RE: 2019 Budget vs Actuals Expenditures

Dear Crystal Dorsey,

Attached are the District's Audit Exemption for 2019, Debt Repayment Schedule and Other Expenditures.

Also, please note that the District's expenditures exceeded amounts budgeted and appropriated for 2019. This happened in the District's Capital Expenditures budget. The District budgeted for \$16,658.00 to refurbish a water tank and misc. improvements. The District had anticipated, hoped really, that the grant we applied for would be given and we could begin with the refurbishing of the tank. However, the grant was not received.

Therefore, the District decided based on extra income received from selling water and taking \$15,000 from our reserve account we would be able to complete the project. This project happened at the end of 2019, which is why a Resolution to Change Budget has not been filed.

Please let me know what needs to be filed at this point so that the District remains in good standing with all of its requirements for budget reporting.

As always, thank you for your help and understanding.

Best Regards,

Kathy Olson
