INDEPENDENT ACCOUNTANTS' REPORT ON STATEMENT OF APPROPRIATIONS,
EXPENDITURES AND REVERSIONS OF THE STATE-FUNDED STUDENT ASSISTANCE
PROGRAMS

To the Members of the Legislative Audit Committee:

We have audited the accompanying Statement of Appropriations, Expenditures, and Reversions (the Statement) of the State-Funded Student Assistance Programs of Colorado Technical University (the University) for the year ended June 30, 2024, and the related note to the Statement.

Management's Responsibility for the Statement

Management is responsible for the preparation and fair presentation of this Statement in accordance with the accounting practices prescribed by the Colorado Commission on Higher Education in the *Colorado Handbook for State-Funded Student Assistance Programs*. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this Statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statement referred to above presents fairly, in all material respects, the appropriations, expenditures and reversions of the State-Funded Student Assistance Programs of the University for the year ended June 30, 2024, on the basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 to the Statement, which describes the basis of accounting. As described in Note 1 to the Statement, the Statement is prepared by the University on the basis of financial reporting specified therein, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Other Regulatory Requirements

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2025 on our consideration of the University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the University's internal control over financial reporting and compliance.

Restriction on Use

This communication is intended solely for the information and use of management, others within the organization, members of the Legislative Audit Committee and Colorado Commission on Higher Education and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report which, upon release by the Legislative Audit Committee, is a matter of public record.

COLORADO TECHNICAL UNIVERSITY

STATE OF COLORADO STATE-FUNDED STUDENT ASSISTANCE PROGRAMS

FOR THE AWARD YEAR JUNE 30, 2024

STATEMENT OF ASSURANCES

INTRODUCTION

Colorado Technical University (the University) is a private institution of higher education located in Colorado Springs, Colorado.

Our financial and compliance examination of the various state-funded student assistance programs at the University for the year ended June 30, 2024, was directed toward the objectives and criteria set forth in CDHE's Financial Aid Policy, adopted April 2004. The state student financial assistance programs were examined in simultaneous connection with the federal financial aid programs for the University's fiscal year ended December 31, 2024.

STATE FUNDED ASSISTANCE PROGRAMS

The state-funded student assistance program in which the University participates is the Colorado Student Grant Program.

The state-funded student assistance awards made by the University were \$286,539 during the fiscal year ended June 30, 2024.

The Director of Financial Aid is responsible for administration of this program. This responsibility includes application processing, eligibility determination, and financial aid packaging, as well as ensuring compliance with regulations governing the participation of the University in federal and state financial aid programs. The University's Controller is responsible for the program's financial management, general ledger accounting, payments, and collections.

During the audit period, the University obtained authorizations to award federal student financial aid funds of \$207,920,478 in the Federal Pell Grant Program, \$88,551,881 in the Federal Direct Loan Program, \$2,911,008 in the Federal Supplemental Educational Opportunity Grant Program and \$117,275 in the Federal Work-Study Program for its fiscal year ended December 31, 2024.

During the audit period, the University was authorized to award Colorado students funds of \$286,539 in the Colorado Student Grant Program for Undergraduate program level.

REPORT SUMMARY

PURPOSE AND SCOPE OF AUDIT

Our audit of the state-funded student assistance programs was performed in accordance with the financial compliance elements of “Standards for Audits of Governmental Organizations, Programs, Activities, and Functions” issued by the Comptroller General of the United States, as revised through 2004. The purpose of the audit was to formulate an opinion on the statement of student aid program appropriations, expenditures, and reversions for the award year ended June 30, 2024, and to determine if these programs were administered in accordance with applicable laws, regulations, terms of agreements, and Colorado Department of Higher Education (CDHE) directives which were set forth in the handbook.

Our examination included:

- Expressing an opinion on the statements of student aid program appropriations, expenditures, and reversions.
- Evaluation of the policies, procedures, and practices used to administer these programs.
- Determination of compliance with applicable sections of the CDHE guidelines, 2023 version.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The University's accounting system is structured and administered in accordance with the accounting principles promulgated by the National Association of College and University Business Officers in their revised publication *College and University Business Administration*. In addition, the University complies with the guidelines set forth by their accrediting body, North Central Association of Colleges and Schools, on such matters. All state-funded aid is expensed on a cash basis.

INDEPENDENT ACCOUNTANTS' REPORT
ON COMPLIANCE AND ON INTERNAL CONTROL
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING*
STANDARDS

To the Members of the Legislative Audit Committee:

We have audited the Statement of Appropriations, Expenditures and Reversions (the Statement) of the State-Funded Student Assistance Programs of Colorado Technical University (the University) for the award year ended June 30, 2024, and have issued our report thereon dated March 17, 2025. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the University's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Statement, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. Accordingly, we do not express an opinion on the effectiveness of the University's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's Statement will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the determination of amounts in the Statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance that are required to be reported under *Government Auditing Standards*.

This communication is intended solely for the information and use of management, others within the organization, members of the Legislative Audit Committee and Colorado Commission on Higher Education, and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report which, upon release by the Legislative Audit Committee, is a matter of public record.

FOR THE AWARD YEAR ENDED JUNE 30, 2024

REQUIRED STATEMENTS, COMMENTS AND RECOMMENDATIONS

The University's packaging priority for need based applicants is required to give the highest priority to the neediest students. During fiscal year 2024, the University's packaging plan was structured to provide grants and certain types of loans first to the most needy or lowest income students. Awards are offered only to those students who meet eligibility requirements established by state or federal regulations and institutional policies. Certain federal and state funds are awarded to those students who demonstrate the most financial need and on a first-come, first-served basis. Any award including need-based funds may not exceed a student's documented financial need.

CDHE's Financial Aid Policy and Guidelines for State Financial Assistance programs issued by CDHE does not allow institutions receiving allocations for financial aid programs to transfer funds between those programs.

COLORADO TECHNICAL UNIVERSITY
