To the Board of Directors:

Report on Compliance Applicable to the Colorado State-Funded Student Financial Assistance Programs

We have audited International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's compliance with the specified compliance requirements which are listed in the Colorado Department of Higher Education's *Colorado State Funded Student Aid 2023-24 Audit Guide for Proprietary Institutions of Higher Education and Guidelines for Administering State Funded Assistance Programs*, relative to participation in the Colorado State-Funded Student Financial Assistance Programs during the year ended June 30, 2023 and June 30, 2024. International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's Colorado State-Funded Student Financial Assistance Programs are identified in the accompanying Statement of Appropriations, Expenditures, and Reversions.

In our opinion International Beauty Academy, Inc. d/b/a International Salon and Spa Academy complied, in all material respects, with the types of compliance requirements referred to above for the year ended June 30, 2023 and 2024.

Basis for Opinion on the Colorado State Funded Student Financial Assistance Programs

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and Colorado Statutes and Administrative Code. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of International Beauty Academy, Inc. d/b/a International Salon and Spa Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the Colorado Student Financial Assistance Programs.

Our audit does not provide a legal determination of International Beauty Academy Inc. d/b/a International Salon and Spa Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management of Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's Colorado State-Funded Student Financial Assistance Programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and Colorado Statutes and Administrative Code will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's compliance with the requirements of the Colorado State-Funded Student Financial Assistance Programs as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance, but not for the purpose of expressing an opinion on the effectiveness of International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Purpose of This Report

This report is intended solely for the information and use of management, members of the Legislative Audit Committee and the Colorado Department of Higher Education and is not intended to be and should not be used by anyone other than these specified parties.

AUDITOR'S REPORT ON INTERNAL ACCOUNTING CONTROL

International Beauty Academy, Inc
d/b/a International Salon and Spa Academy
Colorado Springs, CO

To the Board of Directors:

INDEPENDENT AUDITORS' REPORT

We have audited International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's compliance with the applicable statutes and rules of the Colorado State-Funded Student Financial Assistance Programs as published by the Colorado Department of Higher Education for the award years ending June 30, 2023 and 2024, and have issued our report thereon dated March 31, 2025.

Internal Control over Compliance

In planning and performing our Compliance Audit, we considered International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's internal control over compliance with types of requirements that could have a direct and material effect over Colorado State-Funded Student Assistance Programs to determine the testing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance over the Colorado State-Funded Student Financial Assistance Programs and to test and report on internal control over compliance in accordance with Government Auditing Standards - Standard for Audits of Governmental Organizations, Programs, Activities and Functions, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of International Beauty Academy, Inc. d/b/a International Salon and Spa Academy's internal control over compliance.

A *deficiency in internal over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of the Colorado State-Funded Student Financial Assistance Programs on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirements of the Colorado State-Funded Student Financial Assistance Programs will not be prevented, or detected and corrected, on a timely basis.

A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of the Colorado State-Funded Student Financial Assistance Programs that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weakness. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control and compliance and the results of that testing. Accordingly, this report is not suitable for any other purpose.

REQUIRED STATEMENTS, COMMENTS, & RECOMMENDATIONS

There were no audit findings.

The Institution 's packaging priority for need-based applicants is required to give the highest priority to the neediest students. During the award years ended June 30, 2023 and 2024, International Beauty Academy, Inc. d/b/a International Salon and Spa Academy 's packaging plan was structured to determine which eligible, resident students had the most need based on the Pell EFC index determined by the U.S. Department of Education and to award State-funded Student Assistance in accordance with CDHE policy on a first enrolled basis throughout the award year.

The Financial Aid Policy and Guidelines for State Financial Assistance Programs Issued by CDHE does not allow institutions receiving allocations for financial aid programs to transfer funds between those programs.
