Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying statement of student aid program allocations, expenditures, and reversions of the State of Colorado State-Funded Assistance Programs (the Statement) of Aims Community College (the College) for the year ended June 30, 2022, and the related notes.

In our opinion, the statement referred to above presents fairly, in all material respects, the student aid allocations, expenditures, and reversions of the State of Colorado State-Funded Student Assistance Programs of the Aims Community College for the year ended June 30, 2022, in accordance with the format set forth in the *2021-2022 Audit Guide, Colorado-Funded Student Aid* issued by the Department of Higher Education (DHE) and in conformity with the policies and procedures for State-Funded Student Financial Assistance Programs established by the Board of Trustees of the College, as described in Note 1 to the Statement.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the College and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Statement

Management is responsible for the preparation and fair presentation of the Statement. The Statement was prepared in accordance with the format set forth in the *2021-2022 Audit Guide, Colorado-Funded Student Aid* issued by the DHE and in conformity with the policies and procedures for State-Funded Student Financial Assistance Programs established by the Board of Trustees of the College; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the statement.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Basis of Accounting

We draw your attention to Note 2 of the Statement, which describes the basis of accounting. The Statement is a summary of cash activity of the state-funded financial assistance programs with the exception of the Colorado Work-Study program, and it does not present certain transactions that would be included in the statement of the state-funded student assistance programs if it was presented on the accrual basis of accounting, as prescribed by U.S. generally accepted accounting principles. Accordingly, the accompanying statement is not intended to, and does not present the financial position, changes in financial position or cash flows of the College in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Restriction on Use

This report is intended solely for the information and use the Board of Trustees, management, the Colorado Department of Higher Education, and the Colorado Office of the State Auditor, and is not intended to be and should not be used by anyone other than these specified parties.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 20, 2023, on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control over financial reporting and compliance.

NOTES TO STATEMENT OF ALLOCATIONS, EXPENDITURES, AND REVERSIONS
FOR THE YEAR ENDED JUNE 30, 2022

(1) Basis of Presentation

The Aims Community College (the College) is governed by the College's Board of Trustees. The accompanying statement of student aid program allocations, expenditures, and reversions of state-funded student financial assistance programs (the Statement) has been prepared in accordance with the format set forth in the 2021-2022 *Audit Guide, Colorado-Funded Student Aid* issued by the Department of Higher Education (DHE) and in conformity with the policies and procedures for State-Funded Student Financial Assistance Programs established by the Board of Trustees of the College. The purpose of the Statement is to present the state-funded student financial assistance activities for the year ended June 30, 2022.

Because the Statement presents only a selected portion of the activities of the College, it is not intended to and does not present either the financial position or changes in financial position of the College in conformity with U.S. generally accepted accounting principles.

(2) Basis of Accounting

All state-funded student financial assistance is expensed on a cash basis, except for the Colorado Work-Study program. Colorado Work-Study wages are recorded on the accrual basis recognizing expenses when the services are performed.

BASED ON AN AUDIT OF THE STATEMENT OF STUDENT AID PROGRAM
ALLOCATIONS, EXPENDITURES, AND REVERSIONS OF THE STATE OF COLORADO
STATE-FUNDED STUDENT ASSISTANCE PROGRAMS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Trustees
Aims Community College
Greeley, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of student aid program allocations, expenditures and reversions of the State of Colorado State-Funded Assistance Programs (the Statement) of Aims Community College (the College), for the year ended June 30, 2022, and the related notes to the Statement, and have issued our report thereon dated May 20, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the Statement, we considered the College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Statement, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's Statement will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's Statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
