Policy - Requirements

The Office of the State Auditor Local Government Audit Division may accept an electronic submission of an application for exemption from audit that includes governing board signatures obtained through a program such as DocuSign or Echosign. Required elements and safeguards are as follows:

- The preparer of the application is responsible for obtaining board signatures that comply with the requirement in Section 29-1-604 (3), C.R.S., that states the application shall be personally reviewed, approved, and signed by a majority of the members of the governing body.
- The application must be accompanied by the signature history document created by the electronic signature software. The signature history document must show when the document was created and when the document was emailed to the various parties, and include the dates the individual board members signed the document. The signature history must also show the individuals' email addresses and IP address.
- Office of the State Auditor staff will not coordinate obtaining signatures.

The application for exemption from audit form created by our office includes a section for governing body approval. Local governing boards note their approval and submit the application through one of the following three methods:

- 1) Submit the application in hard copy via the US Mail including original signatures.
- 2) Submit the application electronically via email and either:
 - a. Include a copy of an adopted resolution that documents formal approval by the Board, or
 - b. Include electronic signatures obtained through a software program such as DocuSign or Echosign in accordance with the requirements noted above.

Below is the certification and approval of the governing body. By signing, each individual member is certifying they are a duly elected or appointed officer of the local government. Governing members may be verified. Also by signing, the individual member certifies that this Application for Exemption from Audit has been prepared consistent with Section 29-1-604, C.R.S., which states that a governmental agency with revenue and expenditures of \$750,000 or less must have an application prepared by an independent accountant with knowledge of governmental accounting; completed to the best of their knowledge and is accurate and true.
