

Application for Exemption From Audit Long Form

Instructions

For local governments with either revenues or expenditures/expenses more than \$200,000 but not more than \$1,000,000

Under the Local Government Audit Law (Section 29-1-601, et seq., C.R.S.), any local government may apply for an exemption from audit if neither revenues nor expenditures exceed \$1,000,000 for the year.

Exemptions from audit are NOT automatic

To qualify for exemption from audit, a local government must complete an Application for Exemption from Audit **each year** and submit it to the Office of the State Auditor (OSA). Approval for an exemption from audit is granted only upon the review by the OSA.

Any preparer of an Application for Exemption from Audit — Long Form must be a person skilled in governmental accounting.

Read ALL instructions before completing and submitting this form

All applications must be filed with the OSA **within 3 months** after the accounting year-end.

For example, applications must be received by the OSA on or before March 31 for governments with a December 31 year-end. Applications for exemption from audit are not eligible for an extension of time.

Governmental activity should be reported on the modified accrual basis. Proprietary activity should be reported on a cash or budgetary basis.

Important!

All Applications for Exemption from Audit are subject to review and approval by the Office of the State Auditor.

Governmental Activity should be reported on the **Modified Accrual Basis**. Proprietary Activity should be reported on the **Cash or Budgetary Basis** — a budget to GAAP reconciliation is provided in Part 3B.

Failure to file an application or denial of the request could cause the local government to lose its exemption from audit for that year and the ensuing year. In that event, an audit shall be required.

Postmark dates will not be accepted as proof of submission on or before the statutory deadline

Prior year forms are obsolete and will not be accepted.

Applications must be fully and accurately completed. Applications submitted on forms other than those prescribed by the OSA will not be accepted.

For your reference, the Colorado Revised Statutes are available through the [LexisNexis Colorado portal](#).

Comments (optional)

In 2010 the District was notified that it was in default under the 2008 bond covenants, the letter of credit provider purchased the bonds outstanding under the letter of credit agreement and the District's swap agreement was terminated. The Bonds now carry an interest rate of prime rate plus 300 basis points not to exceed 10%. The letter of credit provider sold the bonds in 2014 to investors. During 2014 some of the landowners in the District sold their interests to other owners and development began on single family housing. The Debt Service Budget reflects the amount of interest the District is able to pay in 2025 based on 27.832 mills and WEDA reimbursement. The District currently has \$4,770,000 in principal remaining in the 2008 Limited Tax General Obligation Variable Rate Bonds. Due to the uncertainty of future principal and interest payments no schedule is presented.
