

## 4th & 5th Grades – Christmas Pageant Song

### We'll Follow that Star

We'll follow that star to Bethlehem to find  
the new born King

We'll follow that star to Bethlehem tonight.

We'll follow that star and let it guide  
us to the holy place

We'll follow that star to Bethlehem tonight.

Down from the hills, into the town we'll follow  
that heavenly light

Down from the hills, into the town, on this most  
precious night

We'll follow that star to Bethlehem to find  
the new born King

We'll follow that star to Bethlehem tonight.

We'll follow that star whose guiding light is sent  
from heaven above

We'll follow that star to Bethlehem tonight.
