REIMBURSEMENT AGREEMENT

THIS REIMBURSEMENT AGREEMENT ("Agreement") is made and entered into effective this 22nd day of September, 2008, by and between the DEEP CREEK WATER AND SANIATION DISTRICT, a quasi-municipal corporation and political subdivision of the State of Colorado (the "District") and NAVAJO DEVELOPMENT CO., INC., a Colorado corporation, whose principal office address is 2043 South Washington Street, Denver, Colorado 80210 (the "Company").

RECITALS

WHEREAS, the District was formed to finance certain water and sewer infrastructure to serve the Croede Haven development and to operate and maintain the same; and

WHEREAS, the Company has an interest in certain real property located within the present boundaries of the District; and

WHEREAS, in order to encourage development within the boundaries of the District and to ensure the continued existence and operation of the District, the Company anticipates providing funding to the District for the purposes of assisting with providing funding for general administrative and operating functions of the District, with the expectation of being reimbursed therefor; and

WHEREAS, the District anticipates that it will be unable to adequately fund continued administrative and operational expenses on an annual basis without financial assistance in the form of advances contemplated by this Agreement; and

WHEREAS, the District intends to reimburse the Company for the advances made to the District by the Company on behalf of the District; and

WHEREAS, the District finds that this Agreement is in the best interests of its residents and service users.

COVENANTS

NOW, THEREFORE, for and in consideration of the premises and of the mutual representations, warranties, covenants, agreements, and undertakings set forth herein, the parties agree as follows:

ARTICLE I: ADVANCES AND REIMBURSEMENTS

1.01 Definitions. As used in this Agreement, the following terms have the following definitions:

"Expenditures" means operating costs paid by the District to vendors of goods and services provided to or on behalf of the District. Expenditures also include those costs for which the Company provides monetary advances to the District for administrative and operational expenses of the District, including but not limited to management fees, legal fees, financial consulting fees, engineering fees and general operations costs related to the public purposes of the District.

"Service Plan" means the service plan of the District as approved pursuant to Section 32-1-201 et seq., C.R.S., and as the same may be amended from time to time; but no such amendment shall be construed to materially decrease the rights of the Company hereunder.

1.02 Reimbursement. In consideration of advances made by the Company to the general operating account of the District on an as-needed basis in accordance with the terms of this Agreement, the District agrees to pay reimbursements plus interest to the Company pursuant to the terms hereof.

1.03 Liability. Subject to the terms of this Agreement, the obligations of the District to make the reimbursements plus interest contemplated in paragraph 1.02 hereof (the "Reimbursement Obligation") arise upon the receipt of any advance of funds made by the Company to the District, which advance(s) shall be recorded on Schedule A attached hereto and acknowledged by the signature of an authorized representative of the District. No advance(s) shall be made until the District has advised the Company in advance of the amount of the requested advance(s) (the "Advance Request") and the Company has been provided with an opportunity to review and approve the same. Any Advance Request shall include a certification of an authorized representative of the District that all funds requested are being used for Expenditures permitted under this Agreement. Within ten (10) business days following receipt of an Advance Request, the Company shall endeavor to approve the same and cause the full amount of the Advance Request to be deposited into the general operating account of the District. If the Company fails to approve any Advance Request made by the District, the specific reasons for such action shall be documented in writing and shall be provided to the District in accordance with paragraph 2.10 hereof.

Schedule A shall document the receipt of each Advance Request received by the District for Expenditures authorized under this Agreement.

Reimbursement for advances made by the Company to the District shall include interest on the outstanding amounts due from the District to the Company at the rate of five percent (5.0%) per annum, provided, however, that such interest shall be calculated from January 1 of the year immediately following the year in which the advance(s) of funds is made.

Any and all reimbursements made by the District to the Company shall be duly recorded on Schedule B hereof. Schedule B shall document repayments of amounts advanced under Schedule A.

1.04 No Pledge of Specific Revenues or Security. No specific source of funds is pledged, and no other form of security is pledged, to the payment of the Reimbursement Obligation. No security in the form of letters of credit, bond insurance, stand-by credit agreements, or other form of credit enhancement shall be utilized by the District for the payment of, or as security for, the Reimbursement Obligation.

1.05 No Indebtedness or Financial Obligation. It is the intent of the District and the Company that this Agreement shall NOT constitute a "debt" or a "multiple-fiscal year direct or indirect district debt or other financial obligation whatsoever" of the District within the meaning of the Colorado constitution or any other Colorado law.

Nothing herein shall be construed to pledge District revenues for future years or impose obligations that would require the use of future revenues from a tax otherwise available for general purposes. Nothing herein shall be legally enforceable against the District in future years. All appropriations by the District to pay the obligations herein are purely discretionary and nonobligatory. The Reimbursement Obligation constitutes merely a "moral obligation" of the District as such term is used by the Colorado Supreme Court in Submission of Interrogatories on House Bill 99-1325, 979 P.2d 549 (Colo. 1999).

Nothing herein, however, shall prevent the Company and the District from entering into an agreement that includes a reimbursement obligation in the future that has the effect of renewing this Agreement in substantially the same manner that a lease-purchase agreement may be renewed. The Company has no claim or penalty against the District in the event that this Agreement is not renewed. The Company agrees that the District has not pledged its credit to its obligations under this Agreement.

1.06 Termination. This Agreement shall remain in effect until terminated by mutual written consent of the parties hereto, and shall not be transferred or assigned, in whole or in part, to any person or entity without the prior written consent of the parties to this Agreement, except that it is anticipated by the parties hereto that this Agreement may be assigned by the Company without the District's consent to an affiliated entity who owns or may own all or a part of the property within the District. The Company shall have the right to substitute a new party into this Agreement to perform all of Company's obligations upon consent of the District. Consent to such assignment shall not be unreasonably withheld by the District, nor shall it be withheld unless the District determines in good faith that the proposed assignee does not have the financial capability to perform the Company's obligations stated herein.

1.07 Not Negotiable. This Agreement is not a negotiable instrument.

ARTICLE II: MISCELLANEOUS

2.01 Enforcement. This Agreement shall be enforceable by any party by actions at law or in equity, and any non-breaching party shall be entitled to any and all remedies available at law or in equity, including, but not limited to, specific performance and/or damages.

2.05 Non-Waiver. No waiver of any conditions, remedy or provision of this Agreement shall be deemed to have been made unless expressly made in writing and signed by the party against whom such a waiver is charged; and

A. The failure of either party to insist in any one or more cases upon the performance of any of the provisions, covenants, or conditions of this Agreement or to exercise any option herein contained, shall not be construed as a waiver thereof or as a relinquishment for the future of any such provisions, covenants, conditions or options;

B. The acceptance or performance of anything required by this Agreement to be performed with knowledge of the breach or failure of a covenant, condition or provision hereof shall not be deemed a waiver of such breach or failure; and

C. No waiver by a party of a breach by the other party shall be construed as a waiver with respect to any other or subsequent breach.

2.06 Governing Law. The terms and provisions of this Agreement shall be governed by, and shall be construed in accordance with, the laws of the State of Colorado.

2.07 Assignment. Except as provided in Section 1.06 hereof, this Agreement is personal to the Company and District, and no party has any right, power, or authority to assign all or part of this

Agreement, or to delegate any duties or obligations arising hereunder, either voluntarily involuntarily, or by operation of law.

2.08 Captions and Headings. The headings throughout this Agreement are for convenience and reference only, and shall in no way be deemed to define, limit, or add to the meaning of any provision of this Agreement.
