Application for Exemption From Audit
Short Form

Instructions

If either revenues or expenditures exceed $200,000, use the Long Form

Under the Local Government Audit Law (Section 29-1-601, et seq., C.R.S.) any local government may apply for an exemption from audit if neither revenues nor expenditures exceed $1,000,000 in the year.

Exemptions from audit are **NOT** automatic

To qualify for exemption from audit, a local government must complete an Application for Exemption from Audit **each year** and submit it to the Office of the State Auditor (OSA). Approval for an exemption from audit is granted only upon the review by the OSA.

Any preparer of an Application for Exemption from Audit — Short Form must be a person skilled in governmental accounting.

Read **ALL** instructions before completing and submitting this form

All applications must be filed with the OSA **within 3 months** after the accounting year-end.

For example, applications must be received by the OSA on or before March 31 for governments with a December 31 year-end. Applications for exemption from audit are not eligible for an extension of time.

Governmental activity should be reported on the modified accrual basis. Proprietary activity should be reported on a cash or budgetary basis.

Important!

All Applications for Exemption from Audit are subject to review and approval by the Office of the State Auditor.

Governmental Activity should be reported on the **Modified Accrual Basis.**

Proprietary Activity should be reported on a **Budgetary Basis**.

Failure to file an application or denial of the request could cause the local government to lose its exemption from audit for that year and the ensuing year. In that event, an audit shall be required.

Postmark dates will not be accepted as proof of submission on or before the statutory deadline
