## INDEPENDENT AUDITORS' REPORT

Board of Commissioners  
Rocky Ford Housing Authority

### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities and each major fund of the Rocky Ford Housing Authority, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Rocky Ford Housing Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and each major fund of the Rocky Ford Housing Authority, as of December 31, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Rocky Ford Housing Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rocky Ford Housing Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Rocky Ford Housing Authority's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Rocky Ford Housing Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Rocky Ford Housing Authority's basic financial statements. The accompanying individual major fund financial statements and financial data schedule, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the individual major fund financial statements and the financial data schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2023, on our consideration of the Rocky Ford Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Rocky Ford Housing Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Rocky Ford Housing Authority's internal control over financial reporting and compliance.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

ROCKY FORD HOUSING AUTHORITY  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
YEAR ENDED DECEMBER 31, 2022

The following is a narrative overview and analysis of Rocky Ford Housing Authority's (the "Authority") financial activities for the year ended December 31, 2022. Please read it in conjunction with the Authority's financial statements.

#### FINANCIAL HIGHLIGHTS

- Total net position decreased by \$96,026 from the prior year due to the decrease in operating revenues compared to the prior year and an increase in operating expenses compared to the prior year.
- The assets of the Authority exceeded liabilities at December 31, 2022 by \$859,614 (net position). Of this amount, \$506,736 (unrestricted net position) may be used to meet ongoing obligation, \$4,682 is restricted for future expenses, and \$348,196 is the net investment in capital assets.
- Net capital assets decreased due to current year depreciation. No additions or disposals were noted in 2022. As of December 31, 2022, net capital assets were \$348,196 a decrease of \$46,353 from the prior year.
- Total liabilities increased by \$15,623 from the prior year due to the increase in accounts payable.
- Operating revenues decreased by \$21,643 in comparison to the prior year due to a decrease in non-subsidized and subsidized rent payments.
- Operating expenses increased by \$104,083 in comparison to the prior year. An increase in salary and utilities contributed to the variance.
- Non-operating revenues, net of non-operating expenses, decreased by \$1,961. This decrease is due to the decrease in miscellaneous income.

#### OVERVIEW OF THE BASIC FINANCIAL STATEMENTS

The statement of net position presents the Authority's total assets and total liabilities at the end of the year. The difference between the two is reported as net position, which represents the Authority's ownership interest, or net worth, in its total assets as opposed to the creditor's interest (total liabilities). Over time, increases or decreases in net position is a useful indicator as to whether the Authority's financial health is improving or deteriorating.

The statement of activities shows how the Authority's net position changed during the calendar year. All changes in the net position are reported on the accrual basis of accounting, which reports the event as it occurs, rather than when the cash changes hands (cash basis of accounting).

The statement of cash flows reports how the Authority's cash, cash equivalents and restricted cash increased or decreased during the year. The statement shows how cash, cash equivalents and restricted cash were provided by and used in the Authority's operating, non-capital financing, capital and related financing, and investing activities. The net increase or decrease in the Authority's cash, cash equivalents and restricted cash is added to or subtracted from the balance at the beginning of the year to arrive at the cash, cash equivalents and restricted cash balance at the end of the year. These statements are presented on a cash basis and only present cash receipts and cash disbursement information.

The notes to the financial statements are an integral part of the financial statements, disclosing information which is essential to a full understanding of the statements.

#### FINANCIAL ANALYSIS

The financial statements are presented in accordance with GASB Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*. The current year financial statements reflect that the Authority has incurred an operating income in providing essential services. In 2022, the net position decreased by \$96,026 and in 2021 the net position increased by \$31,661 due to normal operating and non-operating activities. Below is a summary of changes in assets and liabilities and net position.

FINANCIAL ANALYSIS (Continued)

Summary of Net Position:

	<u>2022</u>	<u>2021</u>
Current Assets	\$ 560,635	\$ 593,650

Unrestricted	<u>506,736</u>	<u>557,686</u>
Total Net Position	<u>859,614</u>	<u>955,640</u>
Total Liabilities & Net Position	<u>\$ 937,979</u>	<u>\$ 1,018,382</u>

The Authority's total assets exceeded total liabilities by \$859,614 as of December 31, 2022 compared to \$955,640 as of December 31, 2021. Of this amount \$348,196 is the net investment in capital assets, \$4,682 is restricted for future expenses and 506,736 is unrestricted and may be used to meet ongoing obligations.

The Authority's decrease in total assets of \$80,403 and increase in total liabilities of \$15,623 resulted in a net position decrease of \$96,026, for the year ended December 31, 2022. The increase in assets and increase in liabilities was caused by normal operations.

Summary of Activities:

	<u>2022</u>	<u>2021</u>

Net Position January 1	<u>955,640</u>	<u>923,979</u>
Net Position December 31	<u>\$ 859,614</u>	<u>\$ 955,640</u>

The operating revenues decreased by \$21,643 compared to 2021. The decrease is primarily due to a decrease in non-subsidized and subsidized rent payments received.

The operating expenses increased by \$104,083 compared to 2021. This is primarily due to an increase in salary expense and utilities expense.

## FINANCIAL ANALYSIS (Continued)

The non-operating revenues (expenses) consists of interest earned on the cash equivalents as well as cable TV, laundry and other miscellaneous revenues.

### Summary of Cash Flows:

	<u>2022</u>	<u>2021</u>

## **NOTES TO FINANCIAL STATEMENTS**

ROCKY FORD HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE -1 NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Rocky Ford Housing Authority (the "Authority") provides low-income housing to farm laborers, rural inhabitants and the elderly in the Rocky Ford, Colorado area. Approximately 70% of the tenants receive assistance payments from the federal government for the difference in the fair market value of the rentals and their individual income levels.

Accounting Policies

The accounting policies of the Rocky Ford Housing Authority conform to governmental accounting principles generally accepted in the United States.

The Authority is accounted for as an enterprise fund. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through users charges; or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, management control, accountability, or other purposes. Enterprise funds are accounted for using accrual basis of accounting; revenues are recognized when earned, and expenses are recognized when incurred. The enterprise fund distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the Authority's enterprise fund is charges to tenants and government subsidized rent. Operating expenses for the enterprise fund include the cost of rent and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Program revenues consist of government subsidized rent from the Section 8 Housing Choice Vouchers Program and the Section 8 Housing Assistance Payments Program.

The Authority does not have any indirect expenses. Direct expenses are those that are clearly identifiable with a specific function or segment.

Reporting Entity

The Rocky Ford Housing Authority is governed by a five-member board affirmed by the council of the City of Rocky Ford. The Authority provides housing to certain qualified residents and is principally funded through Federal grants and rental charges. Because these appointments are administrative in nature and control over the organization is at the Federal Government level, the Authority is treated as a related organization of the City of Rocky Ford rather than a component unit. Currently no component units have been included in the Authority's reporting entity because of a lack of operational relationships or financial accountability to the Authority.

Budgets

The Rocky Ford Housing Authority is not legally required to adopt budgets nor are there legal requirements to hold public hearings. However, the Authority adopts budgets for administrative controls. The budgets are not compatible with the GAAP financial presentation included in this report. Therefore, the budgetary data is not included in the financial statements. All annual appropriations lapse at fiscal year-end. The Authority does not use encumbrance accounting procedures.

Cash and Cash Equivalents

The Authority's cash and cash equivalents are represented by cash on hand as well as demand deposits and certificate of deposits held in banks. For purposes of the statement of cash flows, the Authority considers all certificates of deposit to be cash equivalents.

Restricted Cash

Restricted cash accounts are maintained to account for resources to repay tenant security deposits and to account for overfunded Housing Assistance Payments, if applicable.

ROCKY FORD HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE -1 NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Inventory

The inventory of appliances and supplies is reported at cost, using the first-in, first-out method.

Property and Equipment

Property and equipment are stated at cost. Depreciation is determined using the straight-line method based on the estimated useful lives of three to twenty-five years for equipment and fifty years for buildings. The capitalization limit is \$5,000.

Expenditures for maintenance and repairs are charged to expenses as incurred; expenditures for renewals and betterments are generally capitalized. Gains or losses due to disposal are charged or credited to income.

Net Position

In the proprietary financial statements, net position is classified in the following categories:

Net investment in capital assets – This amount consists of capital assets, net of accumulated depreciation, reduced by outstanding debt, if applicable, attributed to the acquisition, construction, or improvement of those assets.

Restricted net position – This amount is restricted by external creditors, grantors, contributors, laws or regulations of other governments.

Unrestricted net position – This amount is all net position that do not meet the definition of “net investment in capital assets” or “restricted net position”

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE -2 DEPOSITS

The Colorado Public Deposit Protection Act, (PDPA) requires that all units of local government deposit cash in eligible public depositories; eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool is to be maintained by another institution or held in trust for all the uninsured public deposits as a group. The market value of the collateral must be at least equal to 102% of the uninsured deposits.

Custodial credit risk is that in the event of a bank failure, the Authority’s deposits may not be returned to it. The Authority does not have a deposit policy for custodial credit risk. The following discloses the credit risk of the Authority.

At December 31, 2022, the Rocky Ford Housing Authority cash deposits had a bank balance of \$571,125 and a corresponding carrying balance as follows:

Insured deposits (FDIC)	\$ 336,619
Uninsured, Collateralized under PDPA	<u>225,338</u>
Total	<u>\$ 561,957</u>

The following is a reconciliation of cash, cash equivalents, and restricted cash reported within the statement of net position that sum to the total of the same such amounts shown in the statement of cash flows:

Cash	\$ 532,809
Restricted cash	<u>29,148</u>
Total	<u>\$ 561,957</u>

NOTE -3 PROPERTY AND EQUIPMENT

A summary of property and equipment at December 31, 2022, is as follows:

	<u>BEGINNING BALANCE</u>	<u>INCREASES</u>	<u>DECREASES</u>	<u>ENDING BALANCE</u>
Business-Type Activities:				
Capital assets, not being depreciated				
Land	\$ 159,200	\$ -	\$ -	\$ 159,200

Less accumulated depreciation for buildings & equipment	<u>(2,415,759)</u>	<u>(46,354)</u>	<u>-</u>	<u>(2,462,113)</u>
TOTAL	<u>\$ 394,550</u>	<u>\$ (46,354)</u>	<u>\$ -</u>	<u>\$ 348,196</u>

For the year ending December 31, 2022, the total amount of depreciation charged to expense was \$46,354.

NOTE -4 CONTINGENT LIABILITIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures or claims which may be disallowed by the grantor cannot be determined at this time although the Rocky Ford Housing Authority expects such amounts, if any, to be immaterial.

NOTE -5 RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority manages its risk by purchasing commercial insurance for all risks of loss, including health insurance for its employees. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE -6 GENERAL INFORMATION

In November 1992, the voters of the State of Colorado approved an amendment to the State's constitution limiting the amount of revenue, which may be spent or retained by Colorado governmental entities. The amendment is in effect for most governments for years beginning after 1992, but exempts "enterprise" funds and activities from the limitations. The Board of Commissioners of the Authority believes that it is exempt from the provisions of TABOR because it qualifies as an "enterprise" (a business operation able to issue its own revenue bonds and receiving less than 10% of its revenues from state and local government grants) as defined by in the constitutional amendment.

Additionally, the Board believes that it is not subject to the provisions of TABOR because the governing board is not an elected board, does not have an electoral constituency, and does not have the power to impose taxes, all basic operational requirements of TABOR.

ROCKY FORD HOUSING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE -7 INCOME TAXES

The Authority is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Authority's tax-exempt purpose is subject to taxation as unrelated business income.

The Authority adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Authority has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Authority believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Authority's financial condition, results of operations or cash flows. Accordingly, the Authority has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions as of December 31, 2022.

The Authority is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners  
Rocky Ford Housing Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and each major fund of Rocky Ford Housing Authority, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise Rocky Ford Housing Authority's basic financial statements, and have issued our report thereon dated March 9, 2023.

### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Rocky Ford Housing Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Rocky Ford Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of Rocky Ford Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Rocky Ford Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
