- The preparer of the application is responsible for obtaining board signatures that comply with the requirement in Section 29-1-604 (3), C.R.S., that states the application shall be personally reviewed, approved, and signed by a majority of the members of the governing body.

The signature history document must show when the document was created and when the document was emailed to the various parties, and include the dates the individual board members signed the document. Governing members may be verified. Also by signing, the individual member certifies that this Application for Exemption from Audit has been prepared consistent with Section 29-1-604, C.R.S., which states that a governmental agency with revenue and expenditures of \$750,000 or less must have an application prepared by an independent accountant with knowledge of governmental accounting; completed to the best of their knowledge and is accurate and true.
