INDEPENDENT AUDITOR'S REPORT

Board of Directors
Housing Authority of the City of Alamosa, Colorado

Opinions

We have audited the accompanying financial statements of the Housing Authority of the City of Alamosa, Colorado as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Alamosa, Colorado's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Housing Authority of the City of Alamosa, Colorado as of March 31, 2023, and the respective changes in financial position and, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of the City of Alamosa, Colorado and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Alamosa, Colorado's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures of the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Alamosa, Colorado's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Housing Authority of the City of Alamosa, Colorado's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, Schedule of the Authority's Proportionate Share of the Net Pension Liability – PERA, Schedule of Pension Contributions – PERA, Schedule of the Authority's Proportionate Share of the Net Pension Liability – OPEB, Schedule of Pension Contributions – OPEB, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Housing Authority of the City of Alamosa, Colorado's basic financial statements. The Financial Data Schedules, and Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedules, and Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 13, 2023 on our consideration of the Housing Authority of the City of Alamosa, Colorado's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Housing Authority of the City of Alamosa, Colorado's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the City of Alamosa, Colorado's internal control over financial reporting and compliance.

Management Discussion and Analysis

Management Discussion and Analysis

As management of the Housing Authority of the City of Alamosa, Colorado (Authority), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2023.

This discussion and analysis is intended to serve as an introduction to the Authority's basic financial statement. The Authority's financial statements comprise two components: 1) financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Financial Statements The financial statements are designed to provide readers with a broad overview of the Authority's finances in a manner similar to a private-sector business.

The statement of net position presents information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The statement of activities presents information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as an underlying event giving rise to the change occurs, regardless of the time of related cash flows.

Fund Financial Statements A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Authority consists of one proprietary enterprise fund containing housing and grant programs which are described in Note 1 to Financial Statements.

Notes to the Financial Statements The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statement begin on page 9.

Financial Analysis

As noted, net position may, over time serve as a useful indicator of the Authority's financial position. Assets exceeded liabilities by \$5,976,073 at the close of the most recent fiscal year.

The largest portion of the Authority's net position reflects its net investment in capital assets (e.g. land, building, machinery and equipment), less any related outstanding debt used to acquire those assets. The Authority uses these capital assets to provide affordable low rent housing to its tenants, these assets are not available for future spending. Although the Authority's investment in its capital assets are reported net of related debt, it should be noted that resources to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Condensed Statement of Net Position

	2023	2022	Increase (Decrease) CY vs. PY
ASSETS			
Cash and equivalents	\$ 2,879,104	\$ 2,140,817	\$ 738,287
Other current assets	743,848	718,538	25,310

	<u>180,940</u>	<u>25,082</u>	<u>155,858</u>
LIABILITIES			
Current liabilities	202,399	208,999	(6,600)
Long term liabilities	430,396	28,826	401,570
Total liabilities	<u>632,795</u>	<u>237,825</u>	<u>394,970</u>
DEFERRED INFLOWS OF RESOURCES			
	<u>28,866</u>	<u>355,631</u>	<u>(326,765)</u>
NET POSITION			
Net investment in capital assets	2,833,842	2,942,086	(108,244)
Restricted	-	36,870	(36,870)
Unrestricted	3,142,231	2,290,981	851,250
Total Net Position	<u>\$ 5,976,073</u>	<u>\$ 5,269,937</u>	<u>\$ 706,136</u>

Condensed Statement of Activities is presented in the following table:

	2023	2022	Increase (Decrease) CY vs. PY
Revenue:			
Operating Revenue	\$ 765,028	\$ 699,585	\$ 65,443
Grants	1,176,501	1,107,423	69,078
Interest Income	10,124	9,581	543
Total Revenue	<u>1,951,653</u>	<u>1,816,589</u>	<u>135,064</u>
Expenses:			
Operating Expenses	<u>1,245,517</u>	<u>1,168,362</u>	<u>77,155</u>
Total Expenses	<u>1,245,517</u>	<u>1,168,362</u>	<u>77,155</u>
Change in Net Position	706,136	648,227	57,909
Net Position-Beginning	5,269,937	4,621,710	648,227
Net Position-Ending	<u>\$ 5,976,073</u>	<u>\$ 5,269,937</u>	<u>\$ 706,136</u>

As of the current fiscal year, as well as in the previous fiscal year, the Authority is able to report a positive balance in the net position. Current and other assets are increased due to an increase in cash. Long term liabilities increased due to the changes in pension liabilities. Operating revenues increased in 2023 due to an increase in rental income. Operating expenses increased due to a change in various operating costs and non-cash pension items.

Condensed Statement of Cash Flows is presented in the following table:

	<u>2023</u>	<u>2022</u>
Cash from (for) Operating Activities	\$ (264,722)	\$ (308,819)
Cash from Non Capital Financing Activities	720,120	687,168
Cash from (for) Capital and Related Financing Activities	280,522	(44,385)
Cash from (for) Investing Activities	<u>2,367</u>	<u>1,996</u>
Increase (Decrease)	738,287	335,960
Cash and Cash Equivalents, Beginning of Year	2,140,817	1,804,857
Cash and Cash Equivalents, End of Year	<u>\$ 2,879,104</u>	<u>\$ 2,140,817</u>

Capital Asset and Debt Administration

Capital Assets. The Authority's investment in capital assets as of March 31, 2023, amounts to \$2,833,842 (net of accumulated depreciation). This investment in capital assets includes land, building and improvements, machinery and equipment. The Authority's capital expenditure during the fiscal year were \$164,533 relating to the upgrades to the facilities. The capital purchases were partially funded by HUD capital grants. The Authority disposed of \$19,950 of fully depreciated capital assets during the year. The remaining activity related to capital assets were the normal additions of assets and depreciation. Additional information on capital assets can be found in note 4 to the accompanying financial statements.

Long Term Debt

At the end of the year, the Authority had no long-term debt

Economic Factors and Next Year's Revenue

The Authority does not receive any revenue from taxes. The Authority's rental rates have not changed in fiscal year 2023. The Authority expects that subsidy will not increase in 2023.

Request for Information

This financial report is designed to provide an overview of the Authority's finances for all interested parties. Questions concerning any of the information provided in this report, or requests for additional information should be addressed to The Housing Authority of the City of Alamosa, Colorado, 213 Murphy Drive, Alamosa, CO 81101.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements
March 31, 2023

Note 1 Summary of Significant Accounting Policies

The Housing Authority of the City of Alamosa, Colorado (the Authority) was established by the City of Alamosa, Colorado in order to administer the public housing programs subsidized by the Federal Government through the U.S. Department of Housing and Urban Development (HUD). The Authority provides 199 units of housing under the program. The Authority is operated by a Board of Commissioners. The accounting policies of the Authority conform to Generally Accepted Accounting Principles (GAAP) as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The Authority follows all pronouncements issued by GASB. The more significant of the Authority's policies are described below.

Financial Reporting Entity

The Authority follows GASB Statement No. 14 which provides guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of governmental organizations elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency. Based upon the application of these criteria, no entities will be included in the Authority's reporting entity. The Housing Authority of the City of Alamosa, Colorado is not a component unit of any other entities.

Basis of Accounting

Enterprise fund accounting is utilized by the Authority in accordance with accounting principles generally accepted in the United States of America. Enterprise funds are accounted for using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recorded when incurred. Depreciation is computed and recorded as an operating expense. Expenditures for capital outlay are recognized as increases in capital assets. Retirement of bonds is recorded as a reduction of liabilities.

Enterprise funds are used to account for those operations that are financed and operated in a manner similar to private business or where the Board has decided that the determination of revenues earned, cost incurred and/or net income is necessary for management accountability. All assets, deferred inflows, liabilities, deferred outflows associated with the operation of the Authority are included in the statement of net position.

The Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority's enterprises fund is charges for providing low-income housing. Operating expenses for the enterprise fund include the cost of providing low-income housing, administrative expenses and depreciation on capital assets. All other revenues and expenses are reported as non-operating revenues and expenses. The Authority presents its activities as a single enterprise proprietary fund.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 1 Summary of Significant Accounting Policies (Continued)

The Authority follows the provisions of Governmental Accounting Standards Board (GASB) Statement No. 34 *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments* as amended by Statement No. 61 *The Financial Reporting Entity: Omnibus—an amendment of GASB Statements No. 14 and No. 34* and Statement No. 63 *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. These statements establish standards for external financial reporting for all state and local governmental entities which includes a management’s discussion and analysis section; a statement of net position; a statement of revenues, expenses, and changes in net position; and a statement of cash flows. It requires the classification of net position into three components: net investment in capital assets; restricted; and unrestricted.

Assets, Liabilities and Net Position

Investments - Investments are recorded at fair value, which approximates cost.

Receivables - All receivables are reported at their book value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

Prepaid expenses – Prepaid balances are for payments made by the Authority in the current year for items to be consumed in subsequent years.

Capital assets - These consist of all property, plant and equipment. The Authority defines capital assets as assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost if purchased or estimated historical cost if donated.

Depreciation of all exhaustible capital assets is charged as expense against operations. Accumulated depreciation is reported on the balance sheets. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Buildings and improvements	10 - 40 years
Admin equipment	5 - 10 years
Operational equipment	3 - 10 years

Compensated Absences - Pursuant to its personnel policies, the Authority will compensate individual employment for unused vacation and 1/3 of sick leave accumulated upon their separation of employment. The Authority reports these potential payments as a liability for compensated absences.

Net Position – Equity is classified as net position and displayed in three components:

a. Net investment in capital assets – consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 1 Summary of Significant Accounting Policies (Continued)

Assets, Liabilities and Net Position (Continued)

b. Restricted net position – consists of net position with constraints placed on the use either by (1) external groups, such as creditors, grantors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

c. Unrestricted net position – all other net position that do not meet the definition of “restricted” or “net investment in capital assets.” These net positions are available for future operations or distributions. The Authority utilizes restricted net position before utilizing unrestricted net position when an expense is incurred for both purposes.

Cash Equivalents

For purposes of the statement of cash flows, cash equivalents are defined as investments (including restricted assets) with maturity of three months or less at date of acquisition. The Authority considers certificates of deposit with maturities of more than three months at date of purchase as investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Budgets and Budgetary Accounting

Budgets are adopted on a cash basis. Annual appropriated budgets are adopted for the fund. All annual appropriations lapse at fiscal year-end. The Authority adheres to the following procedures in establishing the budgetary data reflected in the financial statements:

- Budgets are required by state law for all funds. The budget includes proposed expenditures and the means of financing them. All budgets lapse at year-end.
- Prior to March 31, the budget is adopted by formal resolution.
- Budgets are required to be filed with the State of Colorado within thirty days after the beginning of the fiscal year.
- Expenditures may not legally exceed appropriations at the fund level.
- The Authority Board must approve revisions that alter the total expenditures of any fund.
- Budgeted amounts reported in the accompanying financial statements are as originally adopted by the Authority Board or revised by the Authority Board.

Note 2 Cash and Investments

Cash Deposits

As of March 31, 2023, the District’s cash deposits had a carrying balance of \$2,879,104 and a corresponding bank balance of \$2,905,758 of which \$250,000 was insured by the Federal Deposit Insurance Corporation, respectively.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 2 Cash and Investments (Continued)

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulations. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is specified under the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least equal to 102% of the uninsured deposits.

The Colorado Divisions of Banking and Financial Services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools. The Authority had \$2,655,758 collateralized under PDPA.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Authority’s deposits may not be returned to it. The Authority does not have a deposit policy for custodial credit risk. As of March 31, 2023, none of the Authority’s bank deposits were exposed to custodial credit risk.

Investments

Colorado statutes specify in which investment instruments the units of local government may invest:

- Obligations of the United States and certain United States government agency securities.
- Certain international agency securities.
- General obligation and revenue bonds of United States local government entities.
- Bankers’ acceptances of certain banks.
- Commercial paper.
- Local government investment pools.
- Written repurchase agreements collateralized by certain authorized securities.
- Certain money market funds.
- Guaranteed investment contracts.

The Authority does not have a formal investment policy.

As of March 31, 2023, the Authority had \$567,283 invested in certificates of deposit (CD’s) with various financial institutions carrying a maturity of 1-3 years from date of purchase. All CD’s were insured under the FDIC and are valued under amortized cost.

Note 3 Accounts Receivable

Accounts receivable balance at March 31, 2023, was comprised of the following:

Program	Tenants Receivable	Allowance for Bad Debt	Receivable Net of Allowance
Tenant receivables	\$ 4,077	\$ -	\$ 4,077
Total	<u>\$ 4,077</u>	<u>\$ -</u>	<u>\$ 4,077</u>

Note 5 Defined Benefit Pension Plan

Defined Benefit Pension Plan – Information about the plan

Plan description. Eligible employees of the the Authority are provided with pensions through the LGDTF—a cost-sharing multiple-employer defined benefit pension plan administered by PERA. Plan benefits are specified in Title 24, Article 51 of the Colorado Revised Statutes (C.R.S.), administrative rules set forth at 8 C.C.R. 1502-1, and applicable provisions of the federal Internal Revenue Code. Colorado State law provisions may be amended from time to time by the Colorado General Assembly. PERA issues a publicly available annual comprehensive financial report (ACFR) that can be obtained at www.copera.org/investments/pera-financial-reports.

Benefits provided as of December 31, 2022. PERA provides retirement, disability, and survivor benefits. Retirement benefits are determined by the amount of service credit earned and/or purchased, highest average salary, the benefit structure(s) under which the member retires, the benefit option selected at retirement, and age at retirement. Retirement eligibility is specified in tables set forth at C.R.S. § 24-51-602, 604, 1713, and 1714.

The lifetime retirement benefit for all eligible retiring employees under the PERA benefit structure is the greater of the:

- Highest average salary multiplied by 2.5% and then multiplied by years of service credit.
- The value of the retiring employee’s member contribution account plus a 100% match on eligible amounts as of the retirement date. This amount is then annuitized into a monthly benefit based on life expectancy and other actuarial factors.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

In all cases the service retirement benefit is limited to 100% of highest average salary and cannot exceed the maximum benefit allowed by federal Internal Revenue Code.

Members may elect to withdraw their member contribution accounts upon termination of employment with all PERA employers; waiving rights to any lifetime retirement benefits earned. If eligible, the member may receive a match of either 50% or 100% on eligible amounts depending on when contributions were remitted to PERA, the date employment was terminated, whether 5 years of service credit has been obtained and the benefit structure under which contributions were made.

Upon meeting certain criteria, benefit recipients who elect to receive a lifetime retirement benefit generally receive post-retirement cost-of-living adjustments, referred to as annual increases in the C.R.S. Subject to the automatic adjustment provision (AAP) under C.R.S. § 24-51-413, eligible benefit recipients under the PERA benefit structure who began membership before January 1, 2007, and all eligible benefit recipients of the DPS benefit structure will receive the maximum annual increase (AI) or AI cap of 1.00% unless adjusted by the AAP. Eligible benefit recipients under the PERA benefit structure who began membership on or after January 1, 2007, will receive the lesser of an annual increase of the 1.00% AI cap or the average increase of the Consumer Price Index for Urban Wage Earners and Clerical Workers for the prior calendar year, not to exceed a determined increase that would exhaust 10% of PERA's Annual Increase Reserve (AIR) for the LGDTF. The AAP may raise or lower the aforementioned AI cap by up to 0.25% based on the parameters specified in C.R.S. § 24-51-413.

Disability benefits are available for eligible employees once they reach five years of earned service credit and are determined to meet the definition of disability. For State Troopers whose disability is caused by an on- the-job injury, the five-year service requirement is waived and they are immediately eligible to apply for disability benefits. The disability benefit amount is based on the lifetime retirement benefit formula(s) shown above considering a minimum 20 years of service credit, if deemed disabled.

Survivor benefits are determined by several factors, which include the amount of earned service credit, highest average salary of the deceased, the benefit structure(s) under which service credit was obtained, and the qualified survivor(s) who will receive the benefits.

Contributions provisions as of March 31, 2023: Eligible employees of, Alamosa Housing Authority and the State are required to contribute to the LGDTF at a rate set by Colorado statute. The contribution requirements for the LGDTF are established under C.R.S. § 24-51-401, et seq. and § 24-51-413. Employee contribution rates for the period of April 1, 2022, through March 31, 2023 are summarized in the table below:

Housing Authority of the City of Alamosa, Colorado

Supplemental Amortization Equalization Disbursement (SAED) as specified in C.R.S. § 24-51-411	1.50%	1.50%	1.50%	1.50%
Defined Contribution Supplement as specified in C.R.S. § 24-51-415	0.03%	0.03%	0.06%	0.06%
Total employer contribution rate to the LGDTF	13.21%	13.71%	13.74%	13.74%

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

**Contribution rates for the LGDTF are expressed as a percentage of salary as defined in C.R.S. § 24-51-101(42).

Employer contributions are recognized by the LGDTF in the period in which the compensation becomes payable to the member and the Authority is statutorily committed to pay the contributions to the LGDTF. Employer contributions recognized by the LGDTF from the Authority were \$44,394 for the year ended March 31, 2023.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions.

The net pension liability for the LGDTF was measured as of December 31, 2022, and the total pension liability (TPL) used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2021. Standard update procedures were used to roll-forward the TPL to December 31, 2022. The Authority's proportion of the net pension liability was based on the Authority's contributions to the LGDTF for the calendar year 2022 relative to the total contributions of participating employers.

At March 31, 2023, the Authority reported a liability of \$403,862 for its proportionate share of the net pension liability. At December 31, 2022, the Authority's proportion was .0402829859%, which was -.0027205414% from its proportion measured as of December 31, 2021.

For the year ended March 31, 2023, the Authority recognized pension expense of \$40,310. At March 31, 2023 the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$164,876	\$2,013
Changes of assumptions or other inputs	0	0
Net difference between projected and actual earnings on pension plan investments	0	0
Changes in proportion and differences between contributions recognized and proportionate share of contributions	0	12,957
Contributions subsequent to the measurement date	11,758	N/A
Total	\$176,634	\$14,971

\$11,758 reported as deferred outflows of resources related to pensions, resulting from contributions subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended <Insert Employers Year-End plus one year>. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

March 31	
2024	\$(29,800)
2025	22,747
2026	60,352
2027	96,606
2028	0
Thereafter	0

Actuarial assumptions. The TPL in the December 31, 2021, actuarial valuation was determined using the following actuarial cost method, actuarial assumptions, and other inputs:

Actuarial cost method	Entry age
Price inflation	2.30%
Real wage growth	0.70%
Wage inflation	3.00%
Salary increases, including wage inflation:	
Members other than State Troopers	3.20%-11.30%
State Troopers	3.20%-12.40%
Long-term investment rate of return, net of pension plan	7.25%
investment expenses, including price inflation	
Discount rate	7.25%
Post-retirement benefit increases:	
PERA benefit structure hired prior to 1/1/07	1.00%
and DPS benefit structure (compounded annually)	
PERA benefit structure hired after 12/31/061	Financed by the AIR

1 Post-retirement benefit increases are provided by the AIR, accounted separately within each Division Trust Fund, and subject to moneys being available; therefore, liabilities related to increases for members of these benefit tiers can never exceed available assets.

The TPL for the LGDTF, as of the December 31, 2022, measurement date, was adjusted to reflect the disaffiliation, as allowable under C.R.S. § 24-51-313, of Tri-County Health Department (Tri-County Health), effective December 31, 2022. As of the close of the 2022 fiscal year, no

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

disaffiliation payment associated with Tri-County Health was received, and therefore no disaffiliation dollars were reflected in the FNP as of the December 31, 2022, measurement date.

The mortality tables described below are generational mortality tables developed on a benefit-weighted basis.

Pre-retirement mortality assumptions for members other than State Troopers were based upon the PubG-2010 Employee Table with generational projection using scale MP-2019.

Pre-retirement mortality assumptions for State Troopers were based upon the PubS-2010 Employee Table with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for members other than State Troopers were based upon the PubG-2010 Healthy Retiree Table, adjusted as follows:

- Males: 94% of the rates prior to age 80 and 90% of the rates for ages 80 and older, with generational projection using scale MP-2019.
- Females: 87% of the rates prior to age 80 and 107% of the rates for ages 80 and older, with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for State Troopers were based upon the unadjusted PubS-2010 Healthy Retiree Table, with generational projection using scale MP-2019.

Post-retirement non-disabled beneficiary mortality assumptions were based upon the Pub-2010 Contingent Survivor Table, adjusted as follows:

- Males: 97% of the rates for all ages, with generational projection using scale MP-2019.
- Females: 105% of the rates for all ages, with generational projection using scale MP-2019.

Disabled mortality assumptions for members other than State Troopers were based upon the PubNS-2010 Disabled Retiree Table using 99% of the rates for all ages with generational projection using scale MP-2019.

Disabled mortality assumptions for State Troopers were based upon the unadjusted PubS-2010 Disabled Retiree Table with generational projection using scale MP-2019.

The actuarial assumptions used in the December 31, 2021, valuation were based on the results of the 2020 experience analysis for the period January 1, 2016, through December 31, 2019, and were reviewed and adopted by the PERA Board at their November 20, 2020, meeting.

The long-term expected return on plan assets is reviewed as part of regular experience studies prepared at least every five years for PERA. The most recent analyses were outlined in the Experience Study report dated October 28, 2020.

Several factors are considered in evaluating the long-term rate of return assumption, including long-term historical data, estimates inherent in current market data, and a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected return, net of investment expense and inflation) were developed for each major asset class. These ranges were combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentages and then adding expected inflation.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

The PERA Board first adopted the 7.25% long-term expected rate of return as of November 18, 2016. Following an asset/liability study, the Board reaffirmed the assumed rate of return at the Board's November 15, 2019, meeting, to be effective January 1, 2020. As of the most recent reaffirmation of the long-term rate of return, the target asset allocation, and best estimates of geometric real rates of return for each major asset class are summarized in the table as follows:

Asset Class	Target Allocation	30 Year Expected Geometric Real Rate of Return
Global Equity	54.00%	5.60%
Fixed Income	23.00%	1.30%
Private Equity	8.50%	7.10%
Real Estate	8.50%	4.40%
Alternatives	6.00%	4.70%
Total	100.00%	

Note: In setting the long-term expected rate of return, projections employed to model future returns provide a range of expected long-term returns that, including expected inflation, ultimately support a long-term expected nominal rate of return assumption of 7.25%.

Discount rate. The discount rate used to measure the TPL was 7.25%. The projection of cash flows used to determine the discount rate applied the actuarial cost method and assumptions shown above. In addition, the following methods and assumptions were used in the projection of cash flows:

Total covered payroll for the initial projection year consists of the covered payroll of the active membership present on the valuation date and the covered payroll of future plan members assumed to be hired during the year. In subsequent projection years, total covered payroll was assumed to increase annually at a rate of 3.00%.

Employee contributions were assumed to be made at the member contribution rates in effect for each year, including the required adjustments resulting from the 2018 and 2020 AAP assessments. Employee contributions for future plan members were used to reduce the estimated amount of total service costs for future plan members.

Employer contributions were assumed to be made at rates equal to the fixed statutory rates specified in law for each year, including the required adjustments resulting from the 2018 and 2020 AAP assessments. Employer contributions also include current and estimated future AED and SAED, until the actuarial value funding ratio reaches 103%, at which point the AED and SAED will each drop 0.50% every year until they are zero. Additionally, estimated employer contributions reflect reductions for the funding of the AIR and retiree health care benefits. For future plan members, employer contributions were further reduced by the estimated amount of total service costs for future plan members not financed by their member contributions.

Employer contributions and the amount of total service costs for future plan members were based upon a process to estimate future actuarially determined contributions assuming an analogous future plan member growth rate.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

The AIR balance was excluded from the initial FNP, as, per statute, AIR amounts cannot be used to pay benefits until transferred to either the retirement benefits reserve or the survivor benefits reserve, as appropriate. AIR transfers to the FNP and the subsequent AIR benefit payments were estimated and included in the projections.

Benefit payments and contributions were assumed to be made at the middle of the year.

Based on the above assumptions and methods, the LGDTF's FNP was projected to be available to make all projected future benefit payments of current members. Therefore, the long-term expected rate of return of 7.25% on pension plan investments was applied to all periods of projected benefit payments to determine the TPL. The discount rate determination does not use the municipal bond index rate, and therefore, the discount rate is 7.25%. There was no change in the discount rate from the prior measurement date.

Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate. The following presents the proportionate share of the net pension liability calculated using the discount rate of 7.25%, as well as what the proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.25%) or one percentage point higher (8.25%) than the current rate:

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
Proportionate share of the net pension	\$677,983	\$403,862	\$174,378

Pension plan fiduciary net position. Detailed information about the LGDTF's FNP is available in PERA's ACFR which can be obtained at www.copera.org/investments/pera-financial-reports.

Payables to the pension plan

Defined Contribution Pension Plans

Voluntary Investment Program (PERAPlus 401(k) Plan)

Plan Description - Employees of the the Authority that are also members of the LGDTF may voluntarily contribute to the Voluntary Investment Program (PERAPlus 401(k) Plan), an Internal Revenue Code Section 401(k) defined contribution plan administered by PERA. Title 24, Article 51, Part 14 of the C.R.S., as amended, assigns the authority to establish the Plan provisions to the PERA Board of Trustees. PERA issues a publicly available ACFR which includes additional information on the PERAPlus 401(k) Plan. That report can be obtained at www.copera.org/investments/pera-financial-reports.

Funding Policy - The PERAPlus 401(k) Plan is funded by voluntary member contributions up to the maximum limits set by the Internal Revenue Service, as established under Title 24, Article 51, Section 1402 of the C.R.S., as amended. In addition, the Authority has agreed to match employee contributions up to 0% of covered salary as determined by the Internal Revenue Service. Employees are immediately vested in their own contributions, employer contributions and investment earnings. For the year ended March 31, 2023, program members contributed \$0 and the Authority recognized pension expense and a liability of \$0 and \$0, respectively, for the PERAPlus 401(k) Plan.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)

Note 5 Defined Benefit Pension Plan (Continued)
Defined Contribution Retirement Plan (PERA DC Plan)

Plan Description – Eligible employees of the LGDTF hired on or after January 1, 2019, have the option to participate in the LGDTF, a cost-sharing multiple-employer defined benefit pension plan, or the Defined Contribution Retirement Plan (PERA DC Plan).

The PERA DC Plan is an Internal Revenue Code Section 401(a) governmental profit-sharing defined contribution plan. Title 24, Article 51, Part 15 of the C.R.S., as amended, assigns the authority to establish Plan provisions to the PERA Board of Trustees. The PERA DC Plan is also included in PERA’s ACFR as referred to above.

Funding Policy – All participating employees in the PERA DC Plan and the the Authority are required to contribute a percentage of the participating employees’ PERA-includable salary to the PERA DC Plan. The employee and employer contribution rates for the period MMDDYYYY, through MMDDYYYY are summarized in the tables below:

	January 1, 2022 Through June 30, 2022	July 1, 2022 Through December 31, 2022	January 1, 2023 Through June 30, 2023	July 1, 2023 Through December 31, 2023
Employee Contribution Rates:				
All employees other than State Troopers	8.50%	9.00%	9.00%	9.00%
State Troopers	12.50%	13.00%	13.00%	13.00%
Employer Contribution Rates:				
On behalf of all employees other than State Troopers	10.00%	10.00%	10.00%	10.00%
State Troopers	12.85%	12.85%	12.85%	12.85%

**Contribution rates are expressed as a percentage of salary as defined in C.R.S. § 24-51-101(42).

Additionally, the employers are required to contribute AED, SAED, and other statutory amounts for employees other than State Troopers to the LGDTF, as follows:

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

	January 1, 2022 Through June 30, 2022	July 1, 2022 Through December 31, 2022	January 1, 2023 Through June 30, 2023	July 1, 2023 Through December 31, 2023
Amortization Equalization Disbursement (AED) as specified in C.R.S. § 24-51-411	2.20%	2.20%	2.20%	2.20%
Supplemental Amortization Equalization Disbursement (SAED) as specified in C.R.S. § 24-51-411	1.50%	1.50%	1.50%	1.50%
Automatic Adjustment Provision (AAP) as specified in C.R.S. § 24-51-413	0.50%	1.00%	1.00%	1.00%
Additional Contribution Supplement as specified in C.R.S. § 24-51-401 and § 24-51-415	0.03%	0.03%	0.06%	0.06%
Total employer contribution rate to the LGDTF	4.23%	4.73%	4.76%	4.76%

**Contribution rates are expressed as a percentage of salary as defined in C.R.S. § 24-51-101(42).

Contribution requirements are established under Title 24, Article 51, Section 1505 of the C.R.S., as amended. Participating employees of the PERA DC Plan are immediately vested in their own contributions and investment earnings and are immediately 50% vested in the amount of employer contributions made on their behalf. For each full year of participation, vesting of employer contributions increases by 10%. Forfeitures are used to pay expenses of the PERA DC Plan in accordance with PERA Rule 16.80 as adopted by the PERA Board of Trustees in accordance with Title 24, Article 51, Section 204 of the C.R.S. As a result, forfeitures do not reduce pension expense. Participating employees in the PERA DC Plan contributed \$0 and the Authority recognized pension expense and a liability of \$0, respectively, for the PERA DC Plan.

Deferred Compensation Plan (PERAPlus 457 Plan)

Plan Description - Employees of the the Authority may voluntarily contribute to the Deferred Compensation Plan (PERAPlus 457 Plan), an Internal Revenue Code Section 457 deferred compensation plan administered by PERA. Title 24, Article 51, Part 16 of the C.R.S., as amended, assigns the authority to establish the Plan provisions to the PERA Board of Trustees. PERA issues a publicly available ACFR which includes additional information on the PERAPlus 457 Plan. That report can be obtained at www.copera.org/investments/pera-financial-reports.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 5 Defined Benefit Pension Plan (Continued)

Funding Policy - The PERAPlus 457 Plan is funded by voluntary member contributions up to the maximum limits set by the Internal Revenue Service, as established under Title 24, Article 51, Section 1603 of the C.R.S., as amended. In addition, the the Authority has agreed to match employee contributions up to XX% of covered salary as determined by the Internal Revenue Service. Members are immediately vested in their own contributions, employer contributions and investment earnings. For the year ended March 31, 2023, program members contributed \$0 and the Authority recognized pension expense and a liability of \$0 and \$0, respectively, for the PERAPlus 457 Plan.

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan

Summary of Significant Accounting Policies

OPEB The Authority participates in the Health Care Trust Fund (HCTF), a cost-sharing multiple-employer defined benefit OPEB fund administered by the Public Employees' Retirement Association of Colorado ("PERA"). The net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, OPEB expense, information about the fiduciary net position (FNP) and additions to/deductions from the FNP of the HCTF have been determined using the economic resources measurement focus and the accrual basis of accounting. For this purpose, benefits paid on behalf of health care participants are recognized when due and/or payable in accordance with the benefit terms. Investments are reported at fair value.

General Information about the OPEB Plan

Plan description. Eligible employees of the Authority are provided with OPEB through the HCTF— a cost-sharing multiple-employer defined benefit OPEB plan administered by PERA. The HCTF is established under Title 24, Article 51, Part 12 of the Colorado Revised Statutes (C.R.S.), as amended, and sets forth a framework that grants authority to the PERA Board to contract, self-insure, and authorize disbursements necessary in order to carry out the purposes of the PERACare program, including the administration of the premium subsidies. Colorado State law provisions may be amended by the Colorado General Assembly. PERA issues a publicly available annual comprehensive financial report (ACFR) that can be obtained at www.copera.org/investments/pera-financial-reports.

Benefits provided. The HCTF provides a health care premium subsidy to eligible participating PERA benefit recipients and retirees who choose to enroll in one of the PERA health care plans, however, the subsidy is not available if only enrolled in the dental and/or vision plan(s). The health care premium subsidy is based upon the benefit structure under which the member retires and the member's years of service credit. For members who retire having service credit with employers in the Denver Public Schools (DPS) Division and one or more of the other four Divisions (State, School, Local Government and Judicial), the premium subsidy is allocated between the HCTF and the Denver Public Schools Health Care Trust Fund (DPS HCTF). The basis for the amount of the premium subsidy funded by each trust fund is the percentage of the member contribution account balance from each division as it relates to the total member contribution account balance from which the retirement benefit is paid.

C.R.S. § 24-51-1202 *et seq.* specifies the eligibility for enrollment in the health care plans offered by PERA and the amount of the premium subsidy. The law governing a benefit recipient's eligibility for the subsidy and the amount of the subsidy differs slightly depending under which benefit structure the benefits are calculated. All benefit recipients under the PERA benefit structure and all retirees under the DPS benefit structure are eligible for a premium subsidy, if enrolled in a

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

health care plan under PERACare. Upon the death of a DPS benefit structure retiree, no further subsidy is paid.

Enrollment in the PERACare health benefits program is voluntary and is available to benefit recipients and their eligible dependents, certain surviving spouses, and divorced spouses and guardians, among others. Eligible benefit recipients may enroll into the program upon retirement, upon the occurrence of certain life events, or on an annual basis during an open enrollment period.

PERA Benefit Structure

The maximum service-based premium subsidy is \$230 per month for benefit recipients who are under 65 years of age and who are not entitled to Medicare; the maximum service-based subsidy is \$115 per month for benefit recipients who are 65 years of age or older or who are under 65 years of age and entitled to Medicare. The maximum service-based subsidy, in each case, is for benefit recipients with retirement benefits based on 20 or more years of service credit. There is a 5% reduction in the subsidy for each year less than 20. The benefit recipient pays the remaining portion of the premium to the extent the subsidy does not cover the entire amount.

For benefit recipients who have not participated in Social Security and who are not otherwise eligible for premium-free Medicare Part A for hospital-related services, C.R.S. § 24-51-1206(4) provides an additional subsidy. According to the statute, PERA cannot charge premiums to benefit recipients without Medicare Part A that are greater than premiums charged to benefit recipients with Part A for the same plan option, coverage level, and service credit. Currently, for each individual PERACare enrollee, the total premium for Medicare coverage is determined assuming plan participants have both Medicare Part A and Part B and the difference in premium cost is paid by the HCTF or the DPS HCTF on behalf of benefit recipients not covered by Medicare Part A.

Contributions. Pursuant to Title 24, Article 51, Section 208(1) (f) of the C.R.S., as amended, certain contributions are apportioned to the HCTF. PERA-affiliated employers of the State, School, Local Government, and Judicial Divisions are required to contribute at a rate of 1.02% of PERA-includable salary into the HCTF.

Employer contributions are recognized by the HCTF in the period in which the compensation becomes payable to the member and the March 31, 2023 is statutorily committed to pay the contributions. Employer contributions recognized by the HCTF from the Authority were \$3,364 for the year ended March 31, 2023.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At March 31, 2023, the Authority reported a liability of \$26,534 for its proportionate share of the net OPEB liability. The net OPEB liability for the HCTF was measured as of December 31, 2022, and the total OPEB liability (TOL) used to calculate the net OPEB liability was determined by an actuarial valuation as of December 31, 2021. Standard update procedures were used to roll-forward the TOL to December 31, 2022. The Authority's proportion of the net OPEB liability was based on the Authority's contributions to the HCTF for the calendar year 2022 relative to the total contributions of participating employers to the HCTF.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

At December 31, 2022, the Authority's proportion was 0032497718%, which was a decrease of .0000931847% from its proportion measured as of December 31, 2021.

For the year ended March 31, 2023, the Authority recognized OPEB expense of \$3,873. At March 31, 2023 the Authority reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of	Deferred Inflows of
Difference between expected and actual	\$3	\$6,417
Changes of assumptions or other inputs	426	2,928
Net difference between projected and actual earnings on OPEB plan investments	1,621	0
Changes in proportion and differences between contributions recognized and proportionate share of contributions	1,309	4,550
Contributions subsequent to the measurement	947	N/A
Total	\$4,306	\$13,895

\$947 reported as deferred outflows of resources related to OPEB, resulting from contributions subsequent to the measurement date, will be recognized as a reduction of the net OPEB liability in the year ended March 31, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ended March 31	
2023	\$(2,855)
2024	(3,378)
2025	(2,336)
2026	(828)
2027	(938)
Thereafter	(201)

Actuarial assumptions. The TOL in the December 31, 2021 actuarial valuation was determined using the following actuarial cost method, actuarial assumptions and other inputs:

Housing Authority of the City of Alamosa, Colorado

Medicare Part A premiums	3.75% in 2022, gradually increasing to 4.50% in 2029			
DPS benefit structure:				
Service-based premium subsidy	0.00%			
PERACare Medicare plans	N/A			
Medicare Part A premiums	N/A			

The TOL for the HCTF, as of the December 31, 2022, measurement date, was adjusted to reflect the disaffiliation, allowable under C.R.S. § 24-51-313, of Tri-County Health Department (TriCounty Health), effective December 31, 2022. As of the close of the 2022 fiscal year, no disaffiliation payment associated with Tri-County Health was received, and therefore no disaffiliation dollars were reflected in the FNP as of the December 31, 2022, measurement date.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

Beginning January 1, 2022, the per capita health care costs are developed by plan option; based on 2022 premium rates for the UnitedHealthcare Medicare Advantage Prescription Drug (MAPD) PPO plan #1, the UnitedHealthcare MAPD PPO plan #2, and the Kaiser Permanente MAPD HMO plan. Actuarial morbidity factors are then applied to estimate individual retiree and spouse costs by age, gender, and health care cost trend. This approach applies for all members and is adjusted accordingly for those not eligible for premium-free Medicare Part A for the PERA benefit structure.

Age-Related Morbidity Assumptions

Participant Age	Annual Increase (Male)	Annual Increase
65-69	3.0%	1.5%
70	2.9%	1.6%

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

The 2022 Medicare Part A premium is \$499 (actual dollars) per month. All costs are subject to the health care cost trend rates, as discussed below.

Health care cost trend rates reflect the change in per capita health costs over time due to factors such as medical inflation, utilization, plan design, and technology improvements. For the PERA benefit structure, health care cost trend rates are needed to project the future costs associated with providing benefits to those PERACare enrollees not eligible for premium-free Medicare Part A.

Health care cost trend rates for the PERA benefit structure are based on published annual health care inflation surveys in conjunction with actual plan experience (if credible), building block models and industry methods developed by health plan actuaries and administrators. In addition, projected trends for the Federal Hospital Insurance Trust Fund (Medicare Part A premiums) provided by the Centers for Medicare & Medicaid Services are referenced in the development of these rates. Effective

December 31, 2021, the health care cost trend rates for Medicare Part A premiums were revised to reflect the current expectation of future increases in rates of inflation applicable to Medicare Part A premiums.

The PERA benefit structure health care cost trend rates used to measure the TOL are summarized in the table below:

Year	PERACare Medicare Plans	Medicare Part A Premiums
2022	6.50%	3.75%
2023	6.25%	4.00%
2024	6.00%	4.00%
2025	5.75%	4.00%
2026	5.50%	4.25%
2027	5.25%	4.25%
2028	5.00%	4.25%
2029	4.75%	4.50%
2030+	4.50%	4.50%

Mortality assumptions used in the December 31, 2021, valuation for the determination of the total pension liability for each of the Division Trust Funds as shown below, reflect generational mortality and were applied, as applicable, in the determination of the TOL for the HCTF, but developed on a headcount-weighted basis. Affiliated employers of the State, School, Local Government and Judicial Divisions participate in the HCTF.

Pre-retirement mortality assumptions for the State and Local Government Divisions (members other than State Troopers) were based upon the PubG-2010 Employee Table with generational projection using scale MP-2019.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

Pre-retirement mortality assumptions for State Troopers were based upon the PubS-2010 Employee Table with generational projection using scale MP-2019.

Pre-retirement mortality assumptions for the School Division were based upon the PubT-2010 Employee Table with generational projection using scale MP-2019.

Pre-retirement mortality assumptions for the Judicial Division were based upon the PubG-2010(A) Above-Median Employee Table with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for the State and Local Government Divisions (members other than State Troopers) were based upon the PubG-2010 Healthy Retiree Table, adjusted as follows:

- **Males:** 94% of the rates prior to age 80 and 90% of the rates for ages 80 and older, with generational projection using scale MP-2019.
- **Females:** 87% of the rates prior to age 80 and 107% of the rates for ages 80 and older, with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for State Troopers were based upon the unadjusted PubS-2010 Healthy Retiree Table, with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for the School Division were based upon the PubT-2010 Healthy Retiree Table, adjusted as follows:

- **Males:** 112% of the rates prior to age 80 and 94% of the rates for ages 80 and older, with generational projection using scale MP-2019.
- **Females:** 83% of the rates prior to age 80 and 106% of the rates for ages 80 and older, with generational projection using scale MP-2019.

Post-retirement non-disabled mortality assumptions for the Judicial Division were based upon the unadjusted PubG-2010(A) Above-Median Healthy Retiree Table with generational projection using scale MP-2019.

Post-retirement non-disabled beneficiary mortality assumptions were based upon the Pub-2010 Contingent Survivor Table, adjusted as follows:

- **Males:** 97% of the rates for all ages, with generational projection using scale MP-2019.
- **Females:** 105% of the rates for all ages, with generational projection using scale MP-2019.

Disabled mortality assumptions for members other than State Troopers were based upon the PubNS-2010 Disabled Retiree Table using 99% of the rates for all ages with generational projection using scale MP-2019.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

Disabled mortality assumptions for State Troopers were based upon the unadjusted PubS-2010 Disabled Retiree Table with generational projection using scale MP-2019.

The following health care costs assumptions were updated and used in the roll-forward calculation for the HCTF:

- Per capita health care costs in effect as of the December 31, 2021, valuation date for those PERACare enrollees under the PERA benefit structure who are expected to be age 65 and older and are not eligible for premium-free Medicare Part A benefits have been updated to reflect costs for the 2022 plan year.
- The December 31, 2021, valuation utilizes premium information as of January 1, 2022, as the initial per capita health care cost. As of that date, PERACare health benefits administration is performed by UnitedHealthcare. In that transition, the costs for the Medicare Advantage Option #2 decreased to a level that is lower than the maximum possible service-related subsidy as described in the plan provisions.
- The health care cost trend rates applicable to health care premiums were revised to reflect the then current expectation of future increases in those premiums. Medicare Part A premiums continued with the prior valuation trend pattern.

Actuarial assumptions pertaining to per capita health care costs and their related trend rates are analyzed and updated annually by PERA Board's actuary, as discussed above.

Effective for the December 31, 2022, measurement date, the timing of the retirement decrement was adjusted to middle-of-year within the valuation programming used to determine the TOL, reflecting a recommendation from the 2022 actuarial audit report, dated October 14, 2022, summarizing the results of the actuarial audit performed on the December 31, 2021, actuarial valuation.

The actuarial assumptions used in the December 31, 2021, valuation were based on the results of the 2020 experience analysis for the period January 1, 2016, through December 31, 2019, and were reviewed and adopted by the PERA Board at their November 20, 2020, meeting.

The long-term expected return on plan assets is reviewed as part of regular experience studies prepared at least every five years for PERA. The most recent analyses were outlined in the Experience Study report dated October 28, 2020.

Several factors are considered in evaluating the long-term rate of return assumption, including long-term historical data, estimates inherent in current market data, and a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected return, net of investment expense and inflation) were developed for each major asset class. These ranges were combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentages and then adding expected inflation.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

As of the most recent reaffirmation of the long-term rate of return, the target asset allocation and best estimates of geometric real rates of return for each major asset class are summarized in the table as follows:

Asset Class	Target Allocation	30 Year Geometric Real Rate of Expected
Global Equity	54.00 %	5.60%
Fixed Income	23.00 %	1.30%
Private Equity	8.50 %	7.10%
Real Estate	8.50 %	4.40%
Alternatives	6.00 %	4.70%
Total	100.00 %	

Note: In setting the long-term expected rate of return, projections employed to model future returns provide a range of expected long-term returns that, including expected inflation, ultimately support a long-term expected nominal rate of return assumption of 7.25%.

Sensitivity of the Authority's proportionate share of the net OPEB liability to changes in the Health Care Cost Trend Rates. The following presents the net OPEB liability using the current health care cost trend rates applicable to the PERA benefit structure, as well as if it were calculated using health care cost trend rates that are one percentage point lower or one percentage point higher than the current rates:

	1% Decrease in Trend Rates	Current Trend Rates	1% Increase in Trend Rates
Initial PERACare Medicare trend rate ¹	5.25%	6.25%	7.25%
Ultimate PERACare Medicare trend rate	3.50%	4.50%	5.50%
Initial Medicare Part A trend rate	3.00%	4.00%	5.00%
Ultimate Medicare Part A trend rate	3.50%	4.50%	5.50%
Net OPEB Liability	\$30,760	\$26,534	\$22,918

¹For the January 1, 2023, plan year.

Discount rate. The discount rate used to measure the TOL was 7.25%. The projection of cash flows used to determine the discount rate applied the actuarial cost method and assumptions shown above. In addition, the following methods and assumptions were used in the projection of cash flows:

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 6 Defined Benefit Other Post Employment Benefit (OPEB) Plan (Continued)

- Updated health care cost trend rates for Medicare Part A premiums as of the December 31, 2022, measurement date.
- Total covered payroll for the initial projection year consists of the covered payroll of the active membership present on the valuation date and the covered payroll of future plan members assumed to be hired during the year. In subsequent projection years, total covered payroll was assumed to increase annually at a rate of 3.00%.
- Employer contributions were assumed to be made at rates equal to the fixed statutory rates specified in law and effective as of the measurement date.
- Employer contributions and the amount of total service costs for future plan members were based upon a process to estimate future actuarially determined contributions assuming an analogous future plan member growth rate.
- Estimated transfers of dollars into the HCTF representing a portion of purchase service agreements intended to cover the costs associated with OPEB benefits.
- Benefit payments and contributions were assumed to be made at the middle of the year.

Based on the above assumptions and methods, the HCTF's FNP was projected to be available to make all projected future benefit payments of current members. Therefore, the long-term expected rate of return of 7.25% on OPEB plan investments was applied to all periods of projected benefit payments to determine the TOL. The discount rate determination does not use the municipal bond index rate, and therefore, the discount rate is 7.25%. There was no change in the discount rate from the prior measurement date.

Sensitivity of the Authority's proportionate share of the net OPEB liability to changes in the discount rate. The following presents the proportionate share of the net OPEB liability calculated using the discount rate of 7.25%, as well as what the proportionate share of the net OPEB liability would be if it were calculated using a discount rate that is one-percentage-point lower (6.25%) or one-percentage-point higher (8.25%) than the current rate:

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
Proportionate share of the net OPEB	\$30,760	\$26,534	\$22,

OPEB plan fiduciary net position. Detailed information about the HCTF's FNP is available in PERA's ACFR which can be obtained at 918 www.copera.org/investments/pera-financial-reports.

Housing Authority of the City of Alamosa, Colorado
Notes to the Financial Statements (Continued)
March 31, 2023

Note 7 Contingencies and Commitments

The Authority is exposed to various risks related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority carries commercial insurance for all risks of loss, including workers' compensation and employee health and accident insurance. Settled claims have not exceeded commercial coverage in any of the past three years.

The Authority participates in a number of federal, state, and local programs that are fully or partially funded by grants received from other governmental units. Expenses financed by grants are subject to audit by the appropriate grantor government. If expenses are disallowed due to noncompliance with grant program regulations, the Authority may be required to reimburse the grantor government. As of March 31, 2023, significant amounts of grant expenses have not been audited, but the Authority believes that disallowed expenses, if any, based on subsequent audits will not have a material effect on any of the individual funds or the overall financial position of the Authority.

In November 1992, Colorado voters passed the Tabor Amendment (Amendment 1) to the State Constitution which limits state and local government tax powers and imposes spending limitations. Fiscal year 1993 provides the basis for limits in future years to which may be applied allowable increases for inflation and student enrollment. Revenue received in excess of the limitations may be required to be refunded, unless the local electorate votes to retain the revenue. The Tabor Amendment is subject to many interpretations, however, the Authority believes it is exempt because it receives no taxes and is funded primarily by federal grants and contributions.

Note 8 Economic Dependency

The Authority is economically dependent on annual contributions and grants from HUD. The extent of this funding from HUD depends upon appropriations from the Federal government and is subject to annual renewals.

SINGLE AUDIT SECTION

Green & Associates LLC

Certified Public Accountants & Business Consultants

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners

Housing Authority of the City of Alamosa, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements as of and for the year ended March 31, 2023, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Alamosa, Colorado's basic financial statements, and have issued our report thereon dated December 13, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Alamosa, Colorado's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Alamosa, Colorado's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Alamosa, Colorado's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Alamosa, Colorado's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. This report is intended solely for the information and use of management, the Board of Commissioners, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "G. & Associates LLP". The signature is written in black ink and is positioned above the typed name and date.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRE BY THE UNIFORM GUIDANCE

To the Board of Commissioners
Housing Authority of the City of Alamosa, Colorado

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Housing Authority of the City of Alamosa, Colorado's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Housing Authority of the City of Alamosa, Colorado's major federal programs for the year ended March 31, 2023. Housing Authority of the City of Alamosa, Colorado's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of the City of Alamosa, Colorado complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Housing Authority of the City of Alamosa, Colorado and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Housing Authority of the City of Alamosa, Colorado's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Housing Authority of the City of Alamosa, Colorado's federal programs.

Certified Public Accountants & Business Consultants

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Housing Authority of the City of Alamosa, Colorado's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Housing Authority of the City of Alamosa, Colorado's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Housing Authority of the City of Alamosa, Colorado's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding Housing Authority of the City of Alamosa, Colorado's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of the City of Alamosa, Colorado's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Housing Authority of the City of Alamosa, Colorado's compliance.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Fort Collins, Colorado
December 13, 2023

Housing Authority of the City of Alamosa, Colorado
Schedule of Expenditures of Federal Awards
For the Year Ended March 31, 2023

<u>Federal Grantor</u>	<u>CFDA NUMBER</u>	<u>EXPENDITURES</u>
U.S. Department of Housing and Urban Development		
Operating Subsidy	14.850	636,484
Capital Fund Program	14.872	445,055
Total Housing and Urban Development and Federal Financial Awards		<u>\$ 1,081,539</u>

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Authority. All federal financial assistance received by the reporting entity directly from federal agencies, as well as federal financial assistance passed through other government agencies, is included on the schedule.

The accompanying schedule of expenditures of federal awards is presented using the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements. Federal financial assistance provided to sub recipients is treated as an expenditure when it is paid to the sub-recipient. The Authority passed through \$0 to sub-recipients for the year then ended.

The Authority uses the de minimis indirect cost rate of 10%.
