INDEPENDENT AUDITOR'S REPORT

Board of Directors
The Resource Exchange, Inc.

Opinion

We have audited the accompanying consolidated financial statements of The Resource Exchange, Inc. and Affiliate (the Center), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Center's 2022 consolidated financial statements, and our report dated March 31, 2023, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2, U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 1, 2024 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This description of The Resource Exchange, Inc.'s and Affiliate (the Center) nature of activities and summary of significant accounting policies is presented to assist in understanding the Center's consolidated financial statements.

1. *Summary of Business Activities*

The Resource Exchange, Inc., a Colorado nonprofit corporation, was incorporated under the laws of the State of Colorado in 1964 for the purpose of providing a community centered board to coordinate programs through local interagency cooperation, and to provide services to persons with developmental disabilities in El Paso, Park and Teller counties. The Center's revenue comes primarily from the State of Colorado for services provided. 6385 Corporate Drive, LLC (the LLC) was formed in 2017 to manage property.

2. *Principles of Consolidation*

The consolidated financial statements of the Center include its affiliate, 6385 Corporate Drive, LLC, a Colorado for-profit corporation. The LLC is an affiliate of the Center due to the fact that the Center is the sole member of the LLC. All material intercompany accounts and transactions have been eliminated.

3. *Description of Services Provided*

The major program services or supports and functional activities directly provided or purchased by the Center are:

Program Services or Supports

Comprehensive (Medicaid) refers to residential services, adult day services or supports and transportation activities as specified in the eligible person's Individualized Plan (IP). Included are a number of different types of residential settings, which provide an array of training, learning, experiential and support activities provided in residential living alternatives designed to meet individual needs. Additionally, adult day services provide opportunities for individuals to experience and actively participate in valued roles in the community. These services and supports enable individuals to access and participate in typical community activities such as work, recreation, and senior citizen activities. Finally, transportation activities refer to "Home to Day Program transportation" services relevant to an individual's work schedule as specified in the IP. For these purposes, "work schedule" is defined broadly to include adult and retirement activities such as education, training, community integration and employment.

Adult Supported Living (State and Medicaid) provides individualized living services for persons who are responsible for their own living arrangements in the community, or are living with family.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

3. *Description of Services Provided (Continued)*

Program Services or Supports (Continued)

Children’s Extensive Support is a deeming waiver (only the child’s income is considered in determining eligibility) intended to provide needed services and supports to eligible children under the age of eighteen years in order for the children to remain in or return to the family home. Waiver services are targeted to children having extensive support needs, which require constant line-of-sight supervision due to significantly challenging behaviors and/or coexisting medical conditions. Available services include personal assistance, household modification, specialized medical equipment and supplies, professional services and community connection services.

Early Intervention is for children from birth through age two which offer infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional development, and self-help skills; parent-child or family interaction; and early identification, screening and assessment services.

Family Support provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement, which is unwanted by the person or the family.

Case Management is the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to the IP or Prior Authorization Request (PAR), and the evaluation of results identified in the IP or PAR. The Center previously provided these services to persons with developmental disabilities (CCB case management). Effective July 1, 2020, the Center contracted with the State of Colorado to also provide these services through the Single Entry Point Waivers (SEP) for other eligible individuals in the area (SEP case management).

Supporting Services

Management and General includes those activities necessary for planning, coordination, and overall direction of the Center, financial administration, general board activities and other related activities indispensable to the Center’s corporate existence.

Property Management includes those activities necessary for managing operations and maintaining the corporate office.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

4. *Basis of Accounting*

Financial statements of the Center have been prepared on the accrual basis, whereby revenues are recorded when services are performed and expenses are recognized when incurred.

5. *Use of Estimates*

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

6. *Subsequent Events*

The Center has evaluated events and transactions occurring subsequent to the end of the fiscal year for potential recognition or disclosure through April 1, 2024, the date on which the financial statements were issued. Except as disclosed in Note M, the Center did not identify any events or transactions that would have a material impact on the financial statements.

7. *Cash and Cash Equivalents*

For purposes of the statement of cash flows, the Center considers cash to be cash on hand, cash on deposit and money market accounts, subject to immediate withdrawal, and considers cash equivalents to be certificates of deposit with an original maturity of three months or less. The Center maintains its cash balances in financial institutions located in Colorado Springs, Colorado, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

8. *Accounts Receivable*

The majority of the Center's accounts receivable are due from the State of Colorado. Accounts receivable are due according to contractual terms and are stated at the amount management expects to collect from outstanding balances. The Center determines its allowance for uncollectible receivables by considering a number of factors, including the length of time accounts receivable are past due and the Center's previous collection history. The Center writes off accounts receivable to bad debt expense when they become uncollectible. Payments subsequently received on such receivables, if any, are recorded as other revenue.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

9. *Investments*

The Center records its investments in equity securities with readily determinable fair values and all investments in debt securities at fair value in the statement of financial position as determined by quoted market prices. Unrealized gains and losses are reported in investment income. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

10. *Land, Building and Equipment*

Land, building, and equipment are reported at cost for purchased assets and at estimated fair value, at date of receipt, for donated property. Any asset valued in excess of \$2,499 with a life expectancy of more than one year is capitalized. Depreciation is provided on the straight-line method over the following estimated useful lives:

	<u>Years</u>
Administrative equipment	3 – 5
Program equipment	3 – 5
Building	25

11. *Leases*

The Center has adopted Accounting Standards Update (ASU) 2016-02, *Leases*, which was amended in some respects by subsequent ASUs (collectively, Accounting Standards Codification 842) (ASC 842) and supersedes existing lease guidance. The Standard requires the Center to record operating and financing lease assets and corresponding lease liabilities on the balance sheet and disclose key quantitative and qualitative information about lease contracts.

Under ASC 842, the Center determines if a contract is a leasing arrangement at inception. Operating lease assets represent the right to control the use of an identified asset for the lease term and lease liabilities represent the obligation to make lease payment arising from the lease. Operating and financing lease assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. The Center used the risk-free rate of return. The Center recognized operating lease expense for operating leases on a straight-line basis over the lease term.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

11. *Leases (Continued)*

The Center leases office space and equipment under noncancelable operating leases which may include renewal or termination options that are reasonably certain of exercise. Leases with an initial term of 12 months or less are not recorded on the balance sheet and are expensed on a straight-line basis. Lease and non-lease components are accounted for together as a single lease component for operating leases associated with office space and equipment leases.

12. *Revenue Recognition*

Revenue is reported at the amount that reflects the consideration to which the Center expects to be entitled in exchange for providing services. Program revenue consists primarily of funds received from the State of Colorado for Medicaid and other services, miscellaneous smaller grants and awards from federal, state, county and municipal sources. Billings for services are billed after the services are performed. As performance obligations are satisfied, revenue is recognized.

Performance obligations are determined based on the nature of the services provided. As performance obligations are satisfied over time, revenue is recognized based on when related services are performed. This method provides for the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligations. Revenue received in advance is deferred to the applicable period in which the related program services are performed and at which time will be recognized in the period in which the related services are performed. Transaction price is based on standard charges for services provided, which is set by the State of Colorado. Rent income is recognized in the month in which it is earned rather than received.

13. *Accounting for Contributions*

All contributions are considered to be without donor restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as increases in net assets with donor restrictions. Unconditional promises to give, which do not state a due date, are presumed to be time-restricted by the donor until received and are reported as net assets with donor restrictions.

A donor restriction expires when a stipulated time restriction ends, when an unconditional promise with an implied time restriction is collected, or when a purpose restriction is accomplished. Upon expiration, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions. Restricted contributions received in the same year in which the restrictions are met are recorded as increases in net assets without donor restrictions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

14. *Income Taxes*

The Center is operated as a nonprofit organization exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. The Center recognizes tax liabilities when, despite the Center's belief that its tax return positions are supportable, the Center believes that certain positions may not be fully sustained upon review by tax authorities. Benefits from tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement. The Center has recorded no estimated tax payment as of June 30, 2023. The Center is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Center believes it is no longer subject to income tax examinations for the years prior to the year ended June 30, 2020.

15. *Functional Allocation of Expenses*

The costs of supporting various programs and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Certain costs have been allocated to program and management and general based on estimates of time and effort, full-time equivalents, square footage of space, and other methods.

16. *Fair Value Measurements*

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy has been established under accepted accounting principles, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities and mutual funds that are traded in an active exchange market.

Level 2 – Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted market prices that are traded less frequently than exchange-traded instruments. This category generally includes certain U.S. Government agency debt securities, corporate-debt securities and certificates of deposit.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities. Level 3 assets and liabilities include

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

16. *Fair Value Measurements (Continued)*

financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset. The disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed. Management recognizes transfers between fair value hierarchy levels at the time of fair value measurement.

17. *Prior Year Summarized Information and Reclassifications*

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Center's financial statements as of and for the year ended June 30, 2022, from which the summarized information was derived. Certain financial information as of and for the year ended June 30, 2022 has been reclassified to conform with the presentation for the current year.

NOTE B – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 1,159,269
Investments	573,533
Accounts receivable	<u>4,442,438</u>
Total financial assets	6,175,240
Less financial assets held to meet donor-imposed restrictions:	
Purpose-restricted net assets (Note H)	<u>(58,194)</u>
Amount available for general expenditures within one year	\$ <u>6,117,046</u>

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE B – LIQUIDITY AND AVAILABILITY (CONTINUED)

As a part of the Center’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Center has a committed line of credit in the amount of \$400,000 and the LLC has a committed line of credit in the amount of \$750,000 which they could draw upon. See Note F for details on the lines of credit.

NOTE C – INVESTMENTS AT FAIR VALUE

The Center’s investments are based on quoted market prices in an active market or pricing model and are considered a Level 1 asset.

The following table presents the Center’s fair value hierarchy for those assets measured at fair value as of June 30, 2023:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Financial assets:				
Mutual funds - Equity	\$ 268,142	\$ 268,142	\$ -	\$ -
Mutual funds - Fixed	241,554	241,554	-	-
ETFs - Fixed	<u>63,837</u>	<u>63,837</u>	-	-
	<u>\$ 573,533</u>	<u>\$ 573,533</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE D – LAND, BUILDING AND EQUIPMENT

Land, building and equipment consist of the following at June 30, 2023:

Building & tenant improvements	\$ 10,568,341
Administrative equipment	328,826
Program equipment	<u>210,118</u>
	11,107,285
Less accumulated depreciation	<u>3,094,369</u>
	8,012,916
Land	<u>675,690</u>
	<u>\$ 8,688,606</u>

Depreciation expense was \$509,092 for the year ended June 30, 2023.

NOTE E – DEFERRED REVENUE

Deferred revenue as of June 30, 2023 consists unspent single entry point funds from the State of Colorado of \$602,347.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE F – LINE OF CREDIT

The Center had a revolving line of credit from a financial institution with a limit of \$400,000, which matured on September 30, 2022 and was extended with no change in terms through December 30, 2022. The outstanding balance as of June 30, 2023 was \$0. The interest rate to be charged on utilization of this line will be the Wall Street Journal Prime plus 1% adjusting daily (Prime was 4.75% at June 30, 2023). Interest is due monthly. The line of credit is collateralized by the investment account. The line of credit continues under assessment with the financial institution until a new agreement is finalized.

The LLC has a revolving line of credit from a financial institution dated December 12, 2018 and was extended on May 29, 2021 with a limit of \$750,000 and variable rate of 0.50% above the Wall Street Journal Prime Rate (Prime was 4.75% at June 30, 2023) with a floor of 4.25%. The line of credit matured on June 21 2022 and was extended with no change in terms through March 21, 2023. The line of credit continues under assessment with the financial institution until a new agreement is finalized. The line of credit is collateralized by real property. The outstanding balance as of June 30, 2023 was \$0.

Interest expense on the lines of credit for the year ended June 30, 2023, was \$0.

NOTE G – NOTES PAYABLE

Notes payable consist of the following at June 30, 2023:

4.94% rate note dated July 21, 2017, payments of principal and interest of \$34,434 are due monthly plus a balloon payment at maturity on July 21, 2027. Collateralized by the land and property held by the LLC and related rents. The note agreement contains covenants that require a minimum debt service coverage ratio annually of no less than 1.0 to 1.0 and audited financial statements to be issued not later than 180 days after year-end. The Center met the ratio covenants at June 30, 2023 and has obtained a waiver on submission of the audited financials through April 1, 2024.	\$ 5,099,527
Less current portion	<u>164,618</u>
	\$ <u>4,934,909</u>

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE G – NOTES PAYABLE (CONTINUED)

Interest expense for notes payable for the year ended June 30, 2023 was \$256,201. Future maturities under notes payable are as follows:

Year ending June 30,		
2024	\$	164,618
2025		173,665
2026		182,635
2027		191,278
2028		200,268
Thereafter		<u>4,187,063</u>
		5,099,527
Less current portion		<u>164,618</u>
	\$	<u><u>4,934,909</u></u>

NOTE H – NET ASSETS

Net investment in land, building and equipment is comprised of land, building and equipment less notes payable secured by land, building and equipment.

Net assets with donor restrictions consisted of the following purpose-restricted amounts as of June 30, 2023:

Early intervention	\$	48,692
Health integration		<u>9,502</u>
	\$	<u><u>58,194</u></u>

NOTE I – LEASES

Operating Leases

The Center has operating leases for real estate and equipment. The Center determines if an arrangement is a lease at the inception of a contract and recognizes operating lease expense on a straight-line basis over the lease term. Leases with an initial term of twelve months or less are not recorded on the consolidated statement of financial position and are expense on a straight-line basis. The Center has lease agreements which require payments for lease and nonlease components and has elected to account for these as a single lease component, with any variable elements being recorded as variable lease expense. One lease for real estate is subleased through June 30, 2023 with total rental income for the year-ended June 30, 2023 of \$24,000.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE I – LEASES (CONTINUED)

Operating Leases (Continued)

Operating expenses for the leasing activity of the Center as lessee for the year ended June 30, 2023 are as follows:

Operating lease costs	\$ 112,827
Short-term lease costs	<u>28,958</u>
Total lease expense	\$ <u>141,785</u>

Total lease expense was \$141,785 for the year ended June 30, 2023 and is included in occupancy and utilities and supplies, equipment, dues and subscriptions on the consolidated statement of functional expenses.

The aggregate future operating lease payments below summarize the remaining future undiscounted cash flows for operating lease liabilities reported on the consolidated statement of financial position:

Year ending June 30,	
2024	\$ 48,299
2025	<u>24,281</u>
Total lease payments	72,580
Less interest	<u>(7,434)</u>
Present value of lease liability	\$ <u>65,146</u>

Average operating lease terms and discount rate at June 30, 2023 were as follows:

Weighted average remaining lease term (years)	1.79
Weighted average discount rate	5.00%

The following summarizes cash paid for operating lease liabilities and other non-cash information:

Cash paid for amounts included in the measurement of operating lease liability	\$ 29,001
Right of use assets obtained in exchange for operating lease obligations	\$ 34,335

Financing Leases

The Center has financing leases for equipment. The leases are non-cancelable and expire at various dates through 2026. Lease obligations are secured by the underlying equipment.

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE I – LEASES (CONTINUED)

Financing Leases (Continued)

The aggregate future financing lease payments below summarize the remaining future undiscounted cash flows for operating lease liabilities reported on the consolidated statement of financial position:

Year ending June 30,		
2024	\$	81,920
2025		40,206
2026		<u>20,148</u>
Total lease payments		142,274
Less interest		<u>(4,402)</u>
Present value of lease liability	\$	<u>137,872</u>

Average financing lease terms and discount rate at June 30, 2023 were as follows:

Weighted average remaining lease term (years)	1.49
Weighted average discount rate	5.00%

The following summarizes cash paid for operating lease liabilities and other non-cash information:

Cash paid for amounts included in the measurement of financing lease liability	\$ 64,008
Right of use assets obtained in exchange for financing lease obligations	\$ 76,586

Tenant Leases

The Center currently leases office space to various tenants under operating lease arrangements which expire at various dates through 2034. Rental income under the leases was \$278,973 for the year ended June 30, 2023. For the year ended June 30, 2023, \$226,377 of the total rental receipts was from one tenant.

Future minimum rental receipts at June 30, 2023 are as follows:

Year ending June 30,		
2024	\$	356,141
2025		417,808
2026		430,377
2027		407,250
2028		418,984
Thereafter		<u>816,877</u>
	\$	<u>2,847,437</u>

The Resource Exchange, Inc. and Affiliate
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2023

NOTE J – FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated included salaries and benefits, depreciation, insurance, utilities, postage, communications, rental of office space and equipment, depreciation, and interest which are allocated on the basis of usage studies, square footage and other methods.

NOTE K – RETIREMENT PLAN

In March 1999, the Board of Directors adopted a 401(k) retirement plan covering all employees who are 21 years of age or older and have three months of service with the Center. The amount of cost recognized for the plan for the year ended June 30, 2023 was \$228,679.

NOTE L – RELATED PARTY TRANSACTIONS

The Center receives a substantial amount of revenue from the State of Colorado. As of June 30, 2023, the Center has receivables from the State of Colorado is \$4,185,914. The Center has a payable to the State of Colorado in the amount of \$54,880, which is recorded in accounts payable and deferred revenue of \$602,347. These transactions are considered to be transactions with a related party by virtue of significant management influence exercised by the State of Colorado through contract provisions.

NOTE M – SUBSEQUENT EVENTS

In order for the State of Colorado to be in compliance with Federal Conflict Free Case Management requirements, the State opened a Request for Proposal (RFP) process for all Case Management services in each of the 20 Designated Service Areas. The Center responded to the State's Case Management Agency RFP and was notified on June 12th, 2023 that the Center had been given the Intent to Award as of November 1st, 2023 for El Paso, Park and Teller Counties, Designated Service Area 11. Subsequently on July 21st, 2023, the Center was given the Intent to Award as of March 1st, 2024, for Pueblo County, Designated Service Area 12. The Center will also continue to be the Community Centered Board (CCB) for individuals with intellectual/developmental disabilities in El Paso, Park and Teller Counties and will become the CCB for Pueblo County, as of March 1st, 2024. The Center did not historically provide program services, so was already in compliance with the Federal requirements to be conflict free.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
The Resource Exchange, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of The Resource Exchange, Inc. and Affiliate (the Center), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 1, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control

that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Logan, Thomas + Johnson, LLC

Castle Rock, Colorado

April 1, 2024

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
The Resource Exchange, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited The Resource Exchange, Inc. and Affiliate's (the Center) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Center's major federal program for the year ended June 30, 2023. The Center's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Center's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Center's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Center's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Center's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Center's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Center's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing

their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE A – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of The Resource Exchange, Inc. and Affiliate under programs of the federal government for the year ended June 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of The Resource Exchange, Inc. and Affiliate, it is not intended to and does not present the consolidated financial position, changes in net assets, or cash flows of The Resource Exchange, Inc. and Affiliate.
