#### Policy - Requirements

The Office of the State Auditor Local Government Audit Division may accept an electronic submission of an application for exemption from audit that includes governing board signatures obtained through a program such as DocuSign or Echosign. Required elements and safeguards are as follows:

- The preparer of the application is responsible for obtaining board signatures that comply with the requirement in Section 29-1-604 (3), C.R.S., that states the application shall be personally reviewed, approved, and signed by a majority of the members of the governing body.
- The application must be accompanied by the signature history document created by the electronic signature software. The signature history document must show when the document was created and when the document was emailed to the various parties, and include the dates the individual board members signed the document. The signature history must also show the individuals' email addresses and IP address.

1) Submit the application in hard copy via the US Mail including original signatures.

2) Submit the application electronically via email and either,

a. Include a copy of an adopted resolution that documents formal approval by the Board, or

b. Include electronic signatures obtained through a software program such as DocuSign or Echosign in accordance with the requirements noted above.
