

# Application for Exemption From Audit

## Short Form

### Instructions

**If either revenues or expenditures exceed \$200,000, use the Long Form**

Under the Local Government Audit Law (Section 29-1-801, et seq., C.R.S.) any local government may apply for an exemption from audit if neither revenues nor expenditures exceed \$1,000,000 in the year.

### Exemptions from audit are **NOT** automatic

To qualify for exemption from audit, a local government must complete an Application for Exemption from Audit **each year** and submit it to the Office of the State Auditor (OSA). Approval for an exemption from audit is granted only upon the review by the OSA.

Any preparer of an Application for Exemption from Audit — Short Form must be a person skilled in governmental accounting.

### Read **ALL** instructions before completing and submitting this form

All applications must be filed with the OSA **within 3 months** after the accounting year-end.

For example, applications must be received by the OSA on or before March 31 for governments with a December 31 year-end. Applications for exemption from audit are not eligible for an extension of time.

Governmental activity should be reported on the modified accrual basis. Proprietary activity should be reported on a cash or budgetary basis.

### Important!

All Applications for Exemption from Audit are subject to review and approval by the Office of the State Auditor.

Governmental Activity should be reported on the **Modified Accrual Basis**.

Proprietary Activity should be reported on a **Budgetary Basis**.

Failure to file an application or denial of the request could cause the local government to lose its exemption from audit for that year and the ensuing year. In that event, an audit shall be required.

### Postmark dates will not be accepted as proof of submission on or before the statutory deadline

Prior year forms are obsolete and will not be accepted.

Applications must be fully and accurately completed. Applications submitted on forms other than those prescribed by the OSA will not be accepted.

For your reference, the Colorado Revised Statutes are available through the [LexisNexis Colorado portal](#).

We had additional expenses this year we weren't expecting. We had to replace the water pump and new tank in our well. Money was moved from our NOW account to cover this expense.  
We also decided to hire some of the Plainview High School students to water the trees around our park and clean out the closets, store rooms and cupboards.

### Office of the State Auditor — Local Government Division Exemption Form Electronic Signature Policy and Procedure

The Office of the State Auditor Local Government Audit Division may accept an electronic submission of an application for exemption from audit that includes governing board signatures obtained through a program such as DocuSign or EchoSign. Required elements and safeguards are as follows:

- The preparer of the application is responsible for obtaining board signatures that comply with the requirement in Section 29-1-604 (3), C.R.S., that states the application shall be personally reviewed, approved, and signed by a majority of the members of the governing body.
- The application must be accompanied by the signature history document created by the electronic signature software. The signature history document must show when the document was created and when the document was emailed to the various parties, and include the dates the individual board members signed the document. The signature history must also show the individuals' email addresses and IP address.
- Office of the State Auditor staff will not coordinate obtaining signatures.

The application for exemption from audit form created by our office includes a section for governing body approval. Local governing boards must note their approval and submit the application using one of the following two methods:

- 1) Submit the application in hard copy via U.S. Mail, including original signatures.
- 2) Submit the application electronically via email and either:
  - a. include a copy of an adopted resolution that documents formal approval by the board; or
  - b. include electronic signatures obtained through a software program such as DocuSign or EchoSign, in accordance with the requirements noted above.
