Honorable Mayor
Board of Trustees
Financial Investors & Analysts
Residents of the Town of Superior, Colorado:

We hereby proudly submit the Annual Comprehensive Financial Report (ACFR) of the Town of Superior, Colorado (Town) for the year ended December 31, 2024. Colorado statutes require that each city and town issue an annual report on its financial position and activities presented in conformance with generally accepted accounting principles (GAAP), and that the report be audited by an independent firm of certified public accountants. This ACFR meets and exceeds the requirements of the State statutes.

Responsibility for both the accuracy of the data, and the completeness and fairness of the presentation, including all disclosures, rests with Town management. To provide a reasonable basis for making these representations, management of the Town has established an internal control framework that is designed both to protect the Town's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Town's internal controls have been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in a manner that presents fairly the financial position and results of operations of the various funds and component units of the Town of Superior. All disclosures necessary to enable readers to gain an understanding of the Town's activities have been included.

The Town of Superior's financial statements have been audited by CliftonLarsonAllen LLP (CLA), a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Town for the fiscal year ended December 31, 2024 are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the Town of Superior's financial statements for the fiscal year ended December 31, 2024 are fairly presented in conformity with GAAP.

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

Profile of the Government

Reporting Entity. The Town of Superior is the primary government defined in this report, but our financial reporting entity also includes three blended component units: Superior Metropolitan District No. 1 (SMD No. 1), Superior Urban Renewal Authority (SURA), and Superior McCaslin Interchange Metropolitan District (SMID). Blended component units are legally separate entities for which the primary government is financially accountable. Members of the Town Council also serve as the directors of these entities.

Blended component units are, in substance, part of the primary government's operations and are included as part of (or "blended in with") the primary government. Accordingly, the three funds of SMD No. 1 (Water, Sewer, and Storm Drainage Funds) are reported as enterprise funds of the Town of Superior. The SURA Downtown Superior and SMID Debt Service fund are reported among the Town's debt service funds, and the SMID Capital Fund is reported among the Town's capital project funds.

As of December 31, 2024, the Town was not responsible for other special districts operating within the Town boundaries, but worked in conjunction with them to provide a complete level of services to residents. These include Boulder Valley School District, Boulder County, Northern Colorado Water Conservancy District, Mile High Flood District, the Mountain View Fire Rescue, Louisville Fire Protection District, Superior Town Center Metropolitan District Nos. 1-3, Lanterns Rock Creek Metropolitan District and Coalton Metropolitan District. These governments are independent of the Town of Superior and have their own elected officials and taxing authorities. Therefore, they were not part of the primary government or this report.

Governmental Structure. Located between the Denver-Boulder turnpike (U.S. 36) to the north and State Highway 128 to the south, the Town of Superior sits mostly in Boulder County with a small, undeveloped, southern portion in Jefferson County. The City of Boulder is five minutes to the northwest, downtown Denver is thirty minutes to the southeast, and Denver International Airport is forty minutes to the east. The Town's planning area comprises approximately 4.25 square miles.

Superior was founded in 1896 and incorporated in 1904. The Town's name reportedly represents the "superior" quality of coal found in the area in the late 1800's. Mining ceased in 1945, and the Town evolved into a quiet ranching and farming community with a population hovering around 250 until the mid-1980's. At that time, the Town approved a proposed development southeast of the original town that would allow for new residential development and the creation of water and sewer treatment plants. This major new growth area is known as Rock Creek Ranch and increased Superior's population to approximately 12,500. The development includes two public schools, two small recreation centers, and extensive parks, trail and open space systems. In 2015, development in Downtown Superior started. The first phase included the Sport Stable Complex (opened 2016) a recreation/sports facility that includes two and a half sheets of ice, an indoor turf field, basketball courts, Impact Sports, batting cages, golf simulator and several restaurants. Future phases included in-line retail (2017), a Medical Office building (2018), Tesla sales and service center (2020), and high quality residential development.

The Town of Superior is a home rule town with a council-manager form of government. Policy making and legislative authority are vested with the Town Council. The Council consists of a mayor and six trustees; all elected by popular vote of the residents to staggered four-year terms. The Town's Council is responsible, among other things, for setting policy, passing ordinances, adopting the budget, appointing committees, and hiring the Town Manager, Town Clerk, Town Attorney and Municipal Court Judge.

The Town Manager is responsible for carrying out the policies and ordinances adopted by the Board, for overseeing the day-to-day operations of the government, and for appointing the department heads, other staff and contractors to provide services to the residents. The Town of Superior provides many government services including water, sewer, and storm drainage utilities, community services, special events, community planning and development, police protection, building inspection, code enforcement, municipal court, trash and recycling, recreation services, and maintenance of streets, roads, parks, trails and open space.

Major Initiatives. The Town completed multiple projects in 2024 that will enhance its ability to provide services to its residents. Some of the projects that helped make this possible are:

- **Enhance Financial Stability and Business Retention** – Ensure the Town's long-term financial stability by diversifying revenue streams, reducing and restructuring of existing debt, pursuing financial self-sufficiency of utility operations, and supporting local businesses. To this end, the Downtown Superior development was approved in 2013. This pedestrian oriented, 157 acre mixed use development is planned to include (1) private indoor recreation, (2) medical office building, (3)

Town square and pedestrian promenade, (4) hotels, (5) office buildings, (6) commercial/retail, (7) attached and detached residential, (8) multi-use playing fields, (9) other passive and active recreation areas, (10) pedestrian and bicycle trails, (11) civic space, and (12) open space. The first phase of construction began in 2015, starting with the Superior Sport Stable complex which opened in spring 2016. Subsequent construction included in-line retail, a Medical Office building, a Tesla sales and service center, and high-quality residential development. Downtown Superior and other select/limited developments generate new one-time and on-going revenues.

The Town Board continues to work on revenue diversification, including analysis through the budget review process of the Town's long-term financial models and reserve policies. The Town's general property tax mill levy in 2024 was 12.127 (which reduces the mill levy credit).

Consistent with Superior's long-term financial modeling and to maintain enterprise status for the Town's utility operations, water and wastewater service fees were increased by 7.5%. The Town continues to actively reduce existing outstanding debt and other long-term financial obligation.

- **Provide Excellent Public Services and Public Infrastructure** – Continue to expand and improve services and infrastructure by prioritizing and funding infrastructure and service needs, and to pursue service-sharing opportunities and partnerships for regional infrastructure improvements including:
 - Town wide street replacement and maintenance primarily focused on Rock Creek Parkway, slurry seals, and other repairs and maintenance, totaling over \$4.1 million in 2024
 - Playground, shade, park improvements, xeriscape projects.
 - Rebuild of big and little Sagamore and Children's parks
 - Open space land purchases along Coal Creek, with support from The Conservation Fund as they are in a flood zone
 - Continued partnership in the Windy Gap Firing Project for future water storage
 - Design for Public Works and Parks maintenance and operations building
 - Ongoing capital improvements at Water treatment plant
 - Continued capital improvements to other infrastructure maintenance and repair projects, parks, recreation and new trail amenities, and investments in fleet and equipment.

- **Engage Residents through Outreach and Marketing** – Explore and initiate methods that will continuously improve education, communication and meaningful dialog between the Town, its residents, homeowners' associations, and advisory groups, in order to maintain and improve our quality of life and aid in decision-making that benefits the Town as a whole. An annual "State of Superior" presentation allowing resident to discuss Town items with the Mayor and Town Manager was held. Projects included web streaming of public meetings in real time, with on-line viewing and listening available following each meeting on the Town's web page. Meeting archives are available indefinitely. Superior continues to utilize a variety of communication channels to encourage community engagement and participation.

- **Strategically Manage and Enhance Open Space, Parks and Trails** – Augment natural and developed open space and parks within the Town through strategic acquisitions, development and management:
 - Maintenance of Town Open Space
 - Continued Open Space coordination and education

- **Promote and Manage Development Opportunities** – Review development opportunities in a timely manner, reconciling public and private interest so that growth achieves the Town's long-term vision as stated in the Town's Comprehensive Plan (Updated 2012):
 - Continued business retention and attraction program
 - Pursue revitalization of the Superior Marketplace and integrate the Marketplace with the development of the Rogers Property and Downtown Superior
 - Oversee additional development including Main Street Downtown Superior, Superior Shores Resolute Commercial, and Rogers Farm Phase II properties.

- **Support and Encourage Environmental Sustainability** – Continue implementation through energy initiatives, promotion of water and energy conservations efforts, and possible expansion of Town programs and incentives including:
 - Residential water irrigation audits and a rebate program intended to replace high water flow shower fixtures, toilets, dishwashers, washing machines, WaterSense certified smart sprinkler controllers and rotary high efficiency sprinkler nozzles
 - Continued xeriscape enhancements.
 - Continued building permit fee credits for residential installations of solar photovoltaic systems
 - Town Board and Superior’s Advisory Committee for Environmental Sustainability (ACES) to expand the community’s recycling and conservation efforts through education and promotion of Town programs

Factors Affecting Financial Condition

Local Economic Condition and Outlook. The Town continues to recover from the Marshall Fire sales tax and other revenues continue to recover as displaced residents return and new development continues in Town. The Town incurred rebuilding costs, partially offset by FEMA, State of Colorado and insurance reimbursements. The Town’s financial reserves have served to cover these temporary revenue shortfalls and unreimbursed expenses. Even with the impacts of the Marshall Fire, all indications suggest that the long-term financial well-being of the Town will remain strong.

The local economy will continue to grow through residents rebuilding and new development happening in Downtown Superior. The Town has one regional (Superior Marketplace) and two local retail developments containing Target, Costco, Ethan Allen, PetSmart, Stickleby Furniture, TJ Maxx, Michael’s, Safeway, Whole Foods, restaurants and smaller in-line shops. In addition, business offices, medical offices and banking services are available in Superior. In 2024, Town sales tax revenues, the principal funding source for Governmental operations, were 6.02% higher than 2023. In the preparation of the 2024 budget the Town estimated an increase in sales tax of 7.5%, so while that goal wasn’t reached, it is another healthy rebound from the Marshall Fire. Staff will continue to closely monitor tax and utility revenues and make any operating and capital changes that are necessary. Superior continues to work aggressively to diversify its revenue and tax base to insure long term fiscal stability.

As the national economy continues to grow, Boulder County regional economic measures exceed state and national statistics. In 2023 (latest data available), per capita personal income in Boulder County (\$100,242) was 25% higher than Colorado per capita income (\$80,068) and 44% higher than per capita income for the United States (\$69,810). In December 2024, the unemployment rate in Boulder County was 4.0%, while the Colorado rate was 4.6% and the national rate was 4.1%. Boulder County's major employers within close proximity to the Town of Superior include computer hardware and software manufacturers, general manufacturers, communications providers, wholesale and retail trade, finance, insurance, and real estate, business services, health services, engineering and management services, universities, and several local governments and school districts.

Long-term Financial Planning. The Town Board and management actively seek to complete approved development projects to ensure the continued economic vitality and high quality of life found in the Town of Superior. The largest of these developments, Downtown Superior, is creating an urban village transit-oriented community with professional office space, specialty retail, quality dining and entertainment options, hotel, housing, walking trails, and recreation amenities all with access to a bus rapid transit line between Boulder and Denver as well as regional trail connectivity. This project, at the Town's northern border, will complete the development of one of the final large commercial parcels within the Town, and broaden the revenue base of the Town. Phases in progress include main street development with retail/commercial spaces on the ground floor with residential units above.

Awards and Acknowledgements

Awards. The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Town of Superior, Colorado for its annual comprehensive financial report for the fiscal year ended December 31, 2023. This was the 23rd consecutive year that the government has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Acknowledgements. We would like to express our appreciation to CliftonLarsonAllen LLP, (CLA) for their assistance and contributions to the preparation of this report. Additionally, special recognition is given to Valerie Webb, Accounting Manager and Kim Dawson, Accounting Technician for their efforts in the preparation of this report. We also appreciate Mayor Mark Lacis and the Town Council for their interest and support in preparing this Annual Comprehensive Financial Report for the Town of Superior, Colorado.

Respectfully submitted,

Matthew G. Magley

INDEPENDENT AUDITORS' REPORT

Honorable Mayor and Town Council
Town of Superior
Superior, Colorado

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Superior, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Town of Superior's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Superior, as of December 31, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Superior and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Superior's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Town of Superior's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Town of Superior's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, general fund budgetary comparison schedule, and open space budgetary schedule as listed in the table of contents be presented to supplement the basic financial statements be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Superior's basic financial statements. The combining and individual nonmajor fund financial statements, budgetary schedules, local highway finance report, and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining and individual nonmajor fund financial statements, budgetary schedules, local highway finance report, and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

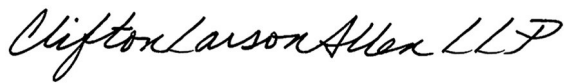

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Honorable Mayor and Town Council
Town of Superior

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 2, 2025 on our consideration of the Town of Superior’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Superior’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Superior’s internal control over financial reporting and compliance.

Management's Discussion and Analysis

This discussion and analysis of the financial performance of the Town of Superior, Colorado provides an overview of financial activities for the fiscal year ended December 31, 2024. Please read it in conjunction with the transmittal letter and financial statements.

FINANCIAL HIGHLIGHTS

- The Town's assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources at the close of the fiscal year by \$248,316,499 (net position). Of this amount, \$40,044,076 (unrestricted net position) may be used to meet the Town's ongoing obligations to residents and creditors.
- The Town's total net position increased by \$10,688,912. The increase came from a variety of factors including an increase in property taxes, as well as new capital assets. A portion of the increase also came from a reduction in principal and interest payments. The General Fund had a decrease in fund balance, \$1,373,490. The Town's revenue exceeded expenditures by \$4,376,510 and \$5,750,000 was the planned transfer to the Capital Improvement Fund, leading to a net decrease in fund balance. Other funds net position changed as follows: Capital Improvement Fund decrease \$438,127, Open Space Fund decrease \$57,302, Conservation Trust Fund decrease \$131,683, Trash and Recycling Fund increase \$11,663, and Class One Landscape Fund increase \$48,255. The SMID Capital fund had a planned decrease of \$77,864.
- As of December 31, 2024, the Town's governmental funds reported combined ending fund balances of \$14,558,277, a decrease of \$2,038,850 from the prior year. Over 47% of this total amount, \$6,876,441, is available for spending in future years at the discretion of the Town Council (unrestricted, unassigned fund balance).
- As of December 31, 2024, the unrestricted fund balance for the General Fund was \$6,876,441, about 2.5 million less than prior year. The decreased fund balance is still within the range set by the Town's reserve policy.
- Total Sales and Use Tax revenues decreased marginally by 0.79% in 2024.
- The Town of Superior's total debt decreased by \$3,205,197 during the year. This includes principal payments of \$335,000 by SMID, \$375,000 by the Town for the Open Space Revenue Bonds, \$285,000 and \$210,000 by the Town for Certificates of Participation (COPs). Bond Premium of the SMID debt was reduced by \$86,512. Lease payable was reduced by \$129,999. SMD No. 1 long-term debt reduced by \$1,575,000 during the year due to the payment of principal. SMD No. 1 (Sewer) debt also decreased by \$196,610 due to payment of principal. Bond Premium of the Sewer (CWRPDA) debt was reduced by \$12,076. Accrued compensated absences increased by \$479,183, primarily due to the addition of sick leave balances as required by GASB 101.

USING THIS ANNUAL REPORT

This discussion and analysis is intended to serve as an introduction to the Town of Superior's basic financial statements. The Town's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents information on all of the Town's assets and liabilities, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *Statement of Activities* presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Town include general government, public safety, building inspections, parks, recreation, open space and public works. The business-type activities of the Town include water, sewer, Original Town sewer, and storm drainage operations.

The government-wide financial statements include not only the Town of Superior itself (known as the primary government), but also three legally separate entities for which the Town is financially accountable: Superior Urban Renewal Authority (SURA), Superior McCaslin Interchange Metropolitan District (SMID), and Superior Metropolitan District No. 1 (SMD No. 1). Although legally separate, these entities function for all practical purposes as departments of the Town, and therefore they have been included as integral parts of the primary government.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Superior, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into two categories: Governmental Funds and Proprietary Funds.

Governmental Funds – Most of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds. The unrestricted, unassigned fund balances left at year-end are available for spending in future years. The funds are reported using the modified accrual method of accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view to cash, operations, and basic services provided. Governmental fund statements show the reader whether there are more or fewer financial resources available at the end of a fiscal year that can be spent to finance government programs.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund Balance Sheet and the Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds to the Statement of Activities provide reconciliations to facilitate this comparison between governmental funds and governmental activities.

The Town of Superior maintains eleven individual governmental funds. Information is presented by fund name in the Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances for four of the eleven that meet the criteria to be designated as major funds. The rest (Conservation Trust Fund, Trash and Recycling Fund, Class One Landscape Fund, Open Space Debt Service Fund, SMID Debt Service Fund, SMID Capital Fund, and Marshall Fire Recovery Fund) are combined into a column titled “Nonmajor Governmental Funds.” Annual budget appropriations are adopted for each of these funds and budgetary comparisons are provided to demonstrate compliance with budgets.

Proprietary Funds – The Town’s utility services are reported in proprietary funds; they focus on overall economic position rather than year-end fund balances. Enterprise funds are the type of proprietary funds used to account for each of the Town’s four utilities: Water, Sewer, Storm Drainage, and Original Town Sewer. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail.

Notes to the Financial Statements

The notes section provides additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. This can be found immediately after the basic financial statements.

Supplementary Information

Combining statements for the Nonmajor funds and budgetary comparison schedules are provided after the Notes to the Financial Statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of a government's financial position. In the case of the Town of Superior, assets exceeded liabilities by \$248,316,499 at the close of 2024.

Town of Superior's Net Position

Property taxes	11,794,736	10,636,510	-	-	10,794,736	10,636,510
Total Deferred Inflows of Resources	\$11,896,388	\$10,763,385	\$-	\$-	\$11,896,388	\$10,763,385
Net position						
Net investment in capital assets	107,901,451	102,817,604	96,532,972	90,927,094	204,434,424	193,744,698
Restricted	3,837,999	4,038,084	-	-	3,837,999	4,038,084
Unrestricted	12,441,927	14,323,515	27,602,150	25,521,290	40,044,076	39,844,805
Total net position	\$124,181,377	\$121,179,203	\$124,135,122	\$116,448,384	\$248,316,499	\$237,627,587

By far the largest portion of the Town's net position (82.3%) reflects its net investment in capital assets such as land, water rights, buildings, machinery, and equipment. The Town uses these capital assets to provide services to residents and businesses; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of net position (1.5%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of net position, \$40,044,076, is unrestricted and may be used to meet the Town's ongoing obligations to residents, businesses, and creditors.

At the end of 2024, the Town is able to report positive balances in all three net position categories, both for the government as a whole, as well as for its separate governmental and business-type activities (see table above).

Governmental Activities

Governmental activities increased the Town's net position by \$3,002,174, accounting for 28% of the total growth in the net position of the Town. The increase in revenue is primarily attributable to the increase in mill levy from 9.43 to 13.627, which generated an additional \$3,935,772 (55.5%) in property taxes collected.

Governmental program expenses were up \$4,203,544 (12.7%), with the most significant increases in general government and parks, recreation, and open space. These areas experienced the addition of new positions and an overall increase in program expenses.

The following two charts illustrate Governmental Activities revenues and expenses.

Business-type Activities

Net position in Business-type Activities increased the Town's net position by \$7,686,738. This year had more significant contributed assets from new developments in Town. Charges for services were \$1,055,826 higher, as expected with budgeted rate increases.

Business-type Activities total expenses decreased by \$345,408. The water fund experienced some savings after completing one-time fire recovery utility projects in 2023, while the sewer and storm drainage funds were largely consistent with the prior year.

The following two charts illustrate Business-type Activities revenues and expenses.

THE TOWN'S FUNDS

At year end, the Town's four major Governmental funds reported a combined fund balance of \$11,821,941. Of that balance, \$6,876,441 was unrestricted and available for spending at the Town's discretion. The remainder of the fund balance is nonspendable, restricted or committed as follows:

Nonspendable - Prepaid Items	\$260,145
Restricted - Parks and Open Space	\$465,590
Restricted - Emergencies	\$1,061,500
Committed - Capital Projects	\$1,985,703
Assigned - Subsequent Year's Budget	\$1,172,562

The individual major governmental funds are discussed below.

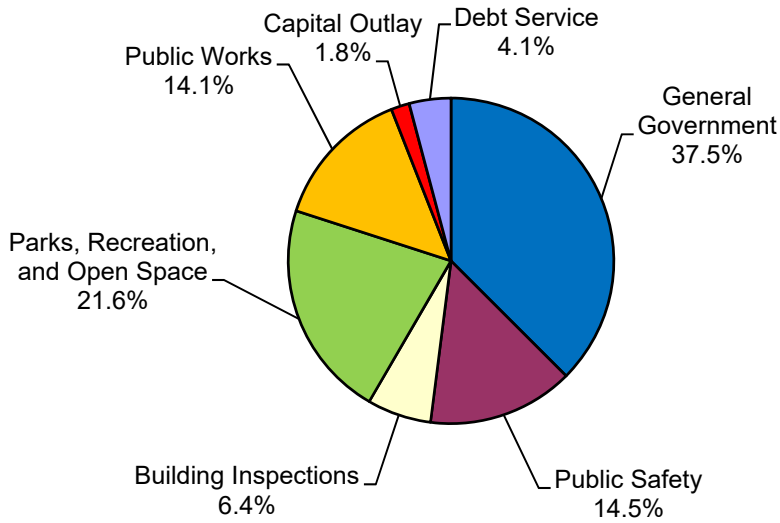

General Fund. The General Fund is the chief operating fund of the Town of Superior. It accounts for all of the general services provided by the Town. At the end of 2024, the unrestricted fund balance of the General Fund totaled \$8,106,003. This fund balance equates to 42.25% of 2024 General Fund expenditures. The Town's Reserve Policy seeks to maintain the General Fund balance between 40% and 70% of expenditures excluding transfers between funds and fee-supported expenses. At December 31, 2024, the General Fund unrestricted, unassigned balance was within this range.

During 2024 the General Fund unrestricted fund balance decreased by \$2,510,719. The amount transferred from the General Fund to the Capital Improvement Fund during the year was \$5,750,000, an increase of \$900,000 from 2023. The Town collected 2 million in additional taxes, and overall revenues increased by \$593,767. License and permit revenues were down compared to prior years. Total expenditures increased by \$504,554, including \$560,851 additional spending in public safety and \$167,073 more in capital outlay. This was offset by reductions in the areas of general government, building inspections, and public works.

The following two charts illustrate General Fund revenues and expenditures.

Expenditures - General Fund

Superior Urban Renewal Authority (SURA) Downtown Superior Fund. SURA Downtown Superior fund balance has no significant change from the prior year. The fund balance at December 31, 2024 is restricted to pay for future public improvements within Downtown Superior.

Capital Improvement Program Capital Projects Fund. The 2024 fund balance decreased by \$438,127. Revenues overall decreased with the exception of the transfer from the General Fund which totaled \$5,750,000, \$900,000 more than the previous year.

Open Space Fund. The Open Space fund balance decreased by \$57,302 in 2024. The remaining fund balance is restricted to pay for future Open Space purchases and maintenance.

Proprietary Funds. The Town's Water, Sewer, and Storm Drainage proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The unrestricted net position of these major proprietary funds is shown below.

Water Fund	\$22,555,990
Sewer Fund	\$4,240,496
Storm Drainage Fund	\$778,744

The total change in net position was \$5,684,034, \$1,761,580, and \$248,646 for Water, Sewer, and Storm respectively. Other factors concerning the finances of these funds have already been addressed in the discussion of the Town's business-type activities.

GENERAL FUND BUDGETARY HIGHLIGHTS

The General Fund’s total budget appropriation was amended during the year. Appropriations are made at the fund level. Actual results varied from the budget, the main differences were:

- Overall actual revenues exceeded budget by \$1,203,323. The major differences between the budget and actual revenues were: property taxes \$595,884 over budget, and building permits \$349,906 higher than budget.
- Overall actual expenditures were higher than the budget by \$667,327. Most categories were in line with amended budget amounts, differences highlighted as public works \$272,210 lower than budget and miscellaneous expenses (including insurance, software, memberships, and the Marshall Fire permit and use tax rebates) came in \$388,6214 lower than budget.
- Overall transfers from the General Fund to the Capital Improvement Fund were \$200,000 less than the amended budget.

CAPITAL ASSETS

As of December 31, 2024, the Town has invested in a range of capital assets including land, buildings and improvements, vehicles, office equipment, parks, parks equipment, infrastructure (streets, sidewalks, curbs and gutters), water and wastewater treatment plants, utility lines, and storm drainage systems. Note 5 of the financial statements provides a summary of these assets.

Major capital expenses during 2024 included:

Streets: Rock Creek Parkway	\$3,064,354
Parks and Playground Updates	\$2,384,576
Water System Improvements	\$1,867,616
Wastewater System Improvements	\$1,095,312
Land Purchased	\$573,953
Historical Museum and Park Improvements	\$572,760
Vehicles	\$403,260
Downtown Civic Space in Progress	\$304,425

DEBT

Note 6 of the financial statements provides a more detailed summary of the Town’s long-term debt. At the end of 2024, the Town had total debt outstanding of \$26,434,454. The Certificates of Participation will be repaid with general revenues of the Town. The other debt is to be repaid only by specific tax and fee revenues. The Town’s total debt decreased \$2.9 million during the year as a result of payments on existing debt, including the final payment on general obligation bonds issued by SMID.

Outstanding Long-Term Debt at Year End

	Governmental Activities	Business-type Activities	Total
General Obligation Bonds	-	-	-
Revenue Bonds	5,685,000	12,733,074	18,418,074
Certificates of Participation	6,095,000	-	6,095,000
Total	<u>\$ 11,780,000</u>	<u>\$ 12,733,074</u>	<u>\$ 24,513,074</u>

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Town of Superior continues to maintain a solid financial position. Town-wide reserves meet or exceed the levels required by the Town's Reserve Policy for all funds. In preparing the 2025 budget, the Town took many factors into consideration, including known development projects and the pressing demands for service. In November, after the 2025 budget was adopted, voters approved an additional 0.315% sales tax and bond measure to fund future high-priority capital projects. The Town will set up two new funds for this revenue and the projects it will support. These new funds will be added during 2025 and budgets will be approved by the Town Council through a budget amendment.

Due to increasing costs and required capital improvements to the utility system, budgeted increases for water, and sewer services are 7.5%, and 7.5%, respectively. There will be no increase to the storm drainage services in 2025. Due to increasing costs, the Class One Landscape charges for services will have an increase of 4% in 2025.

REQUESTS FOR INFORMATION

This financial report is designed to provide our residents, taxpayers, customers, investors, and creditors with a general overview of the Town's finances and to show the Town's accountability for the funds and assets it receives. If you have questions about this report, or should you need additional financial information, contact the Town's Finance Department at Town of Superior, 124 E. Coal Creek Drive, Superior, CO 80027.

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN
FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
YEAR ENDED DECEMBER 31, 2024**

Amounts Reported for Governmental Activities in the Statement of Activities are Different Because:

Net Change in Fund Balances of Governmental Funds	\$ (2,038,850)
<p>Capital outlays to purchase or construct capital assets are reported in governmental funds as expenditures. However, for governmental activities those costs are capitalized in the statement of net position and are allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlay exceeded depreciation in the period.</p>	
Capital Outlay	6,448,672
Contributions by Developers	2,916,959
Depreciation Expense	(5,233,885)
<p>Repayment of long-term debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.</p>	
Principal Payments	1,334,999
<p>Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. This amount is the net effect of these differences in the treatment of long-term debt and related items.</p>	
Amortization of Bond Premium	86,512
Amortization of Loss on Debt Refunding	(36,870)
<p>Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.</p>	
Compensated Absences	(479,183)
Accrued Interest	<u>3,820</u>
Change in Net Position of Governmental Activities	<u><u>\$ 3,002,174</u></u>

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Superior (the Town) have been prepared in conformity with generally accepted accounting principles (GAAP) as applicable to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Town's accounting policies are described below.

Reporting Entity

The financial reporting entity consists of the Town, organizations for which the Town is financially accountable, and organizations that raise and hold economic resources for the direct benefit of the Town. All funds, organizations, institutions, agencies, departments and offices that are not legally separate are part of the Town. Legally separate organizations for which the Town is financially accountable are considered part of the reporting entity. Financial accountability exists if the Town appoints a voting majority of the organization's governing board and is able to impose its will on the organization, or if there is a potential for the organization to provide benefits to, or impose financial burdens on, the Town.

Based on the application of these criteria, the Town includes the Superior Urban Renewal Authority (SURA), the Superior Metropolitan District Number 1 (SMD No.1), and the Superior McCaslin Interchange Metropolitan District (SMID) in its reporting entity. SURA was formed to develop certain areas within the Town boundaries. SMD No.1 was formed to provide water, sewer and storm drainage services for the citizens of the Town. SMID was formed to fund the construction of improvements to, and maintenance of, the McCaslin Interchange at U.S. Highway 36. The members of the Town's Town Council also serve as the governing boards for all of the entities and management of the Town has operational responsibility for the entities. Therefore, the financial activity for these entities is blended into the Town's financial statements.

Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all activities of the Town. For the most part, the effect of interfund activity has been removed from these statements. Exceptions to this general rule are charges for interfund services that are reasonably equivalent to the services provided. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of the given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-wide and Fund Financial Statements (Continued)

Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds and proprietary funds. Major individual funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when the liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current year or soon enough thereafter to pay liabilities of the current year. For this purpose, the Town considers revenues to be available if they are collected within 60 days of the end of the current year.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

Taxes, intergovernmental revenues, and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Expenditure-driven grants are recognized when the qualifying expenditures have been incurred and all other eligibility requirements have been met. All other revenues are considered measurable and available only when cash is received by the Town.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a fund's principal ongoing operations. The principal operating revenues of all proprietary funds are charges for services to customers. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Certain administrative costs for SMD No. 1 are incurred by the General Fund. These costs are reimbursed by SMD No. 1 and reported as expenses in the SMD No. 1 Funds.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

In the fund financial statements, the Town reports the following major governmental funds:

The *General Fund* is the Town's primary operating fund. It accounts for all financial resources of the Town, except those accounted for in another fund.

The *Superior Urban Renewal Authority Downtown Superior Fund* accounts for certain incremental property taxes collected with the Superior Downtown urban renewal area. These revenues are used for infrastructure improvements in the area.

The *Capital Improvement Program Fund* accounts for general capital improvements of the Town, including building improvements, major system upgrades, and maintenance, which are financed primarily by a dedicated 0.3% sales/use tax and transfers from the General Fund.

The *Open Space Fund* accounts for sales and use tax monies legally restricted to open space creation, enhancement, or maintenance.

Additionally, the Town reports the following major proprietary funds:

The *SMD No.1 Water Fund* accounts for the financial activities associated with the provision of water services.

The *SMD No.1 Sewer Fund* accounts for the financial activities associated with the provision of sewer services.

The *SMD No.1 Storm Drainage Fund* accounts for the financial activities associated with the Town's storm drainage system.

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balances

Deposits and Investments – The Town's cash and cash equivalents are considered to be unrestricted cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments are reported in accordance with GASB Statement No. 72, as amended.

Receivables - Receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balances (Continued)

Property taxes attach as an enforceable lien on property on January 1, are levied the following December, and collected in the subsequent year. Taxes are payable in full on April 30 or in two installments on February 28 and June 15. The County Treasurer's Office collects property taxes and remits to the Town on a monthly basis. Since property tax revenues are collected in arrears during the succeeding fiscal year, receivables and corresponding deferred inflows of resources are reported at year end.

Interfund Receivables and Payables - During the course of operations, certain transactions occur between individual funds. The resulting receivables and payables are classified on the balance sheet as *interfund receivables* and *interfund payables*. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as *internal balances*.

Prepaid Items - Certain payments to vendors reflect costs applicable to future accounting periods and are reported as prepaid items in both the government-wide and fund financial statements. Expenditures/expenses are recorded when the service underlying the prepaid item is provided (consumption method).

Capital Assets - Capital assets, which include land, buildings, equipment, and all infrastructure owned by the Town, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and the proprietary funds in the fund financial statements. Capital assets are defined by the Town as assets with an initial, individual cost of \$5,000 or more and an estimated useful life in excess of one year. Such assets are recorded at acquisition cost or estimated acquisition cost, if purchased or constructed. Donated Capital assets are recorded at acquisition value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of the assets or materially extend asset lives are not capitalized.

Capital assets of the Town are depreciated using the straight-line method over the following estimated useful lives.

Buildings and Improvements	5 - 40 years
Infrastructure	15 - 50 years
Water, Sewer and Storm Drainage Plants and Systems	5 - 40 years
Machinery and Equipment	3 - 50 years

Compensated Absences Adoption of GASB Statement No. 101 - Employees of the Town are allowed to accumulate unused vacation and sick time depending on length of employment. Upon termination of employment from the Town, an employee will be compensated for all accrued vacation time at their current rate of pay. The liability for compensated absences reported in the government-wide consists of leave that has not been used that is attributable to services already rendered, accumulates and is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. The liability also includes amounts for leave that has been used for time off but has not yet been paid in cash or settled through noncash means and certain other types of leave. The impact of the change was insignificant and therefore did not warrant a restatement.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases - The Town determines if an arrangement is a lease at inception. Leases are included in capital assets and lease liabilities in the statement of net position. Lease assets represent the Town's control of the right to use an underlying asset for the lease term, as specified in the contract, in an exchange or exchange-like transaction. Lease assets are recognized at the commencement date based on the initial measurement of the lease liability, plus any payment made to the lessor at or before the commencement of the lease term and certain direct costs. Lease assets are amortized in a systematic and rational manner over the shorter of the lease term or the useful life of the underlying asset. Lease liabilities represent the Town's obligation to make lease payments arising from the lease. Lease liabilities are recognized at the commencement date based on the present value of expected lease payments over the lease term, less any lease incentives. Interest expense is recognized ratably over the contract term. The lease term may include options to extend or terminate the lease when it is reasonable certain that the Town will exercise that option. Lease receivables represent the present value of future lease payments where the Town is the lessor. Interest income is recognized by the Town as revenue ratably over the contract term. Lease revenue is recognized by the Town through amortization of a deferred inflow of resources in a systematic and rational manner over the lease term. The Town has elected to recognize payments for short-term leases with a lease term of 12 months or less as expenses are incurred, and these leases are not included as lease liabilities or right-to-use lease assets on the statement of net position. For individual lease contracts where information about the discount rate implicit in the lease is not included, the Town has elected to use the incremental borrowing rate to calculate the present value of expected lease payments.

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balances (Continued)

Long-Term Debt – Long-term debt and other long-term obligations are reported as liabilities in the government-wide and proprietary financial statements. Debt premiums, discounts and accounting losses resulting from debt refunding's are deferred and amortized over the life of the debt using the effective interest rate method. In the governmental fund financial statements, the face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts are reported as other financing uses. Debt issuance costs, whether or not withheld from the debt proceeds, are reported as debt service expenditures/expenses.

Deferred Outflows and Inflows of Resources – In addition to assets and liabilities, the statement of financial position will sometimes report separate sections for deferred outflows of resources and deferred inflows of resources. A deferred outflow of resources represent a consumption of net assets that applies to future period, and a deferred inflow of resources represents an acquisition of net assets that applies to future periods. The Town has recorded deferred outflows of resources for deferred charges on refundings resulting from the difference in the carrying value of refunded debt and its reacquisition price. Deferred inflows of resources consist of property taxes earned, but levied for collection in the subsequent fiscal year. In addition, grants not available as current financial resources are reported as deferred inflows in the governmental fund financial statements. Deferred inflows of resources related to leases are reported on both government-wide and governmental funds.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balances (Continued)

Fund Balances – Fund balances of governmental funds are reported in various categories, based primarily on the extent to which the Town is bound to observe constraints imposed upon the use of the resources for specific purposes.

The nonspendable fund balance category includes amounts that cannot be spent because they are not in spendable form, or are legally or contractually required to be maintained intact.

Restricted fund balances are amounts subject to externally enforceable legal restrictions. Such restrictions are typically imposed by parties such as creditors, grantors, contributors, other governments, or enabling legislation.

Committed fund balance includes amounts that can be used only for the specific purposes imposed by formal action through ordinance of the Town Council, and remains binding unless removed in the same manner.

Assigned fund balance classification are amounts intended to be used by the Town for specific purposes but do not meet the criteria to be classified as restricted or committed.

Unassigned fund balance is the residual classification for the general fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

Generally, the Town would first apply restricted, then committed, and then assigned resources prior to unassigned resources when an expenditure is incurred for purposes for which more than one of the classifications of fund balance is available.

Net Position – In the government-wide financial statements, net position is restricted when constraints placed on the use of resources are externally imposed. If both restricted and unrestricted net position is available for a specific purpose, the Town uses restricted amounts first followed by unrestricted.

Use of Estimates – The preparation of the financial statements, in conformity with accounting principles generally accepted in the United States, requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 2 CASH AND INVESTMENTS

A summary of cash and investments at December 31, 2024 as follows:

Petty Cash	\$ 748
Cash Deposits	4,034,345
Investments	38,785,076
Total	\$ 42,820,169

Cash and investments are reported in the financial statements as follows:

Cash and Investments	\$ 39,780,755
Restricted Cash and Investments	3,039,414
Total	\$ 42,820,169

Cash Deposits

The Colorado Public Deposit Protection Act (PDPA) requires all local government entities to deposit cash in eligible public depositories with eligibility determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. The PDPA allows the institution to create a single collateral pool for all public funds. The pool is to be maintained by another institution or held in trust for all the uninsured public deposits as a group. The fair value of the collateral must be at least equal to 102% of the aggregate uninsured deposits. The carrying amount of the Town’s cash on December 31, 2024 was \$4,034,345.

Investments

The Town is required to comply with State statutes which specify investments meeting defined rating, maturity, and concentration risk criteria in which the Town may invest, which include the following. Custodial risk is not addressed by State statutes.

- Obligations of the United States and certain U.S. Agency securities and the World Bank
- Certain international agency securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers’ acceptances of certain banks
- Commercial paper
- Local government investment pools
- Written repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts (GICs)

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 2 CASH AND INVESTMENTS (CONTINUED)

At December 31, 2024, the Town had the following investments:

	<u>S&P Rating</u>	<u>Moody Rating</u>	<u>Fair Value</u>	<u>Less than 1 Year</u>	<u>1 to 5 Years</u>
US Instrumentality					
Local Government					
Investment Pools	N/A	AAAm	\$ 19,198,204	\$ 19,198,204	\$ -
FHLB	AA+	Aaa	2,610,438	500,300	2,110,138
Federal Farm Credit	AA+	Aaa	2,405,993	499,138	1,906,855
FANNIE MAE	AA+	Aaa	510,488	-	510,488
Freddie Mac	AA+	Aaa	954,881	485,757	469,124
U.S. Treasuries	N/A	N/A	13,105,072	3,536,792	9,568,280
Total			<u>\$ 38,785,076</u>	<u>\$ 24,220,191</u>	<u>\$ 14,564,885</u>

Interest Rate Risk - State statutes generally limit the maturity of investment securities to five years from the date of purchase, unless the governing board authorizes the investment for a period in excess of five years.

Credit Risk - State statutes limit certain investments to those with specified ratings from nationally recognized statistical rating organizations, depending on the type of investment.

Concentration of Credit Risk - State statutes do not limit the amount the Town may invest in a single issuer of investment securities, except for corporate securities. At December 31, 2024, the Town's investments in the Federal Home Loan Bank, and Federal Farm Credit, represented 7% and 6%, respectively, of the Town's total investments.

Local Government Investment Pools - At December 31, 2024, the Town had \$3,807,136, \$14,216,912, and \$1,174,156 invested in the Colorado Local Government Liquid Asset Trust (Colostrust), the Colorado Surplus Asset Fund Trust (CSAFE) and the Colorado Statewide Investment Pool (CSIP), respectively. The pools are investment vehicles established for local government entities in Colorado to pool surplus funds. The Colorado Division of Securities administers and enforces the requirements of creating and operating the pools. The pools operate in conformity with the Securities and Exchange Commission's Rule 2a-7. The pools operate similar to money market funds and each share is valued at \$1.00 and the funds are rated AAAm by Standard and Poor's. Investments of the funds are limited to those allowed by State statutes. Designed custodial banks provide safekeeping and depository services to these funds in connection with the funds' direct investment and withdrawal functions. The custodians' internal records identify investments owned by the funds.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 2 CASH AND INVESTMENTS (CONTINUED)

Fair Value Measurements - The Town categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value, as follows:

Level 1: Quoted prices in active markets for an identical asset or liability that a government can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs for an asset or liability.

At December 31, 2024, the Town's investments were measured, as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
US Treasury Notes	\$ 13,105,072	\$ -	\$ -	\$ 13,105,072
U.S Agency Bonds	-	6,481,800	-	6,481,800
	<u>\$ 13,105,072</u>	<u>\$ 6,481,800</u>	<u>\$ -</u>	<u>\$ 19,586,872</u>

The Town's investment in ColoTrust Plus and CSAFE CORE is measured at net asset value, equal to \$1.00 per share. There are no unfunded commitments, the redemption date frequency is daily, and there is no redemption notice period. The Town's investment in CSIP Liquid Portfolio is valued at amortized cost.

The Town's restricted cash balance is related to the American Rescue Plan Act funding received by the Town in the amount of \$3,039,414.

**TOWN OF SUPERIOR

DECEMBER 31, 2024**

NOTE 3 INTERFUND BALANCES AND TRANSACTIONS

During the year ended December 31, 2024, the General Fund transferred \$5,750,000 to the Capital Improvement Program Fund to finance street improvements. Also, \$861,655 was transferred from the nonmajor fund (Marshall Fire) to the Capital Improvement Fund to finance capital improvements. Finally, \$32,431 was transferred from a nonmajor fund (SMID Debt Service) to another nonmajor fund (SMID Capital Projects) to finance capital improvements from excess debt service funds.

NOTE 4 LESSOR RECEIVABLES

Lease receivables are included within accounts receivable for financial reporting. The Town leases various property sites to third parties for the placement of antenna facilities under the terms of long-term noncancellable lease agreements which are reported within the General and Open Space Funds. The leases expire by December 31, 2033.

<u>Year Ending December 31,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2025	\$ 13,744	\$ 3,056	\$ 16,800
2026	10,478	2,722	13,200

NOTE 6 LONG-TERM DEBT

Governmental Activities

Following is a summary of long-term debt transactions of the governmental activities for the year ended December 31, 2024:

	Balance at December 31, 2023	Additions	Deletions	Balance at December 31, 2024	Due Within One Year
Compensated Absences	\$ 252,193	\$ 479,183	\$ -	\$ 731,376	\$ 8,321
2016 Open Space Refunding Loan	1,145,000	-	(375,000)	770,000	380,000
SMID GO Refunding Loan	335,000	-	(335,000)	-	-
Community Center Certificates of Participation	3,575,000	-	(285,000)	3,290,000	295,000
Community Center Certificates of Participation	2,605,000	-	(210,000)	2,395,000	215,000
2020 Open Space Bonds	5,325,000	-	-	5,325,000	-
Lease Payable	302,968	-	(129,999)	172,969	137,665
Bond Premium	933,884	-	(86,512)	847,372	86,512
Total	<u>\$ 14,474,045</u>	<u>\$ 479,183</u>	<u>\$ (1,421,511)</u>	<u>\$ 13,531,717</u>	<u>\$ 1,122,498</u>

In April, 2015, the Town entered into a loan agreement with UMB Bank in the amount of \$3,550,000. Loan proceeds were used to refund the outstanding Sales and Use Tax Revenue Bonds, Series 2006, originally issued to acquire and/or preserve open space. Interest accrues on the outstanding balance of the loan at 2.15% per annum and is payable semi-annually on June 1 and December 1, beginning December 1, 2016. Principal payments are due annually on June 1, through 2026. No events of default.

In March, 2015, SMID entered into a loan agreement with Bank of the West in the amount of \$3,100,000. Loan proceeds were used to refund the outstanding General Obligation Fixed Rate Bonds, Series 2005. Interest accrues on the outstanding balance of the loan at 1.9% per annum. Interest payments are due semi-annually in May and November. The loan was paid off in 2024.

In November 18, 2019, the Town issued certificates of participation and entered into a lease purchase agreement with UMB Bank in the amount of \$4,125,000. The net proceeds will be used to: (a) reimburse the Town for the costs of acquiring a parcel of land and a building; (b) pay the costs of the lease financing; and (c) pay two years of capitalized interest on the Certificates. Base rental payments are due and payable semi-annually on April 15 and December 15 starting in April 2020. Principal payments are due annually starting on October 15, 2022 and run through October 15, 2034. As of December 31, 2024, the net book value of the assets acquired was \$3,518,105. In the event of a default, the Town shall vacate the leased property.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 6 LONG-TERM DEBT (CONTINUED)

Governmental Activities (Continued)

In May 2020, the Town issued certificates of participation and entered into a lease purchase agreement with UMB Bank in the amount of \$3,000,000. The net proceeds will be used for Community Center building improvements at 1500 Coalton Road. Principal payments are due annually starting on November 1, 2022 and run through November 1, 2034. As of December 31, 2024, the net book value of the assets acquired was \$3,203,908. In the event of a default, the Town shall vacate the leased property.

In June 3, 2020, the Town issued Open Space Sales and Use Tax Revenue Bonds to acquire and improve Open Space in the amount of \$5,325,000. The bonds are payable from revenue generated by the pledged 0.3% open space sales and use tax currently imposed by the Town. The bonds mature annually beginning in 2027 with final payment in 2040. Interest of 3.13% is payable semiannually on June 1 and December 1 starting June 1, 2020.

In April 2021, the Town entered into a lease agreement for a building. The term of the original agreement was for 60 months. During 2022 the Town amended the lease and expanded the leased premise to include additional square feet. The amendment did not extend the term of the lease and it will expire on March 31, 2026. The lease includes proportionate share of operating costs associated that include common operating costs, second floor operating costs, and second floor utilities (variable payments). The variable payments incurred during 2024 were \$84,227.

The change in the compensated absence liability is presented as a net change.

Future debt service payments for all outstanding governmental activities bonds, leases and notes are as follows.

<u>Year Ended December 31,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2025	\$ 1,027,665	\$ 423,119	\$ 1,450,784

NOTE 6 LONG-TERM DEBT (CONTINUED)

Business-Type Activities

Following are the changes in long-term debt of the business-type activities for the year ended December 31, 2024:

	Balance at December 31, 2023	Additions	Deletions	Balance at December 31, 2024	Due Within One Year
(Private Placement Debt)					
2015 Revenue Refunding Loan	\$ 8,285,000	\$ -	\$ (1,575,000)	\$ 6,710,000	\$ 6,710,000
2020 Colorado Water Resources and Power Development Authority	6,219,684	-	(196,610)	6,023,074	200,960
Bond Premium	181,739	-	(12,076)	169,663	11,558
Total	<u>\$ 14,686,423</u>	<u>\$ -</u>	<u>\$ (1,783,686)</u>	<u>\$ 12,902,737</u>	<u>\$ 6,922,518</u>

In December 2015, SMD No. 1 entered into a loan agreement with UMB Bank in the amount of \$19,850,000. Loan proceeds were used to refund the outstanding Special Revenue Refunding Bonds, Series 2006. Interest accrues on the outstanding balance of the loan at 1.95% per annum. Interest payments are due semi-annually in June and December. Principal payments are due annually in December, through 2025. The loan is payable solely from the operating revenues of SMD No. 1 after deducting operations and maintenance expenses, and certain sales and use taxes imposed by the Town (See Note 7). During the year ended December 31, 2024, net operating revenues of \$7,484,153 and taxes of \$7,130,718 were available to pay annual debt service of \$1,736,558. In the event of default, the Loan shall bear interest at the Default Rate.

In May 2020, SMD No. 1 entered into a loan agreement with Colorado Water Resources and Power Development Authority in the amount of \$6,819,320. Loan proceeds were used to finance the costs of wastewater treatment facilities, and to use moneys on deposit in the Water Pollution Control Revolving Fund to assist such public entities in connection with the financing of such facilities. Interest accrues on the outstanding balance of the loan at 1.60% per annum. Interest payments are due semi-annually in February and August. Principal payments are due annually in August, through 2049.

2045-2049	1,407,250	95,573	1,502,823
Total	<u>\$ 12,733,074</u>	<u>\$ 1,609,060</u>	<u>\$ 14,342,134</u>

NOTE 7 REVENUE SHARING

The Town and its component units (SMD No. 1 and SURA) have entered into various intergovernmental agreements regarding the sharing of sales and use tax revenues. Sales and use taxes are collected from within the Superior Marketplace urban renewal area by SURA, then transferred to the Town in accordance with the revenue sharing agreements. The Town allocates certain amounts to SMD No. 1 as needed to service the relevant debt.

NOTE 8 PENSION PLAN

The Town has adopted a 401(a)-money purchase pension plan for its employees. Full-time, permanent employees are eligible to participate in the Plan. The Town Council is authorized to amend the Plan provisions, and determines the contributions made by the Town, currently 15% of eligible salaries. The Town does not contribute to social security on behalf of its full-time employees. Contributions are made by the Town directly to each eligible employee's retirement account and vest immediately. No voluntary contributions are allowed. Each employee selects their investments, and no Plan administration is performed by the Town other than transmitting contributions to the identified employee accounts. The American International Group, Inc., provides administration for the Plan and assists employees with their self-directed investments.

During the years ended December 31, 2024 and December 31, 2023, the Town's pension expense was \$703,311 and \$602,346, respectively, to the Plan, equal to the required contributions.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 9 RISK-RELATED ACTIVITIES

The Town is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town has purchased commercial insurance for these risks of loss. Settlements have not exceeded insurance coverage in the past three years.

NOTE 10 COMMITMENTS AND CONTINGENCIES

TABOR Amendment

In November 1992, Colorado voters passed the TABOR Amendment to the State Constitution which limits state and local government taxing powers and imposes spending limitations. The Town is subject to the TABOR Amendment. Fiscal year 1992 provides the basis for limits in future years, to which may be applied allowable increases for inflation and property valuation. Revenue received in excess of the limitations may be required to be refunded unless the Town's electorate vote to retain the revenue. The TABOR Amendment is subject to many interpretations, but the Town believes it is in substantial compliance with the Amendment.

In November of 1999, the citizens of SMD No. 1 approved a ballot question which authorized the District to collect, retain and spend, as a voter-approved revenue change, all amounts from any revenue sources (except for ad valorem taxes) and removed all restrictions on spending, revenue-raising, or other limitations contained in the TABOR Amendment without limiting in any year the amount of other revenues that may be collected and spent by the District.

In November of 2000, the citizens of the Town approved a ballot question that approved earmarking any revenues above the TABOR Amendment limits to public safety, parks and recreational facilities, municipal services, interchange and multi-modal transportation, and other public improvements.

In November of 2003, the citizens of the Town approved a ballot question which authorized the Town, upon the dissolution of SMD No. 2 and SMD No. 3, to collect an ad valorem mill levy up to 9.4 mills, and the investment income collected thereon, to be used for the Town's operations, maintenance, and other related expenses without regard to the limitations of the TABOR Amendment.

The Town has established an emergency reserve representing 3% of qualifying expenditures, as required by the Amendment. At December 31, 2024, the emergency reserve of \$1,090,500 was reported as restricted fund balance of \$1,061,500 in the General Fund and \$29,000 in the SMID Capital Projects Fund.

**TOWN OF SUPERIOR
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 10 COMMITMENTS AND CONTINGENCIES (CONTINUED)

Development Agreement

The Town has entered into an agreement with the developer of the Downtown Superior area. In accordance with the agreement, the developer has agreed to construct and install certain public improvements. In exchange, the Town will rebate 30% of the building permit and plan check fees and all building use taxes paid for the first five years of the development and 50% of the building use taxes thereafter. For the year ended December 31, 2024, the Town rebated use taxes and building permit and plan check fees of \$436,986 under this agreement.

Litigation

From time to time, the Town is involved in various litigation. Management believes the outcome of any litigation will not have a significant impact on the Town's financial position.

**TOWN OF SUPERIOR
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
DECEMBER 31, 2024**

NOTE 1 STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgets

Budgets are legally adopted for all funds of the Town except the Original Town Sewer Fund, which has no operations other than depreciation expense. Budgets for the governmental funds are adopted on a basis consistent with generally accepted accounting principles (GAAP) except for the Capital Improvement Fund and Open Space Fund which are presented on a non-GAAP budgetary basis and certain interfund transactions that are reported as revenues and expenditures on the budgetary basis but not the GAAP basis of accounting. Budgetary comparisons for the enterprise funds are presented on a non-GAAP budgetary basis, whereby capital outlay and debt principal are budgeted as expenditures and depreciation and amortization are not budgeted.

The Town adheres to the following procedures to establish the budgetary information reflected in the financial statements:

- By October 15th, management submits to the Town Council a proposed budget for the fiscal year commencing the following January 1st. The budget includes proposed expenditures and the means of financing them.
- Public hearings are conducted by the Town Council to obtain taxpayer comments.
- Prior to December 31st, the budget is adopted by formal resolution.
- Expenditures may not legally exceed appropriations at the fund level. Revisions that alter the total expenditures of any fund must be approved by the Town Council.
- All appropriations lapse at the end of each fiscal year.

This page intentionally left blank.

COMBINING AND INDIVIDUAL FUND STATEMENTS AND SCHEDULES

NONMAJOR GOVERNMENTAL FUNDS

Special Revenue Funds

Special revenue funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

Conservation Trust Fund – This fund is used to account for Conservation Trust Fund (Colorado Lottery) monies received by the Town for park and recreation purposes.

Trash and Recycling Fund – This fund is used to account for fees charged to residents of Original Town, Sagamore and Calmante subdivisions for contracted trash and recycling within these areas.

Class One Landscape Fund – This fund is used to account for monthly fees charged on residential property within Town, except Original Town, for enhanced landscape maintenance within these areas.

Marshall Fire Recovery – This fund is used to account for proceeds from the Town's 0.16% sales and use tax devoted to Marshall Fire Recovery.

Debt Service Funds

Debt service funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds and trust funds.

Open Space Debt Service Fund – This fund is used to account for sales and use tax revenues collected and utilized to retire tax revenue bonds issued by the Town.

SMID Debt Service Fund – This fund is used to account for revenues collected and utilized to retire general obligation bonds issued by SMID.

Capital Project Funds

Capital project funds are used to account for the acquisition and construction major capital assets.

SMID Capital Fund - This fund is used to account for revenues collected and utilized for SMID capital projects.

STATISTICAL SECTION

This part of the Town of Superior's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government's overall financial health.

<i>Financial Trends</i>	81-86
These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.	
<i>Revenue Capacity</i>	87-91
These schedules contain information to help the reader assess the government's most significant local revenue source, sales and use tax.	
<i>Debt Capacity</i>	92-96
These schedules present information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.	
<i>Demographic and Economic Information</i>	97
These schedules offer demographic and economic indicators to help the reader understand the environment within which the government's financial activities take place.	
<i>Operating Information</i>	98-100
These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.	

Sources: Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant year.

1 Overlapping rates are those of local and county governments that apply to property owners within the Town of Superior. Not all overlapping rates apply to all Town of Superior property owners (e.g. the rates for the special districts apply only to the proportion of the government's property owners whose property is located within the geographic boundaries of the special district).

TOWN OF SUPERIOR
DIRECT AND OVERLAPPING GOVERNMENTAL ACTIVITIES DEBT
AS OF DECEMBER 31, 2024

<u>Governmental Unit</u>	<u>Debt Outstanding</u>	<u>Estimated Percentage Applicable ¹</u>	<u>Estimated Share of Overlapping Debt</u>
Debt repaid with property taxes: BVSD and MVFA	\$ 884,385,000	3.66%	<u>\$ 32,364,301</u>
Subtotal, overlapping debt			32,364,301
Town of Superior direct debt			<u>12,800,341</u>
Total direct and overlapping debt			<u><u>\$ 45,164,642</u></u>

Sources: Assessed value data used to estimate applicable percentages provided by the County Assessor Office.
Debt outstanding data provided by the Boulder Valley School District (BVSD) and Mountain View Fire Authority (MVFA).

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the town. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the Town of Superior. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be take into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt of each overlapping government.

¹ The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the school district's and fire authority's taxable assessed value that is within the government's boundaries and dividing it by the district's and authority's total taxable assessed value.

(1) An active connection is a meter or sewer connection that is billed. Taps that are in the process of connection or transfer of ownership are not included. An active connection for multi-family or commercial use does not include the total number of residential equivalents (EQR's) that would be serviced by the connection; accordingly, there are significantly more EQR's that are being served than those reported in this table as active connections.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and Town Council
Town of Superior
Superior, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Town of Superior, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Town of Superior's basic financial statements, and have issued our report thereon dated May 2, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Town of Superior's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Town of Superior's internal control. Accordingly, we do not express an opinion on the effectiveness of Town of Superior's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Town of Superior’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Honorable Mayor and Town Council
Town of Superior
Superior, Colorado

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Town of Superior's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Town of Superior's major federal programs for the year ended December 31, 2024. Town of Superior's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Town of Superior complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Town of Superior and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Town of Superior's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Town of Superior's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Town of Superior's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Town of Superior's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Town of Superior's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Town of Superior's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Town of Superior's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Honorable Mayor and Town Council
Town of Superior

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Total Department of Transportation			<u>-</u>	<u>1,107,351</u>
Total Expenditures of Federal Awards			<u>\$ -</u>	<u>\$ 2,207,809</u>

See Notes to the Schedule of Expenditures of Federal Awards (SEFA)

**TOWN OF SUPERIOR
NOTES TO THE SEFA
DECEMBER 31, 2024**

NOTE 1 BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying schedule of expenditures of federal awards is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), using the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance for all awards. The Town does not charge a 10% de minimis indirect cost rate.

NOTE 2 FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) DISASTER ASSISTANCE

Non-Federal entities must record expenditures on the SEFA when: (1) FEMA has approved the non-Federal entity's Project Worksheet (PW), and (2) the non-Federal entity has incurred the eligible expenditures. Federal awards expended in years subsequent to the fiscal year in which the PW is approved are to be recorded on the non-Federal entity's SEFA in those subsequent years.

**TOWN OF SUPERIOR
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
DECEMBER 31, 2024**

Section II – Financial Statement Findings

Our audit did not disclose any matters required to be reported in accordance with *Government Auditing Standards*.

Section III – Findings and Questioned Costs – Major Federal Programs

Our audit did not disclose any matters required to be reported in accordance with 2 CFR 200.516(a).
