I hope these budgets for these Two years will be okay to release the money from State to County to Morgan Drain.

As of today and the last 2 years no money has been spent. The Gross is $2044.41 in the Bank.

We still owe the lawyer and hope to have them paid as soon as possible. The Rest will be put in reserve.

I'm still working on by-laws since no by-laws can be found for the Morgan Drain District.

Please call me at 719274-5965 if I need something else or a special form.

thanks
