000, per occurrence. The Pool's retention is \$550,000 per occurrence.

Multiline Aggregate Limit

The aggregate amount of losses paid by the Pool in a given year is limited to a defined amount (\$485,000 and \$475,000 for the fiscal years ended June 30, 2019 and 2018, respectively). The excess insurer will indemnify the Pool for the next \$500,000 of losses.

Other Insurance Issues

Members of the Pool purchase boiler and machinery, and crime coverages through the Pool. The Pool does not retain any liability for these coverages and all premium costs associated with these coverages are passed on to the participating members.

(7) Member Capital Contributions And Dividends

The Pool is required by the Colorado Division of Insurance to maintain minimum statutory capital and surplus of \$800,000.

During the fiscal year ended 2018, the Colorado Division of Insurance approved the Pool to reclassify the subordinated debt as unassigned surplus.

(8) Insurance Servicing Agreements

The Pool has entered into an agreement with the Adams County Board of Cooperative Educational Services to provide administrative services to the Pool. Fees for such services were \$331,016 and \$272,621 for the fiscal years ended June 30, 2019 and 2018, respectively.

Additionally, the Pool has entered into an agreement with a third-party claims administrator. For the fiscal years ended June 30, 2019 and June 30, 2018, fees for such services were \$136,600 and \$167,321, respectively.

(9) **Withdrawal Agreement**

Effective July 1, 2014, Adams County School District 14 ("District 14") withdrew as a member of the Pool. The terms of the withdrawal were outlined in a Withdrawal Agreement. In accordance with the Withdrawal Agreement, on July 3, 2014, the Pool paid a dividend in the amount of \$283,074 to District 14 during the fiscal year ended June 30, 2015. In addition during the fiscal year ended June 30, 2015, the Pool distributed surplus and subordinated debt in the amount of \$447,142 and \$163,400, respectively. During the fiscal years ended June 30, 2019 and 2018, the Pool distributed the remaining portion of \$64,950 of their surplus and subordinated debt.

(10) **Member Withdrawal**

Effective July 1, 2017, Adams County Five Star Schools ("Adams 12") withdrew as a member of the Pool. pursuant to the Pool Agreement and attendant policies, a withdrawing member such as Adams 12 is required to reach a Withdrawal Agreement, pay for administrative costs and reimburse the Pool for legal fees related to the Withdrawal Agreement. As of November 14, 2018, no Withdrawal Agreement has been reached between Adams 12 and the Pool, and Adams 12 has not paid any amounts due and owing to the Pool. During the fiscal year ended June 30, 2018, the Pool continued to meet its contractual obligations to administer existing claims for Adams 12, and the Pool did not receive any compensation for fees, costs and expenses owed by Adams 12. The calculation for these costs as calculated by the Actuary is based upon the proportional share of Adams 12's unpaid claim liabilities. For the fiscal year ended June 30, 2018, the proportionate share of Adams 12's liabilities represent 59.23% of all administrative costs.

As of June 30, 2018, the Pool invoiced Adams 12, an amount of \$640,300 for expenses related to the administration, legal fees and costs associated with the management of Adams 12's claims. This amount had not been recognized as receivable in the Pool's financial statements since contingency is involved. The Pool had filed and initiated a lawsuit against Adams 12 to recover fees, costs and expenses owed to the Pool. The trial was set for June 2019.

In June 2019, RMRIG and Adams 12 entered into a Withdrawal Agreement which has been submitted to the Division of Insurance (DOI) for approval. That agreement once approved by the DOI, will assign each party \$360,189 of Adams 12's total Unassigned Surplus of \$720,378. RMRIG will continue to manage outstanding Adams 12 claims within the Pool until resolution. The Agreement agrees to mutually release each other from further obligations. Once the DOI approves the Withdrawal Agreement it will become effective on such date. RMRIG will then issue payment for the Unassigned Surplus in the amount of \$360,189 to Adams 12 and the Pool will retain \$360,189.

ROCKY MOUNTAIN RISK INSURANCE GROUP

Supplemental Investment Risks Interrogatories
As Of June 30, 2018

Page -16-

1. State the reporting entity's total admitted assets as reported on Page 2 of the annual statement**. \$ 7,007,544
2. State by investment category the 10 largest exposures to a single issuer/borrower/investment, excluding U.S. government, U.S. government agency securities and those U.S. government money market funds listed in the Appendix to the *SVO Purposes and Procedures Manual* as exempt, property occupied by the company and policy loans.

Investment Category	Amount	Percentage of Total Admitted Assets
a.		0.000%
b.		0.000%
c.		0.000%
d.		0.000%
e.		0.000%
f.		0.000%
g.		0.000%
h.		0.000%
i.		0.000%
j.		0.000%

3. State the amounts and percentages of the reporting entity's total admitted assets held in bonds and preferred stocks by NAIC rating.

Bonds	Preferred Stocks	
NAIC - 1	P/RP - 1	0.000%
NAIC - 2	P/RP - 2	0.000%
NAIC - 3	P/RP - 3	0.000%
NAIC - 4	P/RP - 4	0.000%
NAIC - 5	P/RP - 5	0.000%
NAIC - 6	P/RP - 6	0.000%

4. Assets held in foreign investments less than 2.5% of the reporting entity's total admitted assets, therefore detail not required for interrogatories 5-10.
11. Assets held in Canadian investments less than 2.5% of the reporting entity's total admitted assets, therefore detail not required for interrogatory 11.
12. Assets held in investments with contractual sales restrictions less than 2.5% of the reporting entity's total admitted assets, therefore detail not required for interrogatory 12.
13. Assets held in equity interests less than 2.5% of the reporting entity's total admitted assets, therefore detail not required for interrogatory 13.
14. Assets held in nonaffiliated, privately placed equities less than 2.5% of the reporting entity's total admitted assets, therefore detail not required for interrogatory 14.

** Pursuant to Regulation 2-2-1, the Pool is not required to file an annual statement using the National Association of Insurance Commissioners blank. The disclosures herein are required by the Insurance Department of the State of Colorado in accordance with Statutory Accounting Principles.
