The application for exemption from audit form created by our office includes a section for governing body approval. Local governing boards note their approval and submit the application through one of the following three methods:

1) Submit the application in hard copy via the US Mail including original signatures.
2) Submit the application electronically via email and either,
a. Include a copy of an adopted resolution that documents formal approval by the Board, or
b. Include electronic signatures obtained through a software program such as Docusign or Echosign in accordance with the requirements noted above.

Below is the certification and approval of the governing body. By signing, each individual member is certifying they are a duly elected or appointed officer of the local government. Governing members may be verified. Also by signing, the individual member certifies that this Application for Exemption from Audit has been prepared consistent with Section 29-1-604 C.R.S. which states that a governmental agency with revenue and expenditures of $750,000 or less must have an application prepared by an independent accountant with knowledge of governmental accounting, completed to the best of their knowledge and is accurate and true. Use additional pages if needed.
