INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Conejos County Housing Authority
109 Raymond Griffith Rd
LaJara, Colorado 41649

I have audited the accompanying financial statements of the Conejos County Housing Authority ("the Authority") which comprise the Statement of Net Position as of March 31, 2020, and the related Statements of Revenues, Expenses and Changes in Fund Net Position, and Cash Flows for the year then ended, and the related Notes to the Financial Statements, which collectively comprise the Conejos County Housing Authority's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Conejos County Housing Authority as of March 31, 2020, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages i through vi be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the financial statements, and other knowledge I obtained during my audit of the financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

My audit was conducted for the purpose of forming an opinion on the Authority's financial statements as a whole. The accompanying Financial Data Schedule and the other supplemental information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

In regard to, the Financial Data Schedule and the other supplemental information as listed in the table of contents, such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Financial Data Schedule and the other supplemental information as listed in the table of contents is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated August 20, 2020 on my consideration of the Conejos County Housing Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Conejos County Housing Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
MARCH 31, 2020

This section of the HOUSING AUTHORITY OF CONEJOS COUNTY ("the Authority") annual financial report presents our management's discussion and analysis of the Authority's financial performance during the fiscal year ended on March 31, 2020. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. Please read and consider the information presented in conjunction with the financial statements as a whole.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets, all deferred outflows of resources, all liabilities, and all deferred inflows of resources, associated with the operation of these funds are included on the Statement of Net Position. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL HIGHLIGHTS

- The term "net position" refers to the difference between assets plus deferred outflows of resources less liabilities and deferred inflows of resources. The Authority's total net position as of March 31, 2020, was \$970,651. The net position increased by \$36,882, an increase of 4% over the prior year.
- Revenues for the Authority were \$335,089 for the year ended March 31, 2020. This represents a decrease of \$123,140 or 27% from the prior year.
- Expenses for the Authority were \$298,707 for the year ended March 31, 2020. This represents a decrease of \$8,957 or 3% from the prior year.
- Tenant revenue for the Authority was \$134,311 for the year ended March 31, 2020. This was an increase of \$1,993 or 2% over the prior year. Federal operating grants for the Authority were \$181,937 for the year ended March 31, 2020. This was a decrease of \$120,368 or 40% from the prior year. In FY 2019 the Authority received Public Housing operating funds for a partial year, Public Housing capital fund grants utilized for operating expenditures, and Project Based Rental Assistance.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report includes this *Management Discussion and Analysis* report, the *Basic Financial Statements* and the *Notes to the Financial Statements*. The Authority's financial statements are presented as fund level financial statements because the Authority only has proprietary funds.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Required Financial Statements

The financial statements of the Housing Authority report information of the Authority using accounting methods similar to those used by private sector companies. These statements offer short- and long-term financial information about its activities. The Statement of Net Position includes all the Authority's assets, deferred outflows of resources, liabilities, and deferred inflows of resources and provides information about the nature and amounts of investments in resources (assets and deferred outflows of resources) and obligations of the Authority creditors (liabilities and deferred inflows of resources). It also provides the basis for evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Fund Net Position. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

HUD Reporting

HUD has established *Uniform Financial Reporting Standards* that require Housing Authority's to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) for the year ended March 31, 2020 and is required to be included in the audit reporting package.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
MARCH 31, 2020

FINANCIAL ANALYSIS

Net position may serve, over time, as a useful indicator of a government's financial position. As stated in the table below, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$970,651 at the close of the year ended March 31, 2020, up from \$933,769 in fiscal year 2019. The increase in net position of \$36,882 was due to the reasons noted below.

- Current assets include cash, receivables, prepaid expenses, and materials inventory. Of the \$28,653 increase in this category, cash increased \$49,662, receivables decreased by \$37,263, prepaid expenses increased \$942, and materials inventory increased \$15,312.
- Capital assets decreased \$10,253 due to current year depreciation expense exceeding the capital asset additions. Change in capital assets is explained in section titled "Capital Assets" of this analysis.
- Current liabilities increased by \$1,643 from FY 2019.
- Noncurrent liabilities increased \$381 from FY 2019.

FINANCIAL ANALYSIS (CONTINUED)

The unrestricted net position was \$535,345 as of March 31, 2020. This amount may be used to meet the Authority's ongoing obligations. The Authority has sufficient funds to meet requirements for cash outlays for next fiscal year. The Authority did not have any net position classified as restricted that is subject to external restrictions on how they may be used. At the end of the current fiscal year, the Authority is able to report positive balances in all categories of net position. The same situation held true for the prior fiscal year.

As a requirement of the RAD transition, a replacement reserve was required to be established. The reserve is classified as a restricted asset along with the classification of the equity as restricted net position.

While the Statement of Net Position shows the change in financial position of net position, the Statements of Revenues, Expenses, and Changes in Net Position provides answers as to the nature and source of these changes.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
MARCH 31, 2020

FINANCIAL ANALYSIS (CONTINUED)

As can be seen in the table on the previous page, total revenues decreased \$123,140 due to the reasons noted below.

- Tenant revenue increased \$1,993 or 2% from FY 2019.
- Federal operating grants decreased \$120,368 due to a \$160,381 decrease in capital fund grants used for operations. This was partially offset by a \$40,013 increase in Section 8 housing assistance.
- Interest income increased \$2,013 from FY 2019 mainly due to higher cash and investment balances.
- Other income decreased \$6,778 from FY 2019.

Total expenses decreased \$8,957 from the previous fiscal year due to the reasons noted below.

- Administrative expense decreased \$10,426 or 9% from FY 2019 primarily due to a decrease in travel costs of \$8,778 or 74%.
- Utilities decreased \$1,176 or 3% from FY 2019 mainly due to a decrease in gas of \$944 or 13.2%.
- Ordinary maintenance decreased \$1,865 or 2% from 2019.
- General expense increased \$1,544 or 5% from FY 2019.
- Depreciation increased \$2,466 or 6% from FY 2019.

The Public Housing occupancy rate for fiscal year March 31, 2020 was 98.1%, down from 99.1% in FY 2019. The Authority currently has 44 units.

CAPITAL ASSETS

Capital Assets - The Housing Authority of Conejos County, Colorado's net investment in capital assets, as of March 31, 2020, amounts to \$355,869. The investment in capital assets includes land, buildings, equipment, and accumulated depreciation.

Depreciation charges for the year totaled \$45,654. Additional information on the Authority's capital assets can be found in the notes to the financial statements.

Category	FYE 2020	FYE 2019	Change \$	Change %
Land	\$ 28,653	\$ 28,653	\$ -	0%
Buildings	3,842,698	3,814,339	28,359	1%

Total Net Fixed Assets	\$ 355,869	\$ 345,616	\$ 10,253	3%

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The Board of Commissioners and Management of the Housing Authority considered many factors when approving the fiscal year 2021 budget. The user charges are based on a tenant's income as established by HUD guidelines and are not adjustable.

The 2021 fiscal year will be the second complete year in the new PBRA format. HAP funding provided is based on occupied units and limited vacancies. The amount of funding is based on the establishment of fair market rents for the project by bedroom size and then inflated by an OCAF adjustment (inflation). Most operating expenses are expected to increase by the economy's inflation rate. In addition, the project is required to make a monthly deposit into the replacement reserve that is restricted by HUD as to the use of the funds.

REQUEST FOR INFORMATION

This financial report is designed to provide a general overview of the Authority's finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or request for additional financial information should be addressed to Executive Director, Housing Authority of Conejos County, 510 Richfield Road, La Jara, Colorado 81140.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2020

NOTE A - Summary of Significant Accounting Policies:

Reporting Entity

The CONEJOS COUNTY HOUSING AUTHORITY is a political subdivision both corporate and politic which was established under the provision of Colorado Statutes, to provide adequate housing at rents which persons of low-income can afford in areas where there exists a shortage. To accomplish this purpose, the Authority entered into an annual contribution contract with the U.S. Department of Housing and Urban Development (HUD) to be the Administrator of a public housing program (Contract No. A-CO038). This contract has since been cancelled through the Rental Assistance Demonstration (RAD) Program during the current fiscal year. The project, including the assets, liabilities and equity, were transferred from the Public Housing Program to the Conejos County Housing Authority as of July 1, 2019. The project's mission remains to provide low income housing. The project is now funded by a Project Based Rental Assistance (PBRA)HAP contract.

The operating fund and CFP funding is based on a calendar year basis. The funding assigned to the 2019 calendar year was reported to the Low Rent Housing Program and transferred to the new project in accordance with the RAD conversion requirements per HUD.

The entity is a public corporation, legally separate, fiscally independent, and governed by the Board of Commissioners. As required by generally accepted accounting principles, these financial statements present the financial position and results of operations of the Conejos County Housing Authority, a primary government. Although it is legally separate from the Conejos County Housing Authority, the Valley Housing Corporation is reported as if they were part of the primary government because its sole purpose is to work in conjunction with the Housing Authority to assist with providing housing for low and moderate income individuals. The criteria for inclusion as a component unit include manifestation of oversight responsibility including financial accountability, appointment of a voting majority, imposition of will, financial benefit to or burden on a primary organization, financial accountability as a result of fiscal dependency, potential for dual inclusion, and organizations included in the reporting entity although the primary organization is not financially accountable. Accordingly, the Valley Housing Corporation financial information has been blended with the Conejos County Housing Authority. There are no other component units to be included herewith, but this report does include all programs which are controlled by the entity's governing body. The Valley Housing Corporation had no activity in the current fiscal year.

The financial statements of the CONEJOS COUNTY HOUSING AUTHORITY include the following:

<u>Management:</u>	<u>Units</u>
Project units funded by a HAP Contract	<u>44</u>

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

(Continued)

NOTE A - Summary of Significant Accounting Policies: (Continued)

Basis of Presentation and Accounting: In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged only in business type activities.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Fund Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through user charges.

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following net position categories:

Investment in Capital Assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets. The Authority has no debt.

Restricted: Net position whose use by the Authority is subject to externally imposed stipulations that can be fulfilled by actions of the Authority pursuant to those stipulations or that expire by the passage of time. Such assets include assets restricted for capital acquisitions and debt service.

Unrestricted: Net positions that are not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Authority Board or may otherwise be limited by contractual agreements with outside parties.

Budgets - Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a "project length" basis.

Budget compared to Actual presentation has been omitted because the Authority does not annually adopt a legally authorized budget. The Authority's budget is adopted by the Authority's board. This budget does not represent an appropriated budget that has been signed into law or a nonappropriated budget authorized by constitution. The Authority's budget represents budgetary execution and management by its board; therefore, budgetary data and presentation is not required.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2020
(Continued)

NOTE A - Summary of Significant Accounting Policies: (Continued)

Cash and Cash Equivalents - Deposits consist of checking accounts and Certificates of Deposit and are stated at fair value. Deposits are fully collateralized or vested in securities of the United States Government and are identified specifically in the name of the Authority. Certificates of deposit that are redeemable immediately with little or no penalty are considered cash equivalents.

For the purposes of the Statement of Cash Flows, the Authority considers all highly liquid cash deposits and cash equivalents with a maturity of three months or less when purchased and non-negotiable Certificates of Deposit to be cash equivalents. There were no noncash investing, capital, and financing activities during the year.

Tenant Receivables - Receivables for rentals and service charges are reported at net of an allowance for doubtful accounts. The Housing Authority Board takes monthly action as required to write off specific uncollectible accounts receivable balances.

Prepaid - Prepaid represent payments made to vendors for services that will benefit beyond March 31, 2020.

Inventory - Inventories are valued at cost, which approximates market value, using the first-in/first/out (FIFO) method. The consumption method is applied and expense is charged when inventory items are used for the units.

Capital Assets - Capital assets purchased are recorded at cost at the time of purchase. Donated assets are recorded at fair market value at the date of donation. Because developments and major capital repairs or improvements are financed through cash advances from HUD, there are no capitalized interest costs in current programs.

It is the policy of the Authority to capitalize assets costing \$1,000 or more.

Depreciation of property and equipment is computed by the straight-line method based upon the estimated useful lives of the assets as follows:

<u>Class</u>	<u>Life</u>
Buildings & Improvements	15-40 years
Furniture, Equipment & Machinery	3-10 years

Compensated Absences - Compensated absences are those absences for which employees will be paid, such as vacation and sick leave. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Authority and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Authority and its employees, are accounted for in the period in which such services are rendered or in which such events take place.

Operating Revenues and Expenses - Operating revenues and expenses generally result from providing and producing goods in connection with providing low income housing programs. Operating expenses include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

NOTE A - Summary of Significant Accounting Policies: (Continued)

Restricted Assets - When both restricted and unrestricted resources are available for use, it is the Authorities policy to use unrestricted resources first, and then restricted resources as they are needed.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Leasing Activities (as Lessor) - The Authority is the lessor of dwelling units primarily to low-income residents. The rents under the leases are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

Incomes associated with these leases are recorded in the financial statements and schedules as "Rental income". Rental income per resident generally remains consistent from year to year, but is affected by general economic conditions which impact personal income, such as local job availability.

NOTE B - Deposits, Cash and Cash Equivalents:

1. HUD Deposit Restrictions

HUD requires Authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments.

HUD also requires that deposits of HUD program funds be fully insured or collateralized at all times. Acceptable security includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulations. Amounts on deposit in excess of federal insurance levels must be collateralized by eligible collateral determined by the PDPA. The institution is allowed to create a single collateral pool for all public funds held. The pool is to be maintained by another institution or held in trust for all the uninsured public deposits as a group. The market value of the collateral must be at least equal to 102 percent of the uninsured deposits.

2. Risk Disclosures

A. Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates, the Authority's investment policy limits the Authority's investment portfolio to maturities not to exceed two years at time of purchase. At March 31, 2020, the Authority's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

NOTE B - Deposits, Cash and Cash Equivalents: (Continued)

B. **Credit Risk:** This is a risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The Authority's investment policy is that none of its total portfolio may be invested in securities of any single issuer, other than the US Government, its agencies and instrumentalities.

C. **Custodial Credit Risk:** This is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are held by the counterparty. All of the Authority's investments in securities are held in the name of the Authority. The Authority's custodial agreement policy prohibits counterparties holding securities not in the Authority's name.

The carrying amounts of the Authority's cash deposits were \$630,270 at March 31, 2020. Bank balances before reconciling items were \$631,393 on that date, the total amount of which was collateralized or insured with securities held by an unaffiliated banking institution in the Authority's name. Restricted deposits consists of tenant security deposits and the replacement for reserve.

Deposits consist of the following:

Checking accounts	\$ 112,359
Cash on hand	200
Money market accounts	79,437
Investment - ColoTrust	<u>438,274</u>
Total	<u>\$ 630,270</u>

NOTE C - Custodial Credit Risk:

Custodial risk for deposits is the risk that, in the event of a failure of a depository financial institution, the Authority will not be able to recover its deposits or will not be able to recover collateral securities that are position of an outside party. The Colorado Public Deposit Protection Act (PDPA) governs the investment of public funds. PDPA requires that all units of local government deposit cash in eligible public depositories. State regulators determine eligibility. Amounts on deposit in excess of federal insurance levels (\$250,000) must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least equal to 102% of the aggregate uninsured deposits. The institution's internal records identify the collateral by depositor and as such, their deposits are considered to be uninsured but collateralized. The State Regulatory Commissions for bank and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools. At March 31, 2020, the Authority's deposits amounting to \$631,393 were insured by federal depository insurance, collateralized with securities held by the pledging institution's trust department or agent in the Authority's name and consequently were not exposed to custodial credit risk. The Colotrust is permitted to only invest in investments legally permitted under Colorado State Law.

NOTE L - Pension Plan:

In fiscal year 2016, Conejos County Housing Authority began offering its employees a SEP-IRA plan created in accordance with Internal Revenue Code Section 408(k). The plan is administered by Vanguard and is available to all employees with 3 months of service aged 18 or older who receive compensation of at least \$450 per year.

The Authority provides pension benefits for its employees through a defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate after one year of service.

NOTE L - Pension Plan: (Continued)

During the year ended March 31, 2020, the Authority's required and actual contributions amounted to \$8,521, which was set by the Board at differing amounts for individual employees. Employees' required and actual contributions amounted to \$0.

NOTE M - Commitments and Contingencies:

Litigation: At March 31, 2020, the Authority was not involved in any threatened litigation.

Examinations: The Authority is subject to possible examinations made by federal and state authorities who determine compliance with terms, conditions, laws, and regulations governing other grants given to the Authority in the current and prior years. There were no such examinations during the year ended March 31, 2020.

Grant Disallowances: Amounts received or receivable from HUD are subject to audit and adjustment by HUD. Any disallowed claims, including amounts already collected, may constitute a liability of the Authority. The amounts, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

Construction Projects: There are no construction projects in progress as of March 31, 2020.

NOTE N - Affiliated Organizations:

Valley Housing Corporation

The Conejos County Housing Authority formed a 501(c)3 organization, the Valley Housing Corporation, in January 2017. Although a directly controlled affiliate of Conejos County Housing Authority, consolidated financial statements are not presented as there were no financial transactions for the Valley Housing Corporation during fiscal year 2020.

NOTE O - Risk Management:

The Authority is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to coverage for these risks to the extent deemed prudent by Authority management. Settled claims have not exceeded this commercial coverage in any of the past 3 years.

The Authority participates in two public entity risk pool for general liability, and Directors' and Officers' liability. Settled claims resulting from these risks have not exceeded risk pool coverage in any of the past three fiscal years. Rights and responsibilities of the Authority and the pool are contained within the pool agreement and the scope of coverage documents.

NOTE P - Federal Operating Grants:

HUD contributed operating subsidies approved in the operating budgets under the Annual Contributions Contracts and PBRA HAP Contract. The following Federal funding sources provided for the operating year ended March 31, 2020, were as follows:

Project Based Rental Assistance HAP Contract (PBRA)	<u>\$ 181,937</u>
Total Federal Operating Grants	<u>\$ 181,937</u>

NOTE Q - Conduit Type Debt:

Debt related to the original acquisition and early modernization of the public housing developments is funded, guaranteed and serviced by HUD. There is no debt or pledge of faith and credit on the part of the Authority. Accordingly, this debt has not been recorded in the financial statements of the Conejos County Housing Authority.

HUD no longer provides the Authority with debt service information since the Authority has no obligation for the debt.

NOTE R - Economic Dependency:

The Authority receives approximately 65% of its revenues from HUD. If the amount of revenues received from HUD falls below critical levels, the Authority's operations could be adversely affected.

NOTE S - Taxpayer's Bill of Rights:

In November 1992, the voters of the State of Colorado approved an amendment to the states constitution limiting the amount of revenue which may be spent or retained by Colorado governmental entities. The amendment is in effect for most governmental entities for the years beginning after 1992, but exempts "enterprise" funds and activities from the limitations. The Board of Commissioners of the Authority believes it is exempt from the provisions of the Taxpayer's Bill of Rights because it is an "enterprise: (a business operation able to issue its own revenue bonds and receiving less than 10% of its revenues from state and local grants) as defined in the constitutional amendment. The Board also believes it is not subject to the provisions of TABOR because the governing board is not an elected board, does not have an electoral constituency and does not have the power to impose taxes which are all the basic operational requirements of TABOR. However, many provisions of the TABOR Amendment are complex and subject to further interpretation and will require judicial interpretation.

NOTE T - Subsequent Events:

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated the activity of the Authority through August 20, 2020 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTES TO SUPPLEMENTAL FINANCIAL INFORMATION
FOR THE YEAR ENDED MARCH 31, 2020

NOTE A - Financial Data Schedule:

As required by HUD, the Authority prepares its financial data schedule in accordance with HUD requirements in a prescribed format. The schedule's format excludes depreciation expense and extraordinary maintenance expense from operating activities, includes investment revenue, HUD capital grants, revenue and gains and losses on the disposal of capital assets in operating activities, and reflects tenant revenue and bad debt expense separately, which differs from the presentation of the financial statements.

Report On Internal Control Over Financial Reporting and on Compliance and
Other Matters Based On An Audit Of Financial Statements Performed In
Accordance With *Government Auditing Standards*

Independent Auditor's Report

Board of Commissioners
Conejos County Housing Authority
109 Raymond Griffith Rd
LaJara, Colorado 41649

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Conejos County Housing Authority, as of and for the year ended March 31, 2020, and the related notes to the financial statements, which collectively comprise the Conejos County Housing Authority's basic financial statements and have issued my report thereon dated August 20, 2020.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Conejos County Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Conejos County Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of the Conejos County Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Conejos County Housing Authority's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly,

I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose Of This Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
