OFFICE OF THE STATE AUDITOR • LOCAL GOVERNMENT AUDIT DIVISION

Board of Directors
Misty Acres Metropolitan District
PO Box 1094
Monument CO 80132

RE: 1136.01

To the Board of Trustees:

We have reviewed the Application for Exemption from Audit of Misty Acres Metropolitan District. Based on our review, the December 31, 2019 and subsequent Applications for Exemption from Audit for December 31, 2020 through 2022 have been denied.

We are unable to accept the Applications as they are incomplete and are missing information. Please correct the following 2019 issues that also impact and apply to the subsequent years' 2020-2022 Applications. If the Applications are not re-submitted within these requirements the Local Government Audit Law (Section 29-1-601, et. seq., C.R.S.) allows the State Auditor to require an audit report instead of an Application for Exemption from Audit form.

The 2019 and 2020 exemption forms submitted are missing information throughout the form. For example, Parts 4, 5, & 6 are missing the completed checkboxes. Please re-submit your 2019-2020 exemption form with the completed information.

In addition, total assets do not equal total liabilities and fund balance on the balance sheet for the General Fund. There are amounts listed in the Assets section, however, there are no amounts listed in either the Liabilities or Fund Balance section. Please re-submit your 2019-2022 exemption forms with the corrected information.

During our review of the 2019 Application, we noted that the District has not completed line 3-31 on the Application. This line reports the January 1st beginning net position which should be obtained from the ending net position line from the prior year's Application (line 3-33) or the ending net position from audited financial statements. Because the District has not included this number as part of the current year ending net position calculation, ending net position at line 3-33 in the Operating Statement does not properly agree to net position reported on the Balance Sheet at line 1-36. Please re-submit your 2019-2022 exemption forms with the corrected information.

In "Part 4 - Debt Outstanding, Issued and Retired" the beginning balance of outstanding debt does not match the previous Application's ending balance. Please re-submit your 2019-2022 exemption forms with the corrected information and balances.

A copy of a payment schedule for the District's debt service payments was not included with the Application for Exemption from Audit. Please re-submit your 2019-2022 exemption forms with a copy of the payment schedule.

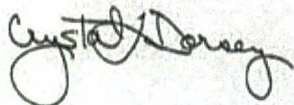

In "Part 2 - Operating Statement - Revenues" of the 2019 Application the District has reported property tax revenues in the General Fund, however, the District has not appropriately completed question 10-6 related to the number of mills levied. Please provide the number of mills the District certified in section 10-6 in the resubmission of the 2019 exemption form.

In 2019, Question 5-5 was not completed and we are unable to determine if deposits are held at a financial institution that complies with the Public Deposit Protection Act (Section 11-10.5-101, et. seq., C.R.S.). PDDPA describes the statutory requirements regarding the protection of deposits of public money for local governments. Please ensure this question is completed and re-submit the 2019 exemption form.

The Tax Payers Bill of Rights information on Line 9-1 in "Part 9 TABOR" was not completed. Please complete this question and re-submit the 2019 exemption form.

If we may be of any assistance to you, please feel free to call us at 303-869-3000. For further resources see our web site at: www.colorado.gov/auditor
