CERTIFICATION OF PREPARER

I certify that I am an independent accountant with **knowledge of governmental accounting** and that the information in the Application is complete and accurate to the best of my knowledge. I am aware that the Audit Law requires that a person independent of the entity complete the application if revenues or expenditure are at least \$100,000 but not more than \$750,000, and that independent means someone who is separate from the entity.

Office of the State Auditor — Local Government Division - Exemption Form Electronic Signatures Policy and Procedures

Policy - Requirements

The Office of the State Auditor Local Government Audit Division may accept an electronic submission of an application for exemption from audit that includes governing board signatures. Required elements and safeguards are as follows:

- The preparer of the application is responsible for obtaining board signatures that comply with the requirement in Section 29-1-604 (3), C.R.S., that states the application shall be signed by a majority of the governing body.
- The application must be accompanied by the signature history document created by the electronic signature software. The signature history document must show when the document was signed by the parties, and include the dates the individual board members signed the document. The signature history must also show the individuals' email addresses and IP address.
- Office of the State Auditor staff will not coordinate obtaining signatures.

The application for exemption from audit form created by our office includes a section for governing body approval. Local governing boards note their approval and submit the application to the Office of the State Auditor.

- 1) Submit the application in hard copy via the US Mail including original signatures.
- 2) Submit the application electronically via email and either,
 - a. Include a copy of an adopted resolution that documents formal approval by the Board, or
 - b. Include electronic signatures obtained through a software program such as DocuSign or Echosign in accordance with the requirements noted above.
